16-19 August, Wednesday – Saturday -- Faculty/Staff Workshop

17 August, Thursday -Students arrive. Residence halls open at
8:30 AM

19 August, Saturday - New students meet with advisors at 8:30 a.m.

20 August, Sunday - Continuing students arrive at 2:00 p.m.

20 August, Sunday - Required convocation for all new students, Columns
Auditorium at 6:30 p.m.

21 August, Monday - Continuing and returning students meet with advisors at
8:30 a.m.

21 August, Monday - Class registration in Marks Hall.

Class changes only : 2:30 – 3:30 PM

Registration for those who did not pre-register : 4:00 – 5:00 PM

22 August, Tuesday - Classes begin

31 August, Thursday - Last day to add classes

15 September, Friday - Last day to drop classes without record

11 October, Wednesday - Founders Day Convocation (10:00 AM)

13 October, Friday - Mid-term grading period

18 October, Wednesday - Mid-term break begins at conclusion of classes;
residence halls close at 5:00 PM

22 October, Sunday - Residence halls open at 1:30 PM

23 October, Monday - Classes resume at 8:00 AM

23 October, Monday - Last day to drop classes with a grade of WP or WF

31 October - 3 November, Tuesday – Friday - Pre-registration for spring semester

21 November, Tuesday - Thanksgiving holidays begin at end of classes
Residence halls close at 5:00 p.m.

27 November, Monday - Residence halls open at 1:30 PM

28 November, Tuesday - Classes resume at 8:00 AM

11-15 December, Monday - Friday - Final exams

15 December, Friday - Christmas holidays begin at end of exam schedule.
Residence halls close at 5:00 p.m.

SPRING SEMESTER 1996

5 January, Friday - Faculty/Staff Workshop

7 January, Sunday - Students arrive and check-in. Residence halls
open at 2:00 PM

8 January, Monday - Sophomores, juniors, and seniors meet with
advisors at 8:30 AM. Freshman and new students meet with advisors
at 1:30 pm

9 January, Tuesday - Class registration in Marks Hall.

Class changes only: 9:00 – 10:00 PM.

Registration for those who did not pre-register: 10:30 – 11:30 AM

10 January, Wednesday - Classes begin

15 January, Monday - Martin Luther King Day (no classes)

18 January, Thursday - Spring Convocation (10:00 AM)

2 February, Friday - Last day to drop classes without record

1 March, Friday - Mid-term grading period

8 March, Friday - Last day to drop classes with a WP or WF

29 March, Friday - Spring break begins at end of classes. Residence halls close
at 5:00 PM

8 April, Monday - Residence halls open at 1:30 PM

9 April, Tuesday - Classes resume at 8:00 AM

9-12 April, Tuesday-Friday - Pre-registration for fall semester

1 May, Wednesday- Awards Day Convocation (11:00 AM)

2 May, Thursday - Reading Day (no classes)

3-8 May, Friday -Wednesday - Spring semester exams

11 May, Saturday - Graduation Exercises at 10:30 AM. Residence halls
close at 3:00 PM

THE COLLEGE

Chowan College, the second oldest of North Carolina's seven Baptist colleges, has entered its third age of service to young adults seeking an education. It opened in 1848 as a four-year college for women, Chowan Baptist Female Institute. Renamed Chowan College in 1910, and admitting men in 1931, it became a junior college in 1937. Now Chowan College has returned to four-year status in order to offer a complete college education in the sanctuary of a small campus with a Christian heritage and outlook.

While Chowan is expanding its academic program and recruiting well qualified faculty, the College enjoys its identity as a small Baptist institution where people know each other. The College wants to provide an environment that is comfortable and conducive to social and spiritual as well as intellectual growth. Administration and faculty believe in intellectual freedom, indeed, insist upon it. But they are proud of the school's Baptist heritage and commitment to Christian principles. Chowan College does not discriminate on the basis of sex, race, color, age, creed, national origin, or handicap in its policies concerning employment, admission, housing, scholarships and grants-in-aid, and public functions.

INSTITUTIONAL PURPOSE

The Mission Statement and the Institutional Goals which follow constitute the official Statement of Purpose of Chowan College.

MISSION STATEMENT

Chowan College, a four-year institution founded upon and dedicated to Christian principles and values, endeavors to provide quality higher education on a liberal arts foundation in a personal, nurturing environment. The college further strives to equip graduates with the knowledge and skills to function productively in their fields of study.

The college seeks to fulfill its mission through such means as: (1) offering a liberal arts core curriculum for all students who plan to earn baccalaureate or associate degrees; (2) offering vocational instruction in selected programs; (3) employing qualified faculty and staff who are committed to the mission of the institution; (4) striving to meet students' academic, social, and spiritual needs through counseling and personal attention in a caring context; (5) making available extracurricular opportunities which facilitate positive life experiences; and (6) providing diverse programs and appropriate facilities to promote and support responsible life and service in the college community.

INSTITUTIONAL GOALS

GOAL I: To provide requisite courses and instruction for baccalaureate and associate degrees.

GOAL II: To mold all curricula so as to include a foundation of general education courses (the humanities/fine arts; the social/behavioral sciences; the natural sciences/mathematics), thus enabling students to develop an understanding of their cultural and physical environments.

GOAL III: To ensure that completion requirements in all curricula include competence in reading, writing, oral communications, fundamental mathematical skills, and the use of computers.

GOAL IV: To evaluate continually the educational offerings of the college in terms of appropriateness, need, and quality.

GOAL V: To encourage students to think logically and rationally, and to develop problem solving skills.

GOAL VI: To furnish students in career programs with requisite skills and training for employment in their chosen or related fields.

GOAL VII: To provide a qualified faculty that strives toward excellence in teaching.

GOAL VIII: To provide a faculty and staff that is committed to the mission of Chowan College.

GOAL IX: To encourage and support the faculty in its pursuit of professional development opportunities.

GOAL X: To provide students with a strong program of academic advisement and support.

GOAL XI: To enhance the students' total personal development through the provision of opportunities for spiritual growth and nurture.

GOAL XII: To provide students with opportunities to develop socially and emotionally through counseling and personal attention.

GOAL XIII: To provide a varied program of extra- and co-curricular activities for students and for the community at large.

GOAL XIV: To provide a variety of educational support services to undergird the educational purposes of the college.

GOAL XV: To promote throughout the campus an environment that is conducive to study and learning.

GOAL XVI: To provide an atmosphere which promotes community service and involvement.

ACCREDITATION STATUS

Chowan college is accredited by the Commission on Colleges, Southern Association of Colleges and Schools, to offer the Bachelor's Degree.

ADMISSIONS POLICIES & PROCEDURES

PHILOSOPHY

Chowan College desires to enroll students who are qualified for admission, who are compatible with its stated purpose, and who will benefit from the academic and social experiences provided by the institution. In addition to being capable, students should have the level of maturity and self-discipline required to benefit from and succeed in the college experience.

BASIS OF SELECTION

All applicants are considered on the basis of their academic and individual qualifications and potential. As a matter of established policy, the college does not discriminate against any prospective student on the basis of nationality, race, religion, age, sex, handicap, or citizenship.

ADMISSION OF FIRST TIME STUDENTS

High school graduates seeking admission to Chowan College should request necessary forms and information from:

The Office of Admissions
P.O. Box 1848
Chowan College
Murfreesboro, North Carolina 27855-9902
919-398-4101 or 800-488-4101

The Admissions Office will ask that students (1) fill out an application form and submit it with a \$20.00 non-refundable application fee; (2) arrange to have either the SAT or ACT scores sent to the college; and (3) have the high school send an official sealed transcript reflecting the high school record. The college strongly suggests that high school students submit as a minimum the following units:

English	4
Social Studies	2-3
Mathematics	2-3*
Laboratory Science	2**
Electives	7-9

**Algebra I, Algebra, II, and/or Geometry recommended*

***Biology, Chemistry, and/or Physics recommended*

To be accepted at Chowan, a student should have: a total score of 800 (recentered) or 700 (old scale) or above on the SAT; a grade point average of 2.0 or above on academic courses; a class rank in the top 50%; a diploma, with passing scores on appropriate state competency tests. Chowan may accept SAT scores from non-standard administration, and ACT scores may be accepted in lieu of SAT scores. NOTE: Students who are 25 years of age or older are not required to submit SAT/ACT scores, but they must submit official final high school transcripts, official transcripts from any other colleges attended, and/or GED certificates and scores.

COLLEGE TRANSFER ADMISSION PROGRAM

Students may be admitted to Chowan College on the basis of work completed at other accredited colleges. Satisfactory enrollment and completion of course work at other institutions may be considered evidence of a student's ability to do college level work. Chowan encourages the application of these prospective students in the belief that its academic program can assist them in completing their baccalaureate programs. These students add diversity of experience and maturity to the student body. Transfer students who have 12 or more transferable hours and a GPA of at least 2.0 should submit to the Office of Admissions (1) an application form and a \$20.00 non-refundable application fee; (2) an official, sealed transcript from each institution of higher education previously attended; and (3) a statement of academic standing from the last institution attended. The college reserves the right to require any student to retake or make up any work which is evaluated as not equivalent to work offered at Chowan, work which may have been failed, or work in which the student may be deficient. Further, a transfer student may be advised or required to take one or more placement tests. Normally, a transfer student must be academically eligible for continued enrollment at the last institution attended. If a student presents less than 12 transferrable hours or has a GPA of less than 2.0, he/she must meet regular admissions standards. See the academic policy section of this catalog for further information on the transferability of credit.

CONDITIONAL ACCEPTANCE

The college may elect to accept certain "special need" students if circumstances suggest academic potential. These students must accept the following conditions:

1. That any required developmental work be taken during the first term at Chowan College in addition to any other courses taken, subject to financial aid restrictions.
2. That the student take courses prescribed by the college, to include FYE 101 or AS 005, in the first semester.

INTERNATIONAL STUDENTS

International students are required to follow the regular admissions procedures, to take the Test of English as a Foreign Language (TOEFL), and provide a statement of financial resources to support educational costs. The I-20 is issued to a student after he/she has been accepted for admission and made the \$200 non-refundable advance payment. International students must submit the application fee and the advance payment in U. S. currency.

International students should make application and be accepted for admission at least six weeks in advance of the beginning of the semester in which they plan to enroll. Academic transcripts from secondary schools or any other college attended must be official and received in sealed envelopes. English proficiency must be substantiated by a minimum score of 450 on TOEFL or by a statement from an educational official validating proficiency in the spoken and written use of English.

SPECIAL STATUS OR PART-TIME STUDENTS

Chowan will admit students who do not wish to become regular, degree-seeking students but who desire to enroll in one or more courses for special or specific purposes. Special students need not follow the usual academic program; they may enroll in those courses which meet their special academic needs, subject to the availability of space. Special status or part-time students may take no more than 11 hours of classes and may not normally live in college housing. Application procedures are the same as for other students.

READMISSION PROCEDURES FOR FORMER STUDENTS

A former Chowan student who was in good standing at the time of withdrawal may gain readmission by contacting the Office of Admissions and filing an application. If a former student has taken work at another college after withdrawing from Chowan, the student must submit official transcripts from any colleges attended and a statement of good standing from the last institution attended.

Students who have been suspended for academic reasons may seek readmission after (1) removing academic deficiencies in a summer session at Chowan or (2) appealing for readmission after having been away from the college for at least one full semester. If a student is granted readmission under item (2), he/she must remove all deficiencies in the first semester after readmission. Students suspended for disciplinary reasons may seek readmission after the disciplinary period of suspension by contacting the Office of Admissions and filing an application. Such students may be readmitted only after the Admissions Officers have conferred with appropriate persons in Student Development.

ADMISSION OF ADULTS 55 AND OVER

Persons 55 years of age or older who meet the admissions requirements of the college may take courses at the rate of \$100 per semester hour. Any special fees will apply. Applicants should follow the same admissions procedures as do other students.

VETERANS

For information concerning educational benefits for veterans and their children, write to the Registrar of Chowan College or to the nearest regional or county office of the Veterans Administration

ADMISSION PROCEDURES FOR RISING

HIGH SCHOOL SENIORS

During the summer between their junior and senior years, high school students in the upper one-third of their class may, with the recommendation of their principal or guidance counselor, enroll in the college's summer session. Such students, if they live in the area and get release time from their high schools, may take courses at the college during the regular term as special students. Such persons should follow the same admissions procedures as do other students.

ADVANCE TUITION DEPOSIT

Students who have been accepted for admission should send the college a \$200 advance payment which will be applied toward college expenses. The advance deposit reserves the financial aid offer, allows priority course selection through preregistration, and reserves housing. This deposit is not refundable and is due no later than May 5 for an upcoming term.

MEDICAL REPORT

N. C. State Law **REQUIRES** that all new undergraduate students entering college must have certain required immunizations. The medical form **MUST BE** completed by a licensed MD or a Nurse Practitioner. **PLEASE NOTE:** You must show proof of the immunizations and the physical exam as outlined above. These documents must be received by the Student Development Office in order for a student ID to be issued, and in order to be allowed to register for classes. International students must present the medical form and immunization record upon arrival on campus. Athletes will not be permitted to dress out and practice until the completed medical form and immunization record have been submitted to the Student Development Office. Students who arrive without prior completion of physical and immunization requirements cannot occupy campus housing nor participate in any campus activity.

STUDENT LIFE

Chowan College is strongly committed to educating the total person- mind, body, and spirit. Student activities and residential living complement the student's classroom experiences and lead to one's personal growth and total development. Campus life enables each student to develop social and interpersonal skills, foster leadership skills, cultivate sound ethical and moral principles, deepen spiritual commitments, formulate a philosophy of life, and explore career opportunities.

The College encourages and supports student life through a variety of student services provided by trained professionals in the Office of Student Development. The office consists of the following areas: Student Activities, Campus Ministry, Health Services, Counseling, Career Development, Safety & Security, Intramurals, Special Programs (camps & conferences), Residence Life, International Student Affairs, Commuter Student Affairs, Student Publications, Discipline, and Orientation.

Activities

Student activities are an integral part of life outside the classroom. A campus network consisting of the Director of Student Activities, the SGA officers, the various clubs & organizations, and residence hall programming all work closely together to provide a wide variety of exciting activities on a regular basis. The Student Activities Calendar is published each year along with a weekly campus calendar. The Braves Den Student Center, the Helms Center Athletic Complex, and the Beacon are three major "hubs" on campus for student activities.

Intramurals - The Director of Intramurals coordinates an extensive program of competitive and recreational activities which enable students, faculty and staff to (1) improve and maintain physical well-being; (2) socialize in a recreational atmosphere; (3) develop skills in a variety of sports; (4) learn and practice good sportsmanship; (5) relieve stress; and (6) simply have fun!

Intercollegiate - Chowan College is a provisional member of NCAA Division III and seeking membership with the Dixie Conference as well as the Eastern College Athletic Conference. The College sponsors the following teams: men's baseball, men's basketball, women's basketball, football (men), men's golf, men's soccer, women's soccer, women's softball, men's tennis, women's tennis, and women's volleyball.

Career Development

Chowan College recognizes the importance of assisting students in their career decision making. Career information, career counseling, and interest inventories are available in the Career Resource Center. The Director of Career Development is available for personal consultation.

10—Student Life

Car Registration

Freshmen are permitted to have vehicles on campus. All motor vehicles operated on campus by Chowan students must be registered with the Safety & Security Department during the first week of each semester. Vehicles arriving after this time must be registered immediately. The cost of vehicle registration is \$30.00 per semester and is non-refundable.

Community Service

To complement a well-rounded education, students are strongly encouraged to get involved in any one of numerous off-campus community service opportunities. Student involvement is welcomed by the local community. The Director of Campus Ministries coordinates these efforts.

Commuter Student Services

A variety of programs are planned throughout the year to meet the unique needs of those who commute to campus each day and to assist them in becoming a part of the total campus community. A student lounge is located on the first floor of Thomas Cafeteria and is ideal for study, rest, and relaxation. The campus dining service offers a special meal plan for commuting students. Commuting students are encouraged to become involved in all aspects of campus life.

Counseling

The Director of Counseling, the Director of the Wellness Center, the Campus Minister, and local pastors comprise a counseling network that is competent, caring, and confidential. Community referral services are available. Students are encouraged to visit the counseling offices or call for an appointment. Residence hall staff members are also trained as first-response counselors. The area Crisis Line number is 1-800-253-6387.

Food Services

The Cafeteria is located in the Thomas Cafeteria and is catered by Pioneer College Caterers, Inc. The Food Service Director and his staff work to provide wholesome menus. A food committee meets with the Food Service Director periodically to discuss ways and means of improving the food services. All resident students are required to participate in the Boarding Plan. Meal plan options are available. Students can choose the full meal plan which allows them up to 20 meals per week, or the partial meal plan consisting of 14 meals per week. During registration these meal plan options can also be purchased with a Snack Bar credit line.

The Snack Bar is located in the Brave's Den Student Center and provides for a wide selection of foods and snacks. Big Al's New York Style Pizzeria, deli subs, snack foods, plus a full line of grilled to order items, are among the choices available.

Meal hours and guest rates can be noted at the entrance to the cafeteria.

Health Service

The Campus Wellness Center is operated as a first aid and initial treatment outpatient facility. The College maintains a close relationship with Roanoke-Chowan Hospital located in Ahoskie, N.C. and emergency medical technicians are available at all hours. Students with serious illness or contagious disease are best served at home or in the hospital. No hospital or quarantine facilities are available on campus. The Wellness Center is staffed by a registered nurse. A physician is available to students on campus three times per week. The cost of any prescriptions or the cost of seeing a physician off campus is the responsibility of the student.

A Medical Examination and Health Report is required of all incoming students. Immunization records are required by North Carolina State Law and must be completed prior to entering college.

The College carries accident insurance on all students who are enrolled for at least nine (9) credit hours per semester. The College requires each full-time student to maintain a personal health policy. International students are required to purchase hospitalization insurance through the Business Office of the College before registering for classes.

International Student Services

The Director of Campus Ministries has primary responsibility for assisting international students with adjustment to college life in the United States. He is available for personal counseling and assistance as needed. The College Registrar assists international students with information related to visas, passports, and the I-20 form. A special orientation session is held at the beginning of each semester for international students. The International Student Club provides opportunities for cultural awareness and understanding.

New Student Orientation

An extensive program of orientation for new students and their families is held before classes begin in August. An abbreviated program is held for students entering in January. The orientation program is designed to inform students and to make them quickly feel "at home." Orientation and student handbook review sessions are held in small groups the first weekend students arrive. Information sessions are held for parents/guardians that allow them to meet and interact with various college officials.

Organizations & Clubs

There are approximately forty (40) student organizations and clubs at Chowan College with either an academic, professional, honorary and/or personal interest basis. Student organizations provide opportunities for personal enrichment, professional development, community service, and the chance to interact with others of similar interests.

Religious Life

In keeping with its Baptist heritage, the College promotes spiritual growth stimulated by faith development. Spiritual growth is as important to one's education as is emotional, physical, and intellectual development. All members of the college community are encouraged to nurture the spiritual dimension of their lives. People of all religions and spiritual orientations are invited to use Harden Chapel for meditation, reflection, prayer, worship, or quiet time of renewal and inspiration. Students are encouraged to participate in the life and worship of local churches.

The Director of Campus Ministries is available for personal consultation. Campus religious clubs/organizations provide numerous opportunities for growth and service.

Residence Life

Six residence halls are located on campus. All rooms are carpeted, air-conditioned, wired for cable TV connection [extra charge], and wired for telephone service [extra charge & must use Chohan-owned phones]. All rooms are furnished with beds and study areas. Linen service may be contracted with a local private vendor. Most rooms are designed for double-occupancy. A limited number of private rooms are available on a first-come first-serve basis for an additional charge.

College policy requires all full-time students [12 semester hours] to live in campus housing unless they meet one of the following conditions: (1) married; (2) live in the community with their parents or grandparents; (3) over 23 years of age; or (4) a veteran of the United States military.

Each residence hall is staffed by full-time Residence Directors and student Residence Assistants. Room assignments are made through the Office of Student Development.

Safety & Security

The Department of Safety and Security is responsible for protecting life and property by enforcing state and college rules and regulations. The security staff consists of professionally-trained officers who patrol the campus on a 24-hour basis by means of foot, bicycle, and vehicle patrol. An escort service is available to and from any campus building upon request. The department sponsors special seminars on a regular basis dealing with such topics as crime prevention and fire safety. Campus security works closely with local and state law enforcement agencies. While the College takes all possible precautions to help residents protect their possessions, the College does not assume responsibility for items that are lost, stolen, or damaged. Students are advised to determine if their possessions are covered by their parents' home owner insurance or, if needed, invest in adequate personal property insurance coverage.

Student Conduct & Expectations

The College is committed to Christian values that create an academic community that is orderly, caring, and just. At Chowan every person is considered to be a person of worth. Cultural backgrounds, attitudes, and opinions different from our own are welcomed and appreciated; however, any form of harassment, hazing, lewd, or indecent behavior will not be tolerated. The College takes a strong stance against drug abuse and possession of fire arms and pyrotechnics. Drinking or possession of intoxicating beverages is not permitted on campus. The Honor Code, rules and regulations are specifically stated in the current edition of the student handbook. Students are responsible for their own actions and behavior and are held accountable as such. *The College reserves the right at all times to exclude students whose conduct or academic standing it regards as undesirable without specifying any further reason for exclusion.*

Student Government Association

All students are automatically members of the Student Government Association (SGA). The SGA provides students the opportunity to participate in the operation of the college, to gain experience in democratic procedures, and to become actively involved in the planning and execution of college-sponsored activities.

FINANCIAL INFORMATION

STUDENT FEE SCHEDULE FOR 1995-96*

	Per semester	Per Year
Tuition	\$4,600	\$9,200
Board: 14 meal plan (required)	1,005	2,010
21 meal plan (optional)	1,080	2,160
**Optional Snack Bar Declining Balance Plan		
14 Meal plan with \$50 credit	1,050	2,100
21 Meal plan with \$50 credit	1,125	2,250
Room: Double occupancy	750	1,500
Private room (optional)	1,125	2,250

*Summer School fees are published in a separate brochure each March. Brochures are available at the Admissions or Registrar's offices.

**The Snack Bar declining balance provides an initial credit of \$50.00 for use in the snack bar (including pizza delivery). Additional credits may be purchased in the snack bar. Credits cannot be redeemed for cash, and any unused credit at the end of any semester will be forfeited.

NOTE: The College reserves the right to change these rates upon 30 day notice to students. By order of the Board of Trustees all boarding students must participate in one of the meal plans provided by the College.

Tuition for full time students includes a portion to provide various extracurricular events under the administration of the Division of Student Development. Events include athletic, intramural, music, religious, and other activities. Part-time students (taking less than 12 semester hours or equivalent non-credit hours) will pay on the basis of semester hours or equivalent hours as shown below. Such students may not normally live in residence halls. In unusual cases where the Vice President for Student Development allows such a student to live in a residence hall, the student must pay the same tuition and fees as a boarding student.

HOURS	TUITION PER HOUR
1-3	\$135
4-7	200
8-11	400

Persons 55 years of age or older who meet the admissions requirements of the college may take up to nine semester hours at the rate of \$100.00 per semester, on a space available basis. Any special fees will apply.

Legal residents of the State of North Carolina will receive Legislative Tuition Grants (NCLTG) which will help to offset the scheduled fees. The amount to be awarded to each North Carolina student is determined annually by the State Legislature.

16—Financial Information

To qualify as a North Carolina resident, the applicant and/or parent must have permanent residence in the State for at least one year immediately preceding the beginning of the semester. Active duty military members stationed in North Carolina are considered North Carolina residents.

OTHER EXPENSES

1. A Key Deposit of \$20.00 is an annual charge, for residential students, which is refundable upon return of the original room key (where applicable). **It is paid during registration** at the first semester of resident enrollment each school year.
2. An Audit Fee of \$25.00 per hour is charged students who, with the permission of the Vice President for Academic Affairs, attend a class, but do not take it for credit.
3. A course overload fee of \$135.00 per hour is assessed students taking more than 24 semester hours or equivalent hours. A student must receive permission from the Vice President for Academic Affairs to take more than 18 hours.
4. A Music Fee of \$100.00 per semester is charged music majors for study in their major and minor applied music areas and for using practice rooms. Non-music majors are charged \$50.00 per semester per course for private instruction in an applied music area.
5. A late processing fee of \$50.00 is assessed students who do not register prior to the first day of classes in any semester, and those students who have not completed financial, medical record or immunization requirements by required deadlines.
6. A Graduation Fee of \$50.00 is charged for cap, gown, and diploma. Graduation in absentia costs an additional \$15.00.

Optional Fee(s) (paid during registration each semester.)

7. Vehicle registration with the Office of Safety and Security is required for all motorized vehicles, at \$30.00 per semester. Bicycle registration is free.
8. Linen service is optional and may be obtained for a non-refundable charge of approximately \$65.00 per year, or \$40.00 per semester.
9. Refrigerator rental is available for \$55.00 per school year. (\$10.00 refundable deposit is required).
10. Telephone service including voice mail is available in every dormitory room. An initial fee of \$100 is required for installation of which \$50.00 is refundable with the phones return in good condition. Telephones provided by the college must be used. Phone charges are billed to one person per room. Roommates should coordinate telephone billing prior to registration. Phone service costs \$25.00 per month per room plus long distance charges.
11. Cable television service is available in every dormitory room. Service is provided through the local cable company. A connection charge and monthly service charge are paid to the cable provider. Service is arranged during registration in the fall semester.

12. There are miscellaneous expenses not listed here. Books and supplies, for instance, will cost about \$450.00 per year.
13. A fee of \$10.00 will be assessed for any returned check at any time.

NOTES:

1. *No credit for academic work is given for a diploma or for transfer purposes until all financial obligations to the College have been paid or adequately secured. In such cases, a student's transcript is placed on a non-release basis. Grade reports may also be withheld.*
2. *Although students may leave personal possessions in their rooms during breaks in the regular academic year, they are not permitted to do so during the summer months. The college reserves the right to dispose of any and all belongings left in the residence halls after the closing of school in May.*
3. *Chowan College does not carry insurance on students' personal belongings and is not responsible for loss or damage from any cause. Students are advised to check their family's home owners insurance to see if it covers belongings at college. If not, students may wish to obtain personal coverage.*

SCHEDULE OF PAYMENTS

Tuition, fees, and other costs for the semester must be paid prior to registration in accordance with the schedule below. When a student is receiving financial aid, the balance due the college must be paid prior to registration.

STUDENTS WHO DO NOT MAKE THE REQUIRED PAYMENTS PROMPTLY
MAY BE DENIED REGISTRATION OR SUSPENDED FROM SCHOOL.

Fall Semester

Advance Payment - A \$200 payment is paid by new students within two weeks after they are accepted and decide to enroll. Continuing students pay a \$100 payment prior to preregistration each spring. The payment is applied to tuition and fees. Housing and class assignments will not be made until this payment is paid.

Payment in full of the remaining balance is due by **August 1**. Statements will be mailed on or about July 15 each year showing the amount due.

Spring Semester

Advance Payment- A \$200 payment is paid by new students after they are accepted and decide to enroll. The deposit is applied to tuition and fees. Housing and class assignments will not be made until this payment is paid.

Payment in full of the remaining balance is due by **December 15**. Statements will be mailed on or about November 15 each year showing the amount due.

MONTHLY PAYMENT PLAN - Some students and their parents find the preceding schedule difficult and prefer to make monthly installments throughout the school year. The college offers two no-interest deferred payment plans for such cases for all amounts in excess of \$500 per year. There is a non-refundable application fee. Parents or students should contact the Business Office, at (919)-398-1228 to make arrangements. Information on payment plans is mailed to all stu-

18—Financial Information

dents in July each year. Payments are made according to the following schedule:

10 payment plan - monthly on the 15th beginning June 15

8 payment plan - monthly on the 1st beginning August 1.

Students who do not make the required payments promptly may be denied registration or suspended from school.

REFUND POLICY

(The policy below is based on Federal regulations in existence at the time this document was written. It is subject to change as regulations may dictate.)

Federal regulations (Section 688.22 [a][1]) states "an institution shall have a fair and equitable refund policy under which the institution makes a refund of unearned tuition, fees, room and board, and other charges to a student who received Title IV, HEA program assistance, or whose parents received a Federal PLUS loan on behalf of the student ..." The regulations further state (Section 688.22[b][1][iii]) that "for any student attending the institution for the first time whose withdrawal date is on or before the 60 percent point of enrollment for which the student has been charged" there shall be a pro-rata refund. The pro-rata refund amount is determined by (1) dividing the remaining weeks in the period for which the student is charged by the number of weeks in the enrollment period and rounding the percentage downward to the nearest 10%; (2) subtracting any unpaid tuition, fees, room and/or board from the charges and an administrative fee of the lesser of 5% of the charges or \$100; and (3) multiplying the amount in (2) by the amount in (1).

In addition to the required refund, Chowan College makes a pro-rated refund of room and board until the examination reading day. Students who withdraw because of medical problems and present a note from a doctor within twenty days of their last day of class attendance shall have a pro-rated refund of tuition at the same percentage as the room and board refund.

Students not covered by the pro-rata regulations are under the "Federal Refund" regulations. Tuition is refunded in this manner:

- 1) withdrawals during the first 10% of the period shall receive a 90% refund less an administrative fee of the lesser of 5% of the charges or \$100.
- 2) between the 10% period and the 50% period, the refund percent shall drop 10% per week less an administrative expense of the lesser of 5% of the charges or \$100. Exceptions: a) If this causes the refund percent for the period of time between 10% and 25% to be less than 50%, the refund will be 50%. b) If this causes the refund percent for the period of time between 25% and 50% to be less than 25%, the refund shall be 25%.

(Steps 1 and 2 are in accordance with Appendix A [VIII] to Part 668.)

- 3) Students who withdraw because of medical problems and present a note from a doctor within twenty days of their last day of class attendance shall have a pro-rated refund of tuition at the same percentage as the room and board refund. An administrative fee of the lesser of 5% or the charges or \$100 will be deducted.

The refund for room and board for students covered by the "Federal Refund" regulation shall be pro-rated until the reading day for examinations. (Unpaid charges may not be deducted for students who are under the "Federal

Refund” regulation.) An administrative fee of the lesser of 5% of the charges or \$100 will be deducted.

Distribution of refunds to Title IV programs shall be in accordance to the schedule in section 668.22(g).

If there is any refund amount left after the refunds to Title IV programs, refunds shall be made to state programs. The amount of the refund shall be the lesser of the remaining amount or the percent of the tuition being refunded times the amount of state funds received. Exception: Before any refunds to state programs are processed for students under the “Federal Refund” requirement, any unpaid charges shall be deducted.

If there is any refund amount left after the refunds to the state programs, refunds shall be made to institutional programs. The amount of the refund shall be the lesser of the remaining amount or the amount of institutional funds received. Exception: Before any refunds to institutional programs are processed for students under the “Federal Refund” requirement, any unpaid charges shall be deducted.

If any refund amounts are remaining after the refund to institutional programs, they shall be refunded to outside donors. The amount shall be the lesser of the remaining refund amount or the amount received from outside donors. Exception: Before any refunds are processed for students under the “Federal Refund” regulation, any unpaid charges shall be deducted.

Any remaining refund amount shall be refunded to the student. Exception: Before any refunds are processed for students under the “Federal Refund” regulation, any unpaid charges shall be deducted.

Financial Aid Exceeding Amount Owed

If the combination of financial aid received and payments made exceed the balance owed the college, a refund will be made in accordance with applicable federal regulations. If a written request is received, amounts will be credited to future tuition and fees.

Withdrawal

If, as required, the enrollment period’s expenses have been paid by the time of registration, a student who withdraws or is dismissed from the college is entitled to a pro-rated refund in accordance with the above procedures.

Except where noted otherwise, refunds will be made within 30 days of official withdrawal, unless additional financial resources are anticipated or additional documentation is required to complete the withdrawal process. Refunds will not be provided to dependent students without the express written request of the parent or legal guardian. All undeliverable refunds and unclaimed credit balances on account will revert to the state of North Carolina after reasonable efforts are made to contact the student and parents and after 12 months of no activity on the account.

STUDENT CLASSIFICATION

A commuting student is considered to be one

- who is obviously a resident of Murfreesboro
- whose permanent residence is in such proximity to Murfreesboro that

20—Financial Information

- he/she can commute to and from the college each day, or
- who is married and has established a residence for his/her family in the Murfreesboro area.

Other students, unless at least 23 years of age or a veteran of the U. S. military, are normally required to be boarding students. Boarding students must live in college housing and purchase a college meal plan. Board and room fees do not include holiday periods.

FINANCIAL AID

The purpose of the financial aid program at Chowan College is to help students who can not afford to go to college finance their education through a variety of scholarships, grants, loans, and/or part time employment. Applications for financial aid are evaluated without regard to race, creed, color, national origin, or sex.

In order to receive financial aid, a student needs to have been admitted to the College and, after enrollment, must make satisfactory academic progress as indicated below. Since financial aid is not automatically renewed, a student must apply each year.

Some restrictions apply: Recipients of college funded scholarships and/or grants are not allowed to receive total scholarships and grants from all sources in excess of their college charges plus an allowance for books and supplies. College funded scholarships and grants are not available for summer school.

HOW TO APPLY FOR FINANCIAL AID

Complete and file a Free Application for Federal Student Aid (FAFSA). The FAFSA is available in high school counselor's office. This information is used to determine how much the student and parent(s) can afford for educational expenses. Residents of North Carolina should apply for the State Student Incentive Grant by marking on the FAFSA to have their information released to the state agency. Residents of Vermont and Pennsylvania need to file the special applications from their state to apply for the State Student Incentive Grant. Transfer students must have Financial Aid Transcripts from each college attended sent to Chowan. Priority is given to applications filed before April 1.

APPEALS

Financial aid is awarded based on the student's financial need and funds available. If a student feels that the amount awarded is not enough for him/her to attend Chowan College, he/she may appeal for additional assistance. The appeal must be in writing and must explain why more assistance is needed, with the amount needed specified.

GRANTS

Federal Pell Grants are federal grants available to U.S. Citizens enrolled in college. Awards range from \$400 to \$2,340 per year. After filing the FAFSA, applicants receive a Student Aid Report.

Federal Supplemental Educational Opportunity Grants (FSEOG) are federal

grants ranging from \$100 to \$4,000 per year. These go to students who are U. S. Citizens who receive Pell Grants and have exceptional financial need.

North Carolina Contractual Grants are awarded to residents of North Carolina who have financial need. Funding is based each year on appropriations by the North Carolina Legislature. North Carolina Legislative Tuition Grants (NCLTG) are given to every North Carolina student enrolled in at least twelve hours of college work. Funding is based each year on appropriations by the North Carolina Legislature.

North Carolina Student Incentive Grants (NCSIG) are funds appropriated by the State Legislature to match federal funds in order to assist students with financial need. In order to be considered for this grant, a student should indicate on the FAFSA or the financial aid information to be released to the state agency.

LOAN FUNDS

Federal Perkins Loan is a loan ranging up to \$3,000 per year, total eligibility is \$15,000. Recipients must have exceptional need. Repayment is deferred until nine months after the borrower ceases to be at least a half-time student. Interest at 5% begins nine months after the borrower ceases to be at least a half-time student.

Federal Stafford Loan Program allows freshmen students with demonstrated need to borrow up to \$2,625. Sophomores with demonstrated need may borrow up to \$3,500. Juniors and seniors with demonstrated need may borrow up to \$5,500. The total amount that a student can receive as an undergraduate is \$23,000. There is a combined origination fee and insurance fee of 4%. Interest rate is variable, capped at 8.25%, beginning six months after the borrower ceases to be at least a half-time student. Repayment begins six months after the borrower ceases to be at least a half-time student. These loans are made by banks, credit unions, and savings and loans associations. In North Carolina, most loans are made through College Foundation, Inc., an agency insured by the State Education Assistance Authority.

Federal Unsubsidized Stafford Loan Program - Same as Federal Stafford Loan except it is not based on financial need (FAFSA must be filed) and interest accrues while the student is in college.

North Carolina Scholarship/Loan for Prospective Teachers is available to residents of the State who plan to teach. Each year for five years after graduation, part of the loan is forgiven if the student teaches in North Carolina. Apply to the Department of Public Instruction, Board of Higher Education, Raleigh, North Carolina. There is a deadline of March 1.

Parents Loans for Undergraduate Students are available to parents at a variable interest rate based on the yearly average of T-Bill interest plus 3.1% with a ceiling of 9%. Parents may borrow educational costs minus other financial assistance the student receives. Interest begins with the loan's disbursement, and payments begin thirty days after disbursement.

The Education Resources Institute Supplemental Loan Program allows par-

22—Financial Information

ents or students, with their parents' co-signature, to borrow up to \$10,300 per year. Variable interest is prime plus. Payments begin 45 days after the funds are received, but may be deferred while the student is enrolled full-time.

The Pickett and Hatcher Educational Fund, Inc. is a non-profit, non-commercial educational trust fund created to assist full-time undergraduate students in fields of study other than law, medicine, or the ministry. Low interest loans with deferred payments are made to qualified residents of Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, or Virginia. The deadline for applications is June 15. Write to Pickett and Hatcher Educational Fund, Inc., P. O. Box 8169, Columbus, Georgia 31908.

OTHER GRANTS AND SCHOLARSHIPS

All applicants for admission with SAT scores of at least 700 and grade point averages of at least 2.00 are offered an incentive grant or merit scholarship. The amount of the awards is based upon the combined SAT score and grade point average. Incentive grants are renewed annually if the recipient maintains at least a 2.00 quality point average. Merit scholarships are renewed annually if the recipient maintains at least a 3.00 quality point average. The number of years the award is renewed is based upon the recipients grade level when he/she first enrolls at Chowan College.

Grants are available for students who plan to pursue church related vocations, dependents of full time employees of churches affiliated with the Southern Baptist Convention, and students who have been active in Acteen or Baptist Young Men programs. In most cases the student will have to choose between the incentive grant or merit scholarship and one of these grants.

ACADEMIC STANDARDS FOR FINANCIAL AID

A full-time student will be academically eligible to receive financial assistance through the federal Title IV programs (PELL, SEOG, PERKINS, CWSP, SSIG, STAFFORD, and PLUS) and the North Carolina Contractual Grant Program if he or she meets the standards given below.

At the completion of	1st sem.	2nd sem.	3rd sem.	4th sem.	5th sem.	6th sem.	7th sem.	8th sem.	9th sem.
A student must have earned at least this many semester hours	9	21	33	45	60	72	84	96	108+
With at least this cumulative QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

A student who enrolls part-time must meet the following standards:

After attempting this number of hours	15	30	45	60	75	90	105	120	135
A student must have earned at least this many semester hours	12	24	36	48	60	72	84	96	108+
With at least this cumula- tive QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

Any student who fails to meet these standards will be placed on academic probation for one semester. If after a semester of probation the standards are not met, the student will not be allowed to receive financial aid until the deficiency is removed.

Academic courses taken at other institutions after matriculation at Chowan will be treated the same as work taken at Chowan.

Students under academic suspension are not eligible to receive financial aid.

A student who does not meet the above standards for renewal of his or her financial aid and who attends Chowan without financial aid may request that his academic record be reviewed at the end of each enrollment period (semester or summer session).

Repeat courses in excess of the six allowed by the college policy count as hours attempted.

Courses with grades of "WF", "WP", "W", and "I" will not count as hours attempted.

Each academic support course (AS 001, 002, 003, 004) will count as three hours attempted. A grade of "S" will count as 6 quality points. A grade of "U" will count as "0" quality points.

Transfer students will be treated the same as other students. After the probationary period is over, the student's record, including the academic work attempted at prior institutions, will be reviewed to determine if the standards are met.

A student will not be awarded financial aid for more than 180 attempted hours. Academic support courses and attempted hours that are removed by repeating courses will not be counted as attempted hours. Transfer students will be allowed to receive financial aid until the hours accepted in transfer plus the hours attempted at Chowan equals 180 hours. This will allow a student to double major.

THE ACADEMIC PROGRAM

Chowan College has returned to its original status as a four-year institution. It enrolled its first junior class in the fall 1992 and awarded its first baccalaureate degrees in the spring 1994. The College will continue to offer some two-year programs and degrees.

REQUIREMENTS FOR GRADUATION

BACCALAUREATE DEGREE

To receive the bachelor's degree from Chowan College, a student must meet the following minimum requirements:

1. Earn credit in a minimum of 120 semester hours of college-level work, exclusive of physical education activity courses, and complete all requirement specified for a particular major. (Note: Some programs may require significantly more than 120 credit hours.) By the end of the first semester of the junior year, a student must have declared a major and been accepted into that program by the department offering the major.
2. Earn a minimum quality point average of 2.000 on all college work attempted. In addition, a minimum 2.000 cumulative quality point average is required on all courses in the major field of study. (Some programs require a 2.5 average.)
3. Complete at least one-half of the semester hours required for graduation at an accredited four-year institution. Further, a student must complete at least the last 25% of the credit hours required for graduation through instruction offered by Chowan College, with at least 12 of these hours (exclusive of practicums, practice teaching, internships, etc.) being coursework in the major field.
4. Discharge all financial obligations to the College.
5. Have the recommendation of the faculty and approval by the Board of Trustees.

REQUIREMENTS FOR GRADUATION

ASSOCIATE DEGREE

For the associate degree, a student must fulfill the following requirements:

1. Earn credit in a minimum of 60 semester hours of college-level work, exclusive of Physical Education activity courses, and complete all requirements specified in a chosen curriculum.
2. Earn a minimum quality point average of 2.00 on all college work attempted. (After four semesters at Chowan, a student who has at least a 1.90 on all work attempted at Chowan may petition the Departmental Chairperson for permission to take work at another institution for the purpose of attempting to raise the QPA to a 2.00 average in order to graduate. A student may transfer

26—Academic Program

no more than 9 hours back to Chowan for this purpose.)

3. If a transfer student, complete at least twenty-five percent of college work, with a quality point ratio of 2.0 or better, at Chowan College.
4. Discharge all financial obligations to the College.
5. Have the recommendation of the faculty and approval by the Board of Trustees.

OTHER GENERAL REQUIREMENTS

A student must choose to meet the requirements of the catalog under which he or she entered or the current catalog, but may not use both interchangeably. The candidate must indicate on the application for graduation the catalog under which he or she intends to graduate.

All degree candidates, including transfer students, are allowed 6 years from the date of enrollment at the college to satisfy the curriculum requirements in effect at the time of enrollment. After 6 years, the current requirements must be met. Any substitutions or changes in course requirements must be recommended by the department head and approved by the Vice President for Academic Affairs.

As a requirement for graduation (either bachelor's degree or associate degree), students must possess competence in reading, writing, oral communication, fundamental mathematical skills, and the use of computers. If at any point a student's work demonstrates a lack of competence in any of these areas, he/she may be required to pursue prescribed remediation. In such cases, satisfactory remediation is required prior to graduation.

Note: While an academic advisor is assigned to all students to help them plan their programs of study and to provide academic counseling, each student is ultimately responsible for meeting requirements for graduation.

GENERAL EDUCATION REQUIREMENTS

The faculty and administration of Chowan College believe that there are some courses that all students, regardless of major field of study, should complete if they are to be truly educated. These courses form a core around which to build a sound program of study. The required core courses for the *baccalaureate degree* are as follow:

College 101 (2 semester hours—Course may be optional at discretion of college)

English 101 and 102 (6 semester hours)

Religion 111 and 112 or 111 or 112 and one other Religion course
(6 semester hours)

Physical Education activity courses (2 semester hours)

History 101 and 102 or 201 and 202 (6 semester hours)

Social Science elective (3 semester hours). Choose from the following:

Economics 251, Economics 252, Psychology 201, Psychology 306,
Sociology 107, Sociology 205, Geography 151

Science with laboratory (8 semester hours). Choose from the following:

Biology 101, Biology 102, Chemistry 101, Chemistry 102, Physics 101,
Physics 102, Physics 203, Physics 204, Physics 210, Earth Science 211

Fine Arts (3 semester hours). Choose from the following:

Art 161, Drama 161, Music 161

Speech 210 or 211 (3 semester hours)

Computers (2 or 3 semester hours)

Humanities (6 semester hours). One course must be a Survey of Literature,
chosen from the following: English 201, 202, 203, 204, 205, 206. Other
courses must be chosen from the following fields: Literature,

Philosophy, Fine Arts

Mathematics (3 semester hours)

Health 201 (3 semester hours)

The required core courses for the associate degree are as follow:

College 101 (2 semester hours—Course may be optional at discretion of the
college)

English 101-102 (6 semester hours)

Religion 111-112 (6 semester hours)

Speech 210 or 211 (3 semester hours)

Computers (2 or 3 semester hours)

Mathematics (3 semester hours)

Social or behavioral Sciences (3 semester hours)

Physical Education activity courses (2 semester hours)

Note: No student may take more than one physical education activity course per semester. A maximum of four activity courses may be applied to either the baccalaureate or associate degree.

MAJOR AND MINORS

For baccalaureate level programs, a major shall consist of no less than 30 semester hours beyond the freshman level in a specific field. For graduation purposes, a student must have a minimum average of 2.00 in major courses. As an exception, students in Education, Mathematics and Printing Production and Imaging Technology must have a 2.50 average.

A minor is not required for graduation, but the college does provide a limited number of minors for students who may desire such. A minor shall consist of no less than 18 semester hours and no more than 24 semester hours in a specific field. Students who are enrolled in associate degree programs do not have majors or minors.

TRANSFER CREDITS

Generally, courses taken at an accredited college or university that are equivalent to courses offered at Chowan are accepted in transfer. Normally the College will accept only work on which the student has earned a grade of C or better; however, D's may be accepted if the student has an average of C or better on all work attempted.

Transfer students who graduate with either the bachelor's degree or the associate degree, must complete as a minimum the last twenty-five percent of the hours required for graduation at Chowan College, and must earn at least a 2.00 average on all work taken at Chowan. The college reserves the right to require transfer students to take one or more placement tests to confirm acceptable proficiency in writing, reading, mathematics, and/or computer use.

Toward a student's last semester's work before graduation, the college will accept in transfer a maximum of 9 hours in the student's curriculum.

For information concerning transfer credit, contact the Registrar, who is responsible for evaluating transcripts.

CREDIT FOR CORRESPONDENCE COURSES

The college will accept toward the baccalaureate degree a maximum of 12 semester hours in correspondence courses from accredited institutions. The college will accept toward the associate degree a maximum of 6 semester hours in correspondence courses from accredited institutions.

CEEB ADVANCE PLACEMENT PROGRAM

High school students enrolled in Advance Placement (AP) courses may receive college credit by taking AP examinations upon completion of the courses and forwarding the results to the Office of Admissions for evaluation. In general, Chowan College awards credit for courses on which the student earns a score of three or better on the appropriate test.

Credit awarded by AP will be reflected on the student's transcript in terms of semester hours only. No letter grade will be recorded and no quality points assigned. The actual score achieved on the AP examination will be recorded. A student's quality point average will be determined by grades earned in regular college courses.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Chowan College participates in the College Level Examination Program of the College Entrance Examination Board. Credits are granted on the basis of scores on General Examinations or Subject Examinations where the student scores at or above the level most recently recommended by the CEEB. For information on specific CLEP credits acceptable at Chowan College, contact the Registrar of the College.

Credits by CLEP will be recorded on a transcript after the student has enrolled at the College and earned 18 semester hours.

A student will not receive credit for a Subject or General Examination if it duplicates in part or total any college level course for which the student has received credit. The CLEP credit will be entered on the student's transcript as semester hours completed, but no letter grade or quality points will be indicated. A student's average is determined by grades in regular college courses.

COURSE WAIVERS

In exceptional circumstances, students of proven ability who have independently pursued a systematic course of study may apply to have a course requirement waived. Where no credit is to be given, the chairperson of the department involved has the authority to grant such waiver. Where credit is sought, the student may attempt, upon recommendation of the department concerned and the Vice President for Academic Affairs, an examination to establish credit.

The following policies apply:

1. Departmental examinations for credit may be given only on those courses which have been designated by the department.
2. The student must consult in advance with his or her advisor and with the head of the department concerned.
3. Application must be made, and a letter of permission from the department head supplied to the Vice President for Academic Affairs.
4. If the application is approved, a non-refundable fee of \$25 for the examination will be charged.
5. No more than 8 semester hours may be earned toward fulfillment of graduation requirements by this method.
6. Credit and quality points will be granted only if the level of performance is C or better.
7. Examinations for credit must be taken before the beginning of the last semester or before a summer session of work immediately preceding completion of requirements for graduation.

SYSTEM OF GRADES

A -Excellent

B -Above Average

C -Average

D -Below Average

F -Failing

S -Satisfactory

U -Unsatisfactory

W -Medical Withdrawal

WP-Withdrawal when making passing grades

WF-Withdrawal when making failing grades

NG-No Grade Reported

I -Incomplete (The course must be completed by the end of the next semester.)

30—Academic Program

The grade of I is recorded only in the case of illness or emergency which results in the student's not being able to complete work in a course. If the work is not completed before the end of the next semester, a grade of F is recorded for the course.

The grades of S and U are given only in non-credit courses.

All grades are final after three months.

QUALITY POINT SYSTEM

For the purpose of determining quality point ratio, each grade, A through F, is given a numerical value:

A: 4 quality points per semester hour

B: 3 quality points per semester hour

C: 2 quality points per semester hour

D: 1 quality point per semester hour

F: 0 quality point per semester hour

A student's average is based on work attempted at Chowan College.

STUDENT LOAD

The normal academic load for a regular student is 15-16 credit hours per semester. No student may carry more than 18 semester hours except by special permission from the Vice President for Academic Affairs. All regular students must carry a minimum of 12 hours per semester. No student is permitted to live in college housing unless he/she is enrolled in and maintains enrollment in at least 12 hours.

Special or part-time students may carry up to 11 hours per semester. These may be credit hours, non-credit hours, or combination of both.

ACADEMIC SUPPORT COURSES

Prior to registration, all new students are evaluated in the areas of English, mathematics, and reading. In cases where evaluation results indicate specific academic deficiencies, a student may be advised or required to enroll in a developmental course or courses. Because such work is preparatory for college-level work, no academic credit is awarded for successful completion. The student should complete such work as early as possible in order to make appropriate progress toward graduation.

REPEATED COURSES

Repeating courses for credit is permissible and, in some cases, required, as when a student fails a course or makes a D in a course in the student's major area of concentration.

Transcripts record all grades; the grade for a repeated course will have an R beside it.

A student may have a maximum of six repeats without these counted as work attempted. There after, all repeated courses are counted as work attempted.

To exercise this option, the student must make a request in the Office of the Registrar.

RE-EXAMINATIONS

A student who is in the final year of a degree program may apply for only one re-examination in a course taken in that year if he/she can thereby qualify for graduation. Any request for re-examination must be approved by the person who teaches the course and subsequently by the chairperson of the department. If the departmental chairperson is the teacher, the Vice President for Academic Affairs will appoint another person in the department to consider the request. No grade higher than a C may be assigned as a result of a re-examination.

GRADE REPORTS

At the end of each semester, a grade report is sent to each student, with the grades and number of absences for each class. These grades are recorded on the permanent records in the Registrar's Office. A progress report is sent to students at mid-semester.

REQUIREMENTS FOR CONTINUED ENROLLMENT

In order to continue their enrollment at Chowan College, full-time students (taking at least 12 hours a semester) are expected to demonstrate steady progress toward graduation. Such progress means earning at least the minimal semester hours credit and maintaining at least the minimum quality point average, as follows:

At the completion of	1st sem.	2nd sem.	3rd sem.	4th sem.	5th sem.	6th sem.	7th sem.	8th sem.	9th sem.
A student must have earned at least this many semester hours	9	21	33	45	60	72	84	96	108+
With at least this cumulative QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

Any student who fails to meet these minimum standards will be placed on academic probation for one semester. If after a semester of probation the continued enrollment requirements are not met, the student will be academically suspended from the college. Students under academic suspension may seek to regain eligibility for continued enrollment in the following manner: (1) Attend the summer session at Chowan College and seek to earn sufficient credit to qualify for continued enrollment, or (2) Apply for readmission after having been a non-student for at least one semester. In the case of option #2, readmission is not automatic, and each case is considered on its merits. If a student is readmitted under

32—Academic Program

option #2, he/she will return on academic probation and must remove deficiencies in the probationary semester. No student may gain readmission under this option more than one time. Note: Normally a student will not be permitted to transfer work from any other institution for the purpose of removing probation or suspension.

In order to continue their enrollment at Chowan College, special or part-time students (taking fewer than 12 hours a semester) must meet the following minimal standards:

After attempting this number of hours	15	30	45	60	75	90	105	120	135
A student must have earned at least this many semester hours	12	24	36	48	60	72	84	96	108+
With at least this cumulative QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

Any special or part-time student who does not meet these requirements will be placed on academic probation. In order to be removed from academic probation, the student must meet the standards by the time the next level is attained. Failure to do this will result in suspension. The Vice President for Academic Affairs may attach conditions to enrollment on probation; for example, special advising, limited course load, repeat courses, developmental courses, study skills courses. A student who demonstrates lack of academic progress as measured by excessive class absences and poor academic performance may be required to withdraw prior to the end of the semester.

For purposes of meeting continued enrollment requirements only, successful performance in a non-credit academic support course will be considered the equivalent of earning a grade of C in a three-hour course. The College awards no actual credit for successful completion of such courses.

ACADEMIC HONORS

Academic excellence earns recognition at graduation. The following honors are granted based on all work attempted throughout a student's entire college career:

Summa Cum Laude	3.80-4.00
Magna Cum Laude	3.50-3.79
Cum Laude	3.25-3.49 (effective Class of 1997)
Cum Laude	3.00-3.49 (for Class of 1996)

The following grade point averages for a semester's work entitle students, if they are full-time students, to honors at the completion of the semester:

The President's List.....3.80–4.00

The Dean's List.....3.25–3.79

Any grade below C in a particular semester will disqualify a student from placement on any honors list in that semester. A student who earns a grade below C at any point during his or her college career is ineligible for summa cum laude honors at commencement but may qualify for other honors. A grade of U in a non-credit course is considered less than C for these purposes.

Only students enrolled in 12 or more credit hours (exclusive of Academic Support hours) are eligible for placement on the President's List or the Dean's List.

STUDENT CLASSIFICATION

Classification of students is determined by credit hours earned:

Freshman.....0–26 hours

Sophomore.....27–59 hours

Junior.....60–89 hours

Senior.....90+ hours

DROPPING OR ADDING CLASSES

With the approval of the professor and the Registrar, a student may add courses during the first week of each semester.

A course may be dropped during the first three weeks of the semester without academic record.

Classes may be dropped without academic penalty until one week after the mid-term grading period. That last date for dropping a course without penalty is listed in the College calendar. The student's transcript will reflect a WP or WF if the class is dropped during this period.

Withdrawal from a course after the official drop period or an unofficial withdrawal will result in a grade of F.

Under extenuating circumstances, a student may appeal to the Registrar in order to withdraw officially from a course and receive a grade of W for the course. *See the Withdrawal Policy below.*

PROCEDURE FOR CHANGING CLASSES OR COURSES

1. Obtain a Drop/Add form from the Registrar's Office.
2. Get the advisor's approval and signature on the form.
3. Get the approval and signature of the professor(s) involved in the change.
4. Return the form to the Office of the Registrar. If the class change is a matter of convenience rather than necessity, the Registrar may charge a \$5.00 fee for each change.

CLASS ATTENDANCE POLICY

The faculty and administration at Chowan College believe that class attendance is an important part of each student's educational experience.

Attendance policies will be established by each academic department of the College. The departmental attendance policy will be included in the syllabus of each course taught in the department and will be distributed to students in the first class meeting. It is the student's responsibility to be aware of the attendance policy for each course. As a minimum, a student will be allowed to make up any work missed which was due to participation in a college-sponsored activity, illness, or emergency, when such absences are verified by the Registrar. It is the student's responsibility to make up work missed.

If the number of absences exceeds 25% of the scheduled class meetings, the student will not normally receive credit for the course. A student who wishes to appeal an absence decision should initiate such an appeal through the appropriate departmental chairperson. The chairperson will normally render a decision on the appeal. A student may appeal the decision of the departmental chairperson to the Vice President for Academic Affairs. If the course in question is taught by the departmental chairperson, the Vice President will hear the appeal initially. NOTE: Excessive class absences may result in a student's dismissal from the college.

CLASSROOM CONDUCT

All students are expected to behave in a mature and orderly manner. Disruptive and/or disorderly conduct will not be tolerated in the classrooms or laboratories of Chowan College. After appropriate warning, a teacher may dismiss from class or laboratory a student whose conduct is, in his or her opinion, disruptive. In the case of a grievous offense, a student may be dismissed without prior warning. Such students will not be permitted re-entry into the class until clearance is obtained from the faculty member, the appropriate departmental chairperson, and/or the Vice President for Academic Affairs. Absences incurred during a dismissal from class will be recorded as unexcused.

In a case involving serious disruptive behavior, the College reserves the right to take additional disciplinary action through its established judicial process. If a student is found guilty of such an offense, the minimum penalty will be dismissal from the class in question with a semester grade of F, while the maximum penalty will be expulsion from the College, depending on the gravity of the offense.

WITHDRAWAL POLICY

A student who finds it necessary to withdraw from the College must consult with the Director of Counseling and arrange for official withdrawal. Honorable dismissal will not be granted without official withdrawal. Students who withdraw from the College during the first three weeks of the semester will have no record of the courses taken.

Students who withdraw from the College after the first three weeks of the semester and up to one week after mid-term will receive WP or WF, and semester hours will not be counted as work attempted. Students who withdraw during the period from one week after mid-term until the end of the term will receive a grade of F in each course, and the semester hours will count as work attempted.

Exceptions to this policy may be made for any of the following reasons:

1. Illness of the student or illness in the family which requires the attention of the student. In either case, a physician's certificate must be presented and approved by the Registrar.
2. Death of a member of the student's family.
3. Other extenuating circumstances approved by the Vice President for Academic Affairs.

If any of these exceptions applies, the student will receive a grade of W, and semester hours will not be counted as work attempted.

For information concerning refunds at withdrawal, see the "Refund Policy" under "Financial Information".

TRANSCRIPT REQUESTS

Upon request, students are entitled to one free copy of their transcripts. For additional copies, there is a fee of \$3.00 each. No transcript will be released if the student has outstanding financial obligations to the College.

STUDENT RECORDS

Chowan College has an established policy concerning the availability of student records. This policy complies with the Family Educational Rights and Privacy Act of 1974, as amended. The Act, with which the college intends to comply fully, was designed to protect the privacy of educational records, and to provide guidelines for the correction of inaccurate or misleading data. The Chowan College policy on the availability of students' educational records is on file in the Office of the Registrar and may be obtained upon request.

WHITAKER LIBRARY

Whitaker Library is an attractive and well planned building designed to be the center of the educational process. The book collection numbers approximately 94,000 volumes, with books readily accessible on open shelves. The collection also includes about 25,500 reels or items of microforms, with appropriate readers and printers. Periodical titles number about 650, including paper subscriptions and microform holdings. Four computers forming a CD-ROM LAN with Internet connections are available. This LAN contains several CD-ROM databases. Whitaker Library is open about 80 hours per week and is well staffed to provide complete services. Several special collections are available, including the Instructional Materials Center.

THE CURRICULA

BACCALAUREATE DEGREE PROGRAMS

GENERAL EDUCATION REQUIREMENTS

The faculty and administration of Chowan College believe that there are some courses that all students, regardless of major field of study, should complete if they are to be truly educated. These courses form a core around which to build a sound program of study. The required core courses for the baccalaureate degree are as follow:

College 101 (2 semester hours)* (Optional at discretion of college)

English 101-102 (6 semester hours)

Religion 111 and 112 or 111 or 112 and one other Religion
course (6 semester hours)

Physical Education Activity Courses (2 semester hours)

History 101 and 102 or 201 and 202 (6 semester hours)

Social Science Elective (3 semester hours)

Economics 251

Economics 252

Government 108

Psychology 201

Psychology 306

Sociology 107

Sociology 205

Geography 151

Science with Laboratory (8 semester hours)

Biology 101

Biology 102

Chemistry 101

Chemistry 102

Earth Science 211

Physics 101

Physics 102

Physics 203

Physics 204

Physics 210

Fine Arts (3 semester hours)

Art 161

Drama 161

Music 161

Speech 210 or 211 (3 semester hours)

38—*Bachelor Degree Curricula*

Computers (2 or 3 semester hours)

Humanities (6 semester hours)

One course in Survey of Literature: English 201, 202, 203, 204, 205, 206

One other Humanities course: Literature, Philosophy, or Fine Arts

Mathematics (3 semester hours)

Health 101 (3 semester hours)

Core Total.....53 or 54 semester hours

*College 101 is not required of transfer students

BUSINESS ADMINISTRATION

1. The Bachelor of Science (B. S.) in Business Administration degree is awarded to those who complete successfully all requirements in the Business Administration curriculum, as outlined in the curriculum section of this catalog. This section specifies the general education requirements, business core requirements, and the specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.
2. All baccalaureate degree programs at Chowan College require completion of a minimum of 120 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the B. S. in Business Administration degree are expected to possess the following competencies: (a) A firm foundation of general education courses from which to proceed to upper division or graduate study; (b) Competence in the use of computers as a dynamic body of knowledge; (c) A basic understanding of computer-based information systems, which provide essential support for the decision-making process in an organization; (d) A basic understanding of information systems theory and the application of information analysis and design methodologies using computing skills and technology; (e) A thorough knowledge of accounting as the language of business and an understanding of the principles of recording, summarizing, reporting, and interpreting financial data; (f) Competence in maintaining accounting records and preparing external reports for proprietorships, partnerships, and corporations; (g) Competence in the preparation, analysis, and

interpretation of accounting and financial data for internal reporting and decision making; (h) A basic understanding of marketing and the marketing perspective; (i) An understanding of the principles of macroeconomics and microeconomics; (j) a basic knowledge of the American legal system as it relates to business situations; (k) A fundamental knowledge of financial theory and practice; (l) A broad overview of the field of management and the managerial decision-making process; (m) Competence in problem solving and the ability to choose from a variety of different problem-solving methodologies to analytically formulate a solution; (n) Creativity and a tolerance and respect for this characteristic in others; (o) A tolerance for change and skills for managing the process of change; (p) Preparation in a specialty area (accounting, computer information systems, or small business management) or preparation well distributed among three specialty areas of study; (q) A basic understanding of the Judeo-Christian heritage; (r) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

Business Core Requirements

All students who earn the B. S. degree in business administration must complete the following business core requirements (47 credit hours*):

ACCT 141:	Principles of Accounting I
ACCT 142:	Principles of Accounting II
BUS 251:	Principles of Macroeconomics
BUS 252:	Principles of Microeconomics
BUS 281:	Business Law I
BUS 382:	Business Law II
BUS 301:	Principles of Finance
BUS 324:	Business Communications
BUS 361:	Management
BUS 362:	Marketing
CIS 171:	Introduction to Information Systems
CIS 262:	Computer Applications
CIS 391:	Management Information Systems
MATH 133:	College Algebra
MATH 205:	Probability & Statistics

**NOTE: BUS 251 and MATH 133 in the business core fulfill 6 credit hours of general education requirements as well.*

**Requirements for a B. S. Degree in Business Administration
(Accounting Emphasis)**

General knowledge core	47 cr. hrs.
Business core	47 cr. hrs.
Business courses in addition to the business core:	
(ACCT 240: Cost and Management Accounting, ACCT 243: Income Tax Accounting, ACCT 341: Intermediate Accounting I, ACCT 342: Intermediate Accounting II, ACCT 441: Advanced Accounting and ACCT 442: Auditing)	
	18 cr. hrs.
Electives.....	10 cr. hrs.
Total	122 cr. hrs.

**Requirements for a B. S. Degree in Business Administration
(Computer Information Systems Emphasis)**

General knowledge core	47 cr. hrs.
Business core	47 cr. hrs.
Business courses in addition to the business core:	
(CIS 272: Program Design & Development, CIS 261: Microcomputer Operating Systems, CIS 273: Programming Language I, CIS 381: Database Fundamentals & Design, CIS 382: Database Design and Implementation, CIS 476: Systems Analysis and Design, CIS 478: Advanced Computer Applications)	
	20 cr. hrs.
Electives.....	8 cr. hrs.
Total	122 cr. hrs.

**Requirements for a B. S. Degree in Business Administration
(Small Business Management Emphasis)**

General knowledge core	47 cr. hrs.
Business core	47 cr. hrs.
Business courses in addition to the business core:	
(BUS 151: Retail Merchandising, BUS 253: Advertising and Sales Promotion, ACCT 240: Cost and Management or ACCT 243: Income Tax Accounting, BUS 425: Entrepreneurship, and six credit hours of electives from the following: BUS 153: Selling, BUS 352: Managerial Economics, BUS 351: Money and Banking, BUS 409: Principles of Real Estate, BUS 390: Risk and Insurance, BUS 380: Human Resources Management, BUS 451: International Economics, BUS 499: Business Internship)	
	18 cr. hrs.
Electives.....	10 cr. hrs.
Total	122 cr. hrs.

Requirements for a B. S. Degree in Business Administration (Without an Area of Emphasis)

General knowledge core	47 cr. hrs.
Business core.....	47 cr. hrs.
Business courses in addition to the business core: (The student must complete a minimum of 18 credit hours in business courses numbered 300 and above with at least one 300-level course from each area of emphasis.).....	18 cr. hrs.
Electives.....	10 cr. hrs.
Total	122 cr. hrs.
AN INTERNSHIP IS RECOMMENDED FOR THE B.S. IN BUSINESS ADMINIS- TRATION	

Minors in the Department of Business

Minors in specified areas of business are available to students who pursue majors in areas of study outside the Department of Business as well as to business students who have an emphasis in a different area. Minors require the completion of 19-20 semester hours in designated business courses. Students who earn minors in Business must complete BUS 251 or BUS 252 in fulfilling General Education requirements. Minors are available in Business Administration, Accounting, Computer Information Systems, and Small Business Management. Specific requirements for these minors follow:

Minor in Business Administration	20 cr. hrs.
ACCT 141: Principles of Accounting I	
ACCT 142: Principles of Accounting II	
BUS 301: Principles of Finance	
BUS 281: Business Law I	
BUS 361: Management	
CIS 262: Computer Applications	
Minor in Accounting	20 cr. hrs.
ACCT 141: Principles of Accounting I	
ACCT 142: Principles of Accounting II	
ACCT 240: Cost and Management Accounting	
ACCT 243: Income Tax Accounting	
ACCT 341: Intermediate Accounting I	
CIS 262: Computer Applications	
Minor in Computer Information Systems	20 cr. hrs.
CIS 171: Introduction to Information Systems	
CIS 261: Microcomputer Operating Systems	
CIS 262: Computer Applications	
CIS 272: Program Design and Development	

42—Bachelor Degree Curricula

CIS 273: Programming Language

CIS 381: Database Fundamentals and Design

CIS 382: Database Design and Implementation.

Minor in Small Business Management.....19 cr. hrs.

BUS 151: Retail Merchandising or BUS 425: Entrepreneurship

ACCT 141: Principles of Accounting I

BUS 361: Management

BUS 362: Marketing

BUS 253: Advertising and Sales Promotion or BUS 153: Selling

CIS 262: Computer Applications

GRAPHIC DESIGN

- 1.The Bachelor of Science (B.S.) degree is awarded to those students who successfully complete all the requirements in the Graphic Design curriculum as outlined below
- 2.Students wishing to major in Graphic Design are required to submit a portfolio for evaluation by the art faculty. Approval of the portfolio is a prerequisite to taking upper level (300-400) courses. Submission dates will be posted. Should a student's portfolio be rejected, he/she may resubmit it for evaluation after appropriate changes have been made. Entrance portfolio requirements are available through the advisor. Transfer students must submit a portfolio for evaluation during the first semester at Chowan. Transfer students are subject to the same conditions as are other students in that they may not take any upper level courses until their portfolio has been accepted.
- 3.Graduates in Graphic Design must possess a minimum QPA of 2.00 on all work attempted with no grade lower than a "C" in the area of emphasis. As part of the graduation requirement, an exit portfolio must be submitted for evaluation and approval. Submission dates will be posted. Also, as part of the graduation requirements, the student must exhibit selected pieces of his/her portfolio in a one person show or as part of a group show.
- 4.In addition to basic competence in reading, writing, mathematics, and oral communication, students who receive the B.S. degree in Graphic Design are expected to possess basic competencies in: (a) the ability to manipulate form on a two-dimensional surface through the use of line, shading and/or perspective; (b) creating designs based on some principles of design, as they relate to color and design, as well as a knowledge of the physical properties of color, basic color schemes and color dynamics; (c) an understanding of some basic processes and techniques in printmaking, painting, ceramics, and three-dimensional design; (d) the knowledge of the history of art by identifying some major art styles and their representatives; (e) the use of the principles of advertising design for the purpose of creating ads and designs, both long and short term, for various media; (f) understanding the purpose of advertising and their role as creators; (g) illustrating in a variety of styles and media for various purposes; (h) compiling and presenting a portfolio; (i) an

understanding of the history of a civilization; (j) an appreciation of scientific methodologies used in exploring and solving problems; (k) the understanding of the Judeo-Christian heritage; (l) a knowledge of safety and skills used in a lifetime leisure sport or physical activity.

Requirements for a B. S. degree in Graphic Design

General knowledge core	51cr. hrs.
Art Foundation.....	21 cr. hrs.
Art 101, 102, 131, 171, 181, 241 or 242, 291	
Art Appreciation and History	9 cr. hrs.
Art 161, 311, 312	
Graphic Design.....	15 cr. hrs.
Art 261, 361, 362, 461, 499	
Illustration.....	9 cr. hrs.
Art 371, 372, 471	
Printing Courses (PPIT 101, 111, 223).....	11 cr. hrs.
Internship or elective.....	3 cr. hrs.
Electives.....	6 cr. hrs.

STUDIO ART (B. A. or B. S.)

1. The Bachelor of Arts (B. A.) degree is awarded to those students who successfully complete all of the requirements of the Studio Art curriculum, as outlined in the curriculum section of this catalog. This section specifies both the general education and specialty courses that students must complete.
2. The B. A. and the B. S. degree with an emphasis in Studio Art requires the completion of at least 129 semester hours.
3. Graduates must possess a minimum average of 2.00 on all work attempted with no grade lower than a C in their area of emphasis.
4. Students should be able to (a) identify major art styles and representative artists of each; (b) react to art in an aesthetic and articulate manner; (c) demonstrate an ability to use perspective, shading, design, composition, line, and color effectively in creating art work; (d) create art in the third dimension; (e) demonstrate competency on a professional level in one studio area; (f) compile and present a portfolio; (g) have an understanding of the history of civilization; (h) have an appreciation of the scientific methodologies used in exploring and solving problems; (i) have an understanding of the Judeo-Christian heritage; (j) have a knowledge of safety and skills used in a lifetime leisure sport or physical activity.
5. Portfolio requirements are the same as in Graphic Design.

Requirements for a B. A. degree in Studio Art

General knowledge core.....	51 cr. hrs.
Foreign language through the intermediate level>6-12 cr. hrs.	
Art Foundations	24 cr. hrs.
Art 101, 102, 131, 151, 171, 172, 241 or 242, 291	
Art Appreciation 161	3 cr. hrs.
Art History 311-312	6 cr. hrs.

44—Bachelor Degree Curricula

Studio Concentration	12 cr. hrs.
Internship or elective.....	3 cr. hrs.
Senior Exhibition 499.....	3 cr. hrs.
Studio Elective.....	9 cr. hrs.
Free Electives (6 hours or more at 200 level).....	9 cr. hrs.

Requirements for a B. S. Degree in Studio Art

General knowledge core	51 cr. hrs.
Art Foundations.....	24 cr. hrs.
Art Appreciation	3 cr. hrs.
Art History 311-312	6 cr. hrs.
Studio concentration	12 cr. hrs.
Internship or studio elective	3 cr. hrs.
Senior Exhibition 499	3 cr. hrs.
Studio elective	9 cr. hrs.
Free Electives (9 or more hrs. at 200 level or higher).....	15 cr. hrs.

ART EDUCATION

THIS PROGRAM IS IN PLACE BUT HAS NOT YET BEEN APPROVED FOR LICENSURE BY THE STATE OF NORTH CAROLINA. NO STUDENTS ARE CURRENTLY BEING ACCEPTED AS MAJORS IN THIS PROGRAM.

1. The Bachelor of Science (B. S.) degree is awarded to those students who successfully complete all of the requirements of the Art Education curriculum, as outlined in the curriculum section of this catalog.
2. The B. S. degree with an emphasis in Art Education requires the completion of at least 131 semester hours (excludes College 101). This includes 51 hours of general knowledge core, 24 hours of art foundations, 9 hours of Art History (includes Art Appreciation), 6 hours of Art Education, 6 hours of studio elective, 32 hours of professional Education courses, and 3 hours of free electives.
3. To be admitted to this major, students must have a minimum cumulative grade point average of 2.50 at the end of the sophomore year and follow the requirements to be admitted formally into and continue in the Teacher Education Program (as listed under the Education catalog section). Graduates are required to possess a minimum average of 2.50.
4. In addition to basic competence in reading, writing, mathematics, and oral communication, students who receive the Bachelor of Science are expected to possess basic competencies in: (a) the ability to identify major art styles and representative artists of each; (b) react to art in an aesthetic and articulate manner; (c) demonstrate an ability to use perspective, shading, design, composition, line and color effectively in creating artwork; (d) demonstrate knowledge of methodologies of effective teaching as "facilitators" of learning and participate in early field experiences; (e) offer a working understanding of philosophy, methods, and materials associated with art in the elementary and high school classroom; (f) be cognizant of how art can be

used to communicate and express ideas, values, patterns of living while at the same time give form to imagination.

5. Professional objectives: The primary goal of the Art Education Program at Chowan College is to prepare students for successful careers as effective facilitators of learning for grades K-12. To accomplish this goal, students will be involved in developmentally appropriate learning experiences which include a balance of general education, professional studies, extensive field-based work, and specialty studies. Students must also demonstrate the following: 1. demonstrate competence to meet state, 172 regional, and national guidelines and requirements for certification in teacher education and art education. 2. exhibit a positive commitment to the profession of art education, with its needs for expertise, involvement in continuing education and professional development. 3. exhibit knowledge of relationships between art styles and external factors in society. 4. develop competencies in fundamental mental skills used in basic studio areas and for his/her own creative production. 5. demonstrate knowledge of methodologies of effective teaching as "facilitators" of learning and participate in early field experiences. 6. have the knowledge and skills necessary to prepare and maintain a classroom which has a positive learning environment for making art, responding to art, understanding its history, and making judgements about it. 7. be cognizant of how art can be used to communicate and express ideas, values, patterns of living while at the same time give form to imagination.

Requirements for a B. S. degree in Art Education

General knowledge core	51 cr. hrs.
Art Foundation.....	24 cr. hrs.
Art 101, 102, 131, 151, 171, 181, 241 or 242, 291

Child Growth and Development 306	3 cr. hrs.
Educational Psychology 310.....	3 cr. hrs.
TOTAL HOURS	131 cr. hrs.

EDUCATION

Chowan College offers undergraduate level programs leading to licensure in Elementary Education (K-6). The following programs are in place, but have not yet been approved for licensure, with the result that no new majors are currently being accepted: Secondary Education (English, Math, Social Studies, and Comprehensive Science); and in Art, Music, and PE (K-12).

The primary goal of the Teacher Education Program at Chowan College is to prepare students for successful careers as elementary or secondary teachers. To accomplish this goal, students will be involved in developmentally appropriate learning experiences which include a balance of general education (Core Studies), professional studies, including extensive field-based work, and specialty studies.

Objectives

Students who successfully complete the Teacher Education Program at Chowan College will:

- *be eligible for teacher licensure in their area of concentration in North Carolina. (Reciprocity agreements with other states)
- *have the knowledge and skills to diagnose a student's learning style and be able to prescribe appropriate activities to meet his/her needs.
- *have adequate knowledge of all aspects of general education and detailed knowledge of specific subject matter in the area of certification.
- *have the knowledge and skills necessary to maintain a classroom which has a positive learning environment.
- *have the knowledge and skills needed to work effectively with children who are identified as exceptional.
- *have an understanding of how to work effectively with students from culturally diverse backgrounds.
- *have gained an understanding of the importance of networking and the use of resource people to help meet the needs of students.
- *have developed a sound work ethic and decision-making skills.
- *understand the nature of learning and the importance of life-long learning.
- *have acquired a positive attitude toward teaching as a profession.
- *demonstrate proficiency on all state-required competencies for the appropriate certification area(s).

Admission Requirements (For Teacher Education Majors - Junior Year)

All students making initial application to the Teacher Education Program must:

1. fill out a formal application for the program and be interviewed by the chairman of the Education Department.
2. submit a cumulative grade point average of 2.50 or higher on a 4.0 scale on all college course work completed.
3. submit written recommendation from their major advisor and from one other faculty member of their choice on forms supplied by the Teacher Education Department.
4. achieve a minimum or higher score on PPST - PRAXIS I Exam as established

by the North Carolina State Board of Education.

5. have successfully completed Speech 210 or 211 and be certified as having good oral and written expression.
6. be officially approved for admission by the Teacher Education Committee.
7. complete Education 201 (Introduction to Teaching) with a grade of C or better.

Note: All transfer students who do not have a bachelor's degree must meet the same requirements for admission to Teacher Education as regular students. Such students should apply through the Teacher Education Department Chairperson and submit a transcript of all completed college work. Once this transcript has been evaluated by the Registrar and the Department Chairpersons, a written program of study can be developed to meet the required Teacher Education competencies. (Minimum QPA of 2.50 will be based on first full semester's work at Chowan.)

Admission Requirements (Licensure Only Students)

Admission Requirements for Licensure Only Students with four-year degrees and/or teachers seeking lateral entry certification.

1. Be accepted for admission to the college.
2. Fill out a formal application for Teacher Education and be interviewed by the Chairperson of the Education Department.
3. Submit two letters of reference from individuals who can attest to their academic background.
4. Be certified as having acceptable oral and written expression (through transcript evaluation, interview, and/or formal assessments).
5. Be officially approved by the Teacher Education Committee.
6. For teachers seeking lateral entry licensure, submit a statement from the employing school system approving the teacher to complete college courses at Chowan.

In most cases, teachers seeking lateral entry licensure will not be required to take the formal student teaching program.

Requirements for Continuing in Teacher Education Program

1. Maintain a grade point average of 2.50 or better on all college work.
2. Earn a grade of "C" or better on all professional courses and field-based experiences.
3. Meet all agreed upon schedules for field-based observations, tutoring sessions, and student teaching.
4. Apply for, and be approved to participate in student teaching- (students wishing to do student teaching in the spring semester must apply through the department chairman by November 10th; to be eligible for student teaching in the fall semester, students must apply by April 10th of the preceding spring semester).

***Admission to college does not constitute admission to the Teacher Education Program.

**Admission to the Teacher Education Program does not ensure approval for student teaching.

Requirements for Elementary Education Majors (K-6)

1. Bachelor of Science (B.S.) degree in Elementary Education is awarded to those students who successfully complete the requirements in the teacher education program and the Elementary Education curriculum.
2. The B.S. degree with a K-6 certification in Elementary Education requires 53 semester hours in the general core, 21 semester hours in an area of academic concentration, and 53-56 semester hours in professional studies.
3. Students who successfully complete the Elementary Education curriculum will be able to:
 - have acquired specific knowledge of the N.C. Standard Course of Studies for each area of the curriculum.
 - be able to develop and teach integrated units. demonstrate a repertoire of effective classroom management skills.
 - have the knowledge and skills needed to work effectively with children who have special needs.
 - have the knowledge and skills needed to utilize technology effectively in their classrooms.
 - have the knowledge and skills needed to work effectively with culturally diverse students.
 - understand and practice the effective schools tenets and other sound research practices.
 - have mastered a repertoire of effective teaching techniques in the areas of math, science, social studies, reading, physical education, and fine arts.

Students will attain mastery of the required competencies for elementary certification by successfully completing the following program:

General knowledge core	51 cr. hrs.
English	9 cr. hrs.
History	6 cr. hrs.
*Math	3 cr. hrs.
Lab Science (one life science and one physical science)	8 cr. hrs.
Health	3 cr. hrs.
Religion	6 cr. hrs.
Fine Arts	3 cr. hrs.
Computers	2 cr. hrs.
Speech	3 cr. hrs.
Psychology	3 cr. hrs.
P. E. Activity Courses	2 cr. hrs.
**Humanities	3 cr. hrs.
Academic Concentration	21 cr. hrs.

Each elementary major must choose an academic area (math, science, English, or social studies), and successfully complete at least twelve (12) semester hours. These are in addition to the required core hours.

*All elementary majors must take 2 additional math courses-

Math 201 and Math 202. Students who choose math as the area of academic concentration, would need to take six (6) additional hours in math and nine (9) hours of other academic electives. Students choosing English, science, or social studies for areas of concentration would need to take the two math courses and complete twelve (12) hours in their chosen area, plus 3 hours of academic electives.

BACHELOR OF APPLIED SCIENCE IN EDUCATION

1. Awarded to students who have successfully completed a two year associate in Applied Science or its equivalent in a Teaching Assistant Program at an accredited two-year college or technical institution, and who subsequently complete the general knowledge core program at Chowan.

Requirements

- Total semester hours - 127
- Earned at Chowan - 64
- Includes all Chowan College general education core courses unless completed elsewhere

52—*Bachelor Degree Curricula*

- Includes at least 27 semester hours of elective credits at 300 or 400 level
- Includes six semester hours credit for a supervised 180 hour internship in an elementary school/day care center

2. Also awarded to Chowan students who complete all course requirements for a degree in elementary education other than the formal student teaching programs.

Requirements

- 127 semester hours credit
- 64 semester hours must be earned at Chowan
- Includes all general education core requirements
- Includes fifteen (15) semester hours in an academic concentration (In addition to hours included in general education requirements)
- 36 semester hours professional education courses, which includes six hours in psychology
- Six semester hours credit for a supervised 180 hour internship
- Eighteen hours of electives

ENGLISH

1. The Bachelor of Arts degree (B. A.) in English is awarded to those students who complete successfully all of the requirements in the English curriculum outlined below.

2. Students in English must complete a minimum of 122 semester hours, including 51-53 hours from the core curriculum, 12 hours of foreign languages, 36 hours of English courses in addition to the freshman English requirement. Required additional hours are electives selected by the student with the approval of the advisor.

3. Graduates in English must possess a minimum average of 2.00 on all work attempted.

4. Studies in literature and language should lead to a richer appreciation of life and its meaning. Learning to express oneself, orally or through writing, demands attention to what one perceives to be true about experience. Seeing how others express themselves, by reading great literature or studying foreign languages, teaches a variety of perspectives on culture and existence, thus expanding a student's vision. These studies also encourage and help develop a sense of aesthetics and humane values. Thus the important goals of the Department of Languages and Literature cannot be actually realized, for we cannot generally determine increased humaneness or a greater appreciation of order or a more dramatic sense of language. While these values cannot be measured, we feel they are central to the life of the truly educated.

Other goals of this department are more practical and functional, and may be measured. A student who has completed our program and seeks graduation

should be able

- to organize ideas in logical expository prose that is grammatically expressed in correct paragraph and essay form.
- to demonstrate an ability to read and think critically.
- to understand and articulate ideas expressed in serious literature.
- if majoring in English, to understand the variety of approaches to literary studies and their purposes, as well as have wide exposure to the literature of the English language.
- to demonstrate effective oral communication skills.
- to demonstrate an awareness of the interaction of language, culture, and society through foreign language content.
- to demonstrate elementary or intermediate proficiency in speaking, listening, writing, and reading French or Spanish.
- to find and use materials in the library.

Requirements for a B. A. degree in English:

General Knowledge Core	53 cr. hrs.
Foreign language or proficiency at the intermediate level	12 cr. hrs.
English courses above English 101 and 102, including:	36 cr. hrs.
24 cr. hrs. at the 300-400 level;	
English 301 - Introduction to Literary Studies;	
English 310 or 312 - History of the English Language or	
Advanced Grammar;	
English 410 - Shakespeare	
A 2.0 (C) average in all courses in English, including English 101 and 102.	

Requirements for a minor in English:

English courses above Freshman Composition	18 cr. hrs.
--	-------------

English Education

Students at Chowan College who major in English can meet the requirements for teacher education licensure, grades 9-12. NOTE: This program is in place, but it has not yet been approved for licensure. No new students are currently being accepted as majors.

Goals

The primary goal of the Secondary English Program is to ensure that prospective teachers acquire the attitudes, knowledge, skills, and competencies necessary to perform effectively in secondary English classrooms--that the effective teacher is a facilitator of learning and that all children can learn.

Objectives

Students who successfully complete the English Education Program at Chowan College will:

1. Demonstrate an adeptness in the process of both producing and understanding oral and written communication and non-verbal language.
2. Demonstrate familiarity with a wide variety of literature.
3. Demonstrate the ability to enable students to employ efficiently the communication skills of reading, writing, listening, speaking, and viewing.
4. Demonstrate the ability to diagnose the needs of students and design and execute appropriate teaching activities which enable those students to develop effective thinking and communication skills.
5. Demonstrate professional values by participating appropriately in the development of the curriculum; recognizing the relationship between students' learning of language and the social, cultural, and economic conditions within which they are reared; serving as a model for correct and effective use of communication; staying informed of current trends in communications skills; and maintaining affiliations with professional organizations.
6. Demonstrate competencies in the humanities that are considered desirable for enriching the knowledge and skills of teachers.
7. Demonstrate English-computer competencies.

Requirements for a B.A. degree in English Education

The B. A. degree with major in English and secondary licensure in English (grades 9-12) is awarded to those students who successfully complete the following requirements:

1. Complete a minimum of 128 hours of credit to include:
 - a. 51 hours from the core curriculum (the Humanities elective should be a 200-level literature course).
 - b. 12 hours in foreign language or proficiency at the intermediate level.
 - c. 36 hours of English courses above English 101 and English 102 (6 hours included in the core curriculum), including:
 - (1) 3 literature survey courses at the 200 level, excluding English 205 (2 included in the core curriculum).
 - (2) English 205: Survey of Ancient World Literature
 - (3) English 301: Introduction to Literary Studies
 - (4) Education 305: Children's Literature
 - (5) English 310: History of the English Language
 - (6) English 311: Advanced Composition
 - (7) English 312: Advanced Grammar
 - (8) English 410: Shakespeare
 - d. 35 hours of professional studies required for teacher certification. Consult these specific requirements under the listing for the Department of Education in this catalog, in the Teacher Education Handbook, or on the Checklist for Graduation Requirements in English Education found in the Teacher Education Handbook.
2. Achieve a minimum average of 2.50 on all courses completed.
3. Achieve a minimum average of 2.50 on all English courses completed, including English 101 and English 102.

HISTORY

The Goal of History as an Academic Discipline at Chowan College

Based on the assumption that knowledge of the past is essential to an understanding of the present and will provide valuable guidance in the shaping of the future, the primary goal of history as an academic discipline at Chowan College is to expose the student to those seminal developments - political, economic, social, intellectual, religious, and cultural - that have produced our present civilization, as well as those that have produced civilizations in other times and places.

To achieve this goal the department will concentrate on (1) increasing the student's familiarity with patterns in history and ability to observe how these patterns apply to other fields; (2) differentiation between social and political changes within civilizations; (3) a basic grasp of significant events affecting the general course of history; (4) some sense of chronology in relation to cause and effect promoting the concept of history as a continuum of interrelated developments; (5) use of primary evidence -documentary and oral - to analyze events.

Purpose In offering a B. A. in History

The department seeks to provide good grounding for graduate study and develop abilities useful for a variety of professions such as teaching, research in business or government, and the expanding field of historical restoration and museology.

Requirements

The Bachelor of Arts degree in History requires successful completion of the following:

1. A minimum of 128 semester hours, exclusive of physical education activity courses and including Economics 251, Government 108, and at least 45 semester hours from 300and/or 400 level courses, with an overall "C" average on all work attempted.
2. A foreign language or proficiency through the intermediate level.
3. The General Education Requirement of the college.
4. A minimum of 36 semester hours in history, including History 101, History 102, History 201, History 202,History 450, and History 495, with an overall C average and no grade below C in any History course or required Social Science course.
5. A minor consisting of 18 semester hours from one of the major academic disciplines of the college other than history, or 18 semester hours of approved electives in non-history courses.

*The 36 semester hours may include either Religion 341,Religion 342, or 418; but, when so used, the religion course may not be counted toward fulfilling the requirements of another major, a minor, or an approved elective.

HISTORY-SOCIAL STUDIES EDUCATION

Bachelor of Science Degree

NOTE: This program is in place but it has not yet been approved for licensure. No new students are currently being accepted as majors in this program.

GOALS

The primary goal of this program is to provide each student seeking preparation for teaching history-social studies in a secondary school setting (grades 9–12) the knowledge, skills, and attitude toward a service centered career which will enable them to prepare their students for creative and effective citizenship. To ensure the realization of this primary goal, the History-Social Studies Education program will provide prospective teachers with the knowledge, skills, and attitude which will enable them to facilitate the acquisition of the following student goals when they become teachers:

1. develop concepts and make valid generalizations that provide insights into political, economic, and social behavior of people;
2. become proficient in geography skills and in the skills needed for problem solving, decision making, planning and participation;
3. acquire knowledge about
 - (a) the structure and function of the social, political, and economic institutions in American society;
 - (b) the development and unique characteristics of past and present societies; and
 - (c) issues and problems which have persisted throughout history;
4. develop a system of values consistent with the fundamental tenets of democracy;
5. develop constructive attitudes toward diversity, change, conflict, and uncertainty;
6. develop an understanding of oneself and one's relationship to others and to the environment; and
7. to seek to develop a sense of informed curiosity which will stimulate further research and deeper understanding.

OBJECTIVES

Working toward the goal of preparing for successful careers as secondary teachers, and providing each student the courses and experience specific to the student's preparation as a teacher of History-Social Studies will engender in the student:

1. a knowledge of the resources, methods, materials, and strategies for teaching Social Studies in the secondary schools, and how to incorporate such knowledge in exceptional and multi-cultural populations;
2. a knowledge of the secondary curriculum in Social Studies with emphasis on objectives, lesson plans, and unit plans, and on the North Carolina Standard Course of Study;

3. a knowledge of world and minority history, and multi-cultural perspectives;
4. and an integration of theory and practice, and learning.

REQUIREMENTS

The Bachelor of Science degree in History-Social Studies Education requires successful completion of the following:

1. A minimum of 134 semester hours with a grade point average of 2.50 on all work attempted, with no grade below C on any required History or Social Science course.
2. The General Education Requirements of the college (51 semester hours). In meeting these requirements, the student should take Psychology 201 as a Social Science elective so as to meet the prerequisite requirements for the required professional psychology courses.
3. A minimum of 36 semester hours in history, including History 101, 102, 201, 202, 350, 365, 400, 410, 415, and 450.
4. A minimum of 18 hours in other Social Studies courses, including at least three semester hours in each of the following areas: Government, Geography, Economics, Sociology and Philosophy/Ethics.
5. A minimum of 35 hours in Professional Studies as outlined under requirements for licensure for teaching grades 9 through 12.

PHYSICAL EDUCATION

The Bachelor of Science (B. S.) degree is awarded in Physical Education to those students who successfully complete the requirements in the teacher education program, and Physical Education curriculum. NOTE: This program has not yet been approved for licensure. No new majors are currently being accepted.

The B. S. degree with a K-12 teacher certification in Physical Education requires 51 semester hours in the general core, 32 semester hours in the professional education core, and 45 semester hours in the Physical Education major. Completion of 134 semester hours in academic work plus two semester hours in physical education activity courses is required for the degree. A graduate must possess a minimum grade average of 2.5 on all work attempted.

The primary goal is to prepare students for a career as a Physical Education teacher with a K-12 licensure.

All graduates from the Department of Health and Physical Education at Chowan College will:

1. possess a broad foundation in general knowledge to relate to the rapidly changing world
2. demonstrate competence to meet state, regional, and national guidelines and requirements for certification in teacher education and physical education
3. exhibit proficiency of motor skills in sports, games, activities, and levels of fitness
4. be cognizant of the professional educator's role of being exemplary in health,

58—Bachelor Degree Curricula

- fitness, attitude, professional development, and continuing education
5. demonstrate an understanding of the scientific foundations especially as related to analysis of motor skills and salient feedback to improve performance
 6. appreciate and utilize the needs, abilities, and characteristics of the learner, especially the atypical or exceptional, in the planning, organization, implementation, and evaluation of a program
 7. demonstrate mastery of a variety of teaching methods to achieve student success and improve self-esteem in all learners
 8. apply modern technology to the diverse field of Physical Education and Health to facilitate the teaching-learning process

LIBERAL STUDIES

1. The Bachelor of Arts (B. A.) degree in Liberal Studies is awarded to those students who complete successfully all of the requirements in the Liberal Studies curriculum as outlined in the curriculum section of this catalog. The section specifies the general education requirements and specialty courses that students must complete, as well as the number of credit hours that must be earned in these areas.
2. The Liberal Studies curriculum at Chowan College requires the completion of a minimum of 122 credit hours in academic work, plus 2 credit hours in physical education activity courses. The physical education requirements may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 quality point average on all work attempted.
4. The field of Liberal Studies has long been associated with philosophical inquiry and critical facility. Utilizing an interdisciplinary approach, the Liberal Studies curriculum is designed to provide the student with the breadth of knowledge that will allow the student to interpret intelligently the various issues that confront the citizens of the world community. The Liberal Studies curriculum draws heavily upon the accumulated wisdom of our own and earlier civilizations and seeks to promote the objectivity and independence of mind that will allow a critical analysis of our own cultural heritage, as well as that of other lands and peoples. The student will develop a respect and understanding of the major disciplines (arts, humanities, sciences, and social studies) and the kinds of thinking, abilities, and talents required in each. These sensibilities are demonstrated to some degree, in a student's discussion, whether by essay or by self-expression, in and out of the classroom. These qualities are, to some degree, relative and individual. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the B. A. in Liberal Studies degree are expected to possess the following competencies: (a) An understanding of historical, literary, aesthetic, and cultural heritage as measured by completion of the required credit hours in the areas of humanities and the social sciences; (b) Basic conversational skills in a foreign language as measured by the completion of a language through the intermediate level; (c) An appreciation of scientific methods used in exploring and solving problems as measured by completion of the required credit hours in

the natural and theoretical sciences; (d) A refined individual sensitivity to moral and ethical issues as evidenced by the successful completion of the required credit hours in religion and philosophy; (e) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

**Requirements for a B. A. degree in Liberal Studies
(Minimum of 124 semester hours)**

General knowledge core	53 cr. hrs.
Foreign language through the intermediate level	6–12 cr. hrs.

In addition the student may choose from the following areas as required to total at least 47 semester (credit) hours. At least 40 of these semester hours must be level 200 or above, and of this number 30 hours must be at the 300 or 400 level. The student may elect additional semester hours of electives from OTHER COURSES.

Humanities	15 cr. hrs.
Art	
Music	
Drama	
Speech	
English	
Foreign language	
Social Sciences	12 cr. hrs.
Economics	
Geography	
Government/Political Science	
History	
Psychology	
Sociology	
Natural/Theoretical Sciences	11 cr. hrs.
Biology	
Chemistry	
Physics	
Computers	
Mathematics	
Religion/Philosophy	9 cr. hrs.
Biblical Studies	
Religion	
Ethics	
Philosophy	

Other Courses (to bring total hours to at least 124 hours)

A student may choose a track for specialization or emphasis within the framework of the Liberal Studies curriculum, or a student may continue to broaden his or her education by taking advantage of the wide range of courses available throughout the interdisciplinary Liberal Studies curriculum.

MATHEMATICS

Two degrees are offered in mathematics - a Bachelor of Arts (B. A.) in Mathematics and a Bachelor of Science (B. S.) in Mathematics. The requirements for these degrees are outlined below.

The B. A. degree is a liberal arts based degree with a major in mathematics. Students earning this degree will complete a core of liberal studies courses and selection of courses in mathematics that is typical of an undergraduate major in the subject. Students completing this degree will be prepared for either graduate study in mathematics or for entry level positions requiring an undergraduate degree in mathematics. NOTE: No new majors are being admitted to the BS program in teacher education.

The B. S. degree is designed for the student, who wishes to teach mathematics in grades 9–12. The professional studies component of this curriculum as well as the major courses in mathematics are required to ensure that the student meets all required competencies for licensure. In addition, the breadth of coverage in mathematics prepares the student for graduate study in mathematics or in mathematics education.

Students earning either of these degrees are expected to satisfy certain general competencies required of all who earn a degree from the College. All students majoring in Mathematics must complete three semesters of calculus, linear algebra, statistics, and modern algebra. B. A. degree students must also take differential equations, advanced calculus, and nine hours of upper level mathematics electives. Additional courses required of B. S. degree students are college geometry, foundations of mathematics, survey of history of mathematics and six hours of upper level mathematics electives. A minimum GPA of 2.50 on all major courses is required. No grade below a C will be counted toward the degree in Mathematics.

Requirements for a B. A. degree in Mathematics

Complete a minimum of 125 semester hours of credit to include:

General knowledge core50 cr. hrs.

A foreign language or proficiency at the
intermediate level.12 cr. hrs.

Required mathematics courses as outlined in
the major requirements.....36 cr. hrs.

Elective courses27 cr. hrs.

At least 12 hours should be in an approved
designated area with at least 6 hours at the

junior or senior level. Elective courses in mathematics do not count in this 12 hour requirement.

Achieve a minimum average of 2.50 on all mathematics courses completed with no grade below a C.

Mathematics courses required for a B. A. degree in Mathematics:

Mathematics 210, 221, 310, 315, 340, 351, 430, 470, plus 3 hours of mathematics at or above the 300 level plus 6 hours of mathematics above the 400 level (excluding certain courses used in teacher education).

MATHEMATICS: TEACHER PREPARATION

Requirements for a B. S. degree in Mathematics: Teacher Preparation

NOTE: This program is in place, but has not yet been approved for licensure. No new majors are currently being accepted into this program.

Complete a minimum of 127 semester hours of credit to include:

General knowledge core and electives53 cr. hrs.

Introduction to Pascal3 cr. hrs.

Required mathematics courses as outlined

in the major requirements36 cr. hrs.

Professional studies required for teacher

licensure35 cr. hrs.

(These include 29 hours of required Education and Methods courses and 6 hours of required psychology courses. Please see these specific requirements under the listing for the Department of Education in this catalog.)

Achieve a minimum average of 2.50 on all courses completed.

Achieve a minimum average of 2.50 on all mathematics courses completed with no grade below a C.

Mathematics courses required for a B. S. degree in Mathematics:

Mathematics 210, 211, 310, 325, 340, 351, 430, 460, 480, plus 6 hours of mathematics at or above the 300 level.

The goal of the secondary mathematics education curriculum is to provide opportunities for pre-service teachers to acquire attitudes, knowledge, skills, and competencies required to perform effectively in secondary schools. Specifically, the secondary school mathematics education curriculum prepares prospective teachers to:

1. Understand the logical and sequential nature of mathematics, its structure and interrelationships, and the universality of its contributions to culture.
2. Study in depth those areas of mathematics having maximum relevance to the

secondary curriculum and make the relevant connections between college mathematics and the mathematics taught in the secondary school.

3. Study advanced topics in upper-level courses that are relevant to current mathematical trends so that, as a teacher, they can direct students into appropriate and rewarding areas.
4. View personal computing experiences from the perspective of their applicability to mathematics and their usefulness to the teaching of mathematics.
5. View personal studies in areas related to mathematics from the perspective of how mathematics is applied to those disciplines.
6. Master the methods, materials, and equipment specifically related to teaching mathematics in a culturally pluralistic classroom.
7. Develop an awareness of the need and the disposition for continued learning in the field of mathematics and the teaching of mathematics.
8. Develop, in addition to the above, each of the following basics: (a) A functional competence in the basic skills of mathematics. (b) A general reasoning ability as well as critical and creative thinking processes. (c) An understanding of basic mathematical concepts, processes, symbolism, and applications. (d) A self-assurance and pride-in-achievement that comes from developing one's mathematical potential to its fullest through mathematical discovery and successful problem-solving. (e) A background in mathematics sufficient to keep doors open to future graduate education and career choices. (f) An appreciation of the beauty of mathematics and its cultural significance as well as a positive attitude toward the study of mathematics.

MUSIC/MUSIC EDUCATION

1. A baccalaureate degree in music is awarded those students who complete successfully all requirements as outlined in the curriculum section of this catalog. The curriculum section specifies both general education and specialty courses that students must complete, as well as the number of credit hours that must be earned in these areas.
2. All Baccalaureate degree programs at Chowan require completion of a minimum of 120 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirements may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective as approved by the advisor.
3. Graduates must possess a minimum of 2.00 QPA on all work attempted and must earn a grade of C or better in all music courses at the 200 level and above. Students admitted into the Music Education program must possess a QPA of at least 2.50 at the beginning of the junior year and must maintain this average for graduation.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the bachelor's degree in Music or Music Education are expected to possess the

following competencies: (a) Literature - Possess a basic acquaintance with the standard works of music history and the composers associated with these works, as well as the various style periods of music history to which the major composers belong; (b) Theory - Possess basic writing skills structure of 4 part harmony; sufficient skills to analyze and comprehend music compositions; including knowledge of the non-harmonic tones; (c) Theory Competency - Possess a knowledge of the techniques of composers of the 17th to the 20th centuries; have an awareness of the harmonic materials used in these historical periods from the simple triad through seventh chords, altered chords, ninth, eleventh, and thirteenth chords, simple and complex methods of modulation; (d) Ear Training - Development of the ear to the point that students can transcribe a melody as well as simple four part harmony; (e) Sight Singing - Possess sufficient proficiency to sing at sight melodies of a medium degree of difficulty; (f) Keyboard - Possess competence in playing all major and minor scales hands together, all major and minor, diminished and dominant seventh arpeggios 2 octaves; in playing easy pieces from the various stylistic periods; in playing I IV I V I cadences, in harmonizing simple melodies, and in playing the most simple accompaniments, hymns and songs.

In addition to the foregoing, music majors with a specialization in voice should be able to sing with proper vocal technique, have expanded their repertoire of new songs (approximately 4-5 each semester), and be able to sing, with proper pronunciation, in at least one language other than English. Each semester of study should also include at least one aria from an oratorio or opera.

In addition to the foregoing, music majors with a specialization in piano should be competent in playing all major and minor scales 4 octaves, hands together, all major and minor, dominant and diminished, seventh arpeggios 4 octaves, hands together; in understanding and playing repertoire from the various stylistic periods; in playing basic chord progressions; in transposing simple songs; in harmonizing simple melodies; in playing accompaniments.

In addition to the foregoing music majors with a specialization in organ should be competent in playing exercises and scales for manuals and pedals in H. Gleason's *Method of Organ Playing*; in understanding the stops and principles of registration; in performing works from the standard repertoire of the various stylistic periods; in hymn playing and service playing.

In addition to the foregoing, music majors with band instrument specialization should be able to play major and three forms of minor scales; major and minor arpeggios; have a working knowledge of basic chord progression; should be able to play Grade 5 solos from the North Carolina Band Association solo list.

Music history - possess a basic understanding of the development of music as an art form in Western civilization from antiquity to contemporary times and its relationship to historical developments in other aspects of Western culture;

Senior recital - each student is expected to present a recital during the senior year in the area of the applied music specialization. This recital can be presented

as a joint recital with another student or as a solo recital. The recital, either solo or joint, should contain at least 40 minutes of music performed by the student. In addition, a student may present a partial recital during the junior year.

Each student graduating in Music Education should have sufficient technique to demonstrate artistic performance in the specialized area for classroom use.

5. MUSIC EDUCATION - GOALS

The primary goal of the K-12 Music Education program is to ensure that prospective teachers develop the attitudes, knowledge, skills, and competencies necessary to perform effectively in music skills, and competencies necessary to perform effectively in music classrooms. The “effective” music teacher will be one who believes that all children can learn and who can function as a facilitator of learning. The teacher should be able to lead students effectively in activities in which students perform, analyze, and create. The Music faculty is committed to the production of professionals who demonstrate proficiency in performance, an integrated understanding and use of musical knowledge, and competence in teaching strategies.

OBJECTIVES - Graduates from the Music Education program will:

- a. Demonstrate an understanding of the development of music as an art through their knowledge of musical works, styles, and harmonic materials.
- b. Demonstrate the ability to manipulate harmony, melody, and compositions of four or more parts by sight singing, performance, transcription, composition, analyzation, and comprehension.
- c. Demonstrate the ability to perform at an advanced level on a major performance medium, displaying an understanding of interpreting written notation and styles representative of specific composers or historical periods.
- d. Demonstrate the ability to use keyboards for the purpose of teaching.
- e. Demonstrate the use of one's own voice for the purpose of teaching providing accurate aural examples of musical material.
- f. Demonstrate an understanding of the qualities needed as a teacher to work effectively with students, taking their special needs into consideration.
- g. Display a disposition for continued learning as a professional and focusing acquired knowledge and research findings from related fields to enhance classroom instruction.
- h. Demonstrate effective use of the various levels and techniques of questioning to enhance learning.
- i. Demonstrate the ability to select appropriate materials and activities in conjunction with learning objectives and teaching strategies appropriate for any level of music learning, K-12.

NOTE: *Chowan does not require an audition for admittance as a music major. However, ALL STUDENTS ADMITTED AS MUSIC MAJORS WILL BE ON PROBATION FOR THE FIRST SEMESTER OF STUDY AT CHOWAN. Each student must show*

70—Bachelor Degree Curricula

acceptable progress, especially in applied music courses, during the probationary semester. If such progress, as determined by the music faculty, is not evidenced, then the student may: (1) not be allowed to continue as a Music Major; OR (2) be allowed to continue for a second, probationary semester. A third semester on probation will not be allowed.

Requirements for the Bachelor of Arts in Music

Music Core Courses.....	57 (58) cr. hrs.
Applied Music Lab 100A&B; 200A&B 300A&B; 400A&B.....	0 cr. hrs.
Music Literature 171.....	2 cr. hrs.
Music Theory 151-152; 251-252 101-102; 201-202	16 cr. hrs.
Music History 371-372.....	6 cr. hrs.
Ensemble 181-182; 281-282; 381-382; 481-482 or 191-192; 291-292; 391-392; 491-492	8 cr. hrs.
Applied Major 121-122;221-222; 321-322; 421-422.....	16 cr. hrs.

Social Science Elective.....	3 cr. hrs.
Speech 210 or 211.....	3 cr. hrs.
Lab Science.....	8 cr. hrs.
Fine Arts Elective.....	3 cr. hrs.
English or American Literature.....	3 cr. hrs.
Humanities Elective.....	3 cr. hrs.
Free elective.....	15 cr. hrs.
(9 hours must be at 200 or higher level)	
Total.....	127 (130) cr. hrs.

NOTE: If a student does not already possess a basic level of keyboard proficiency, the applied minor will be piano. If a basic keyboard proficiency is attained before the degree requirements are fulfilled, the student may elect another applied area for study.

MINOR IN MUSIC

Students who are pursuing a baccalaureate degree in a field other than music may elect to minor in music by fulfilling the following minimum course requirements:

Applied Music Lab 100A-400B0 cr. hrs.
Music Theory 151-1526 cr. hrs.
Music Theory Lab 101-1022 cr. hrs.
*Applied Music	8 cr. hrs.
Intro. to Music Lit. 1712 cr. hrs.
Ensemble (Band or Chorus)	6 cr. hrs.

PRINTING PRODUCTION & IMAGING TECHNOLOGY

1. The Bachelor of Science (B. S.) in Printing Production & Imaging Technology degree is awarded to those students who complete successfully all requirements in the Printing curriculum, as outlined in the curriculum section of this catalog. This section specifies both general education and specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.

2. The B. S. in Printing Production & Imaging Technology requires completion of a minimum of 129 semester hours, including two semester hours of physical education activity courses, with an average of at least 2.00 on all work attempted, and a minimum average of 2.5 in all graphic communications courses.

3. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the Bachelor of Science in Printing Production & Imaging Technology are expected to possess the following competencies and expertise: (a) operate desktop publishing systems to generate type matter, line and gray scale images for a variety of printing forms, including newspaper pages, advertisements, magazines and book pages, and commercial forms. Students will also learn the technique of capturing and outputting four color images; (b) prepare paste-up mechanicals for single and multi-color printing forms with the effective use and placement of type, photographs, art work, and other typographic elements; (c) operate process cameras to produce offset film negatives from line and continuous tone copy and process via tray and automatic film processors; (d) prepare a variety of offset printing plates through the effective use of image assembly techniques for single and multi-color printing jobs; (e) operate a color scanner computer to produce separations of full-color copy at various percentages and line rulings; (f) operate a variety of presses to include offset duplicators, medium size single color sheet-fed, two-color offset, flatbed screen printing, and a three unit flexographic web press to produce single and multi-color forms; (g) possess a basic knowledge of

printing papers and inks to include the characteristics and application of each; (h) demonstrate appropriate skills and work habits through an internship agreement with a newspaper or commercial printing company; (i) to operate equipment used in the packaging and specialty printing industry to include screen printing, flexographic web equipment; (j) to demonstrate a thorough understanding of management practices and principles used in the printing industry such as production planning, scheduling and cost estimating; (k) an appreciation of the cultural significance of the printing and publishing industry, (l) learn techniques for critical thinking and problem solving, (m) a basic understanding of the Judeo-Christian heritage; (n) a knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

Requirements for the B. S. in Printing Production & Imaging Technology:

General knowledge core53 cr. hrs.

Required printing courses:

Graphic Arts I 1014 cr. hrs.

Imaging Technology 1114 cr. hrs.

Graphic Arts II 1214 cr. hrs.

Specialty Printing 1314 cr. hrs.

Imaging Technology II 2134 cr. hrs.

Technical Photography 2233 cr. hrs.

Printing Applications I 2334 cr. hrs.

Electronic Imaging & Color Reproduction 3113 cr. hrs.

Paper and Ink 3312 cr. hrs.

Printing Applications II 3414 cr. hrs.

Current Trends in Graphic Communications 4422 cr. hrs.

Printing Production Planning 4434 cr. hrs.

Internship 45110 cr. hrs.

Related courses in Business

Business Law 2813 cr. hrs.

Keyboarding for Information Processing 1013 cr. hrs.

Introduction to Business 1103 cr. hrs.

Principles of Accounting 1414 cr. hrs.

Principles of Economics 251 or 2523 cr. hrs.

Management 3613 cr. hrs.

Free Electives6 cr. hrs.

RELIGION

The Bachelor of Arts (B. A.) degree in Religion requires the successful completion of a minimum of 126 semester hours, exclusive of physical education activity courses, with an overall "C" average (2.00) on all work attempted. A minimum of 36 semester hours must be completed in courses offered in the Department of Religion and Philosophy. Moreover, the distribution of courses to

meet degree requirements - both within the department and across the college curricula - must adhere to those guidelines which are further delineated below.

The baccalaureate degree with a major in religion has been designed to provide an appropriate undergraduate educational experience for three primary constituencies: (1) pre-seminarians, whose vocational goals include some form of church-related ministry; (2) students who may plan to earn graduate degrees, with a view towards teaching religion at the secondary or college level; and (3) persons who seek a broader knowledge of religion, in general, and of the Judeo-Christian heritage, in particular, in order to be more effective leaders in their churches and communities.

In addition to those general competencies expected of all who earn a degree from the college, those who major in religion are also expected to demonstrate: (1) adequate acquaintance with and understanding of biblical literature, as evidenced by successful completion of the required departmental distribution of courses in biblical studies; (2) adequate acquaintance with and understanding of developments in Christian history, as evidenced by successful completion of the required departmental distribution of courses in historical/theological studies; (3) adequate acquaintance with and understanding of major ethical and philosophical issues or concerns, as evidenced by the successful completion of the required departmental distribution of courses in ethical/philosophical studies; and (4) adequate competence for and commitment to continued pursuit of their vocational goals, as evidenced through further academic studies and/or effective leadership in Church and community.

Course offerings in the Department of Religion and Philosophy are distributed across three areas: biblical studies, historical/theological studies, and philosophical/ethical studies. Offerings are designed to afford the student introductory, or general survey, approaches to biblical studies, historical/theological studies, and philosophical studies. Opportunities for advanced, or specialized, work are also currently provided in the areas of biblical studies and of historical/theological studies. With future departmental expansion, it is anticipated that advanced offerings will be made available in philosophical/ethical studies as well.

A major in religion requires the successful completion of a minimum of 30 semester hours in religion and philosophy courses, beyond the general knowledge core. Moreover, this requirement must include a distribution of courses as follows: 15 hours in biblical studies, 9 hours in historical/theological studies, and 6 hours in philosophical/ethical studies. A maximum of 39 hours in Religion and Philosophy may be applied towards requirements for the baccalaureate degree.

The student who chooses to major in religion will be expected to work closely with an academic advisor from the department in designing his/her curriculum beyond the general education (core) requirements and the departmental requirements noted above. A minimum of 126 hours, exclusive of physical education activity courses, is required for the baccalaureate degree, including at least 36 semester hours of 300-400 level courses.

Requirements for a B. A. in Religion

Complete a minimum of 126 semester hours of credit to include:

General knowledge core	53-54 cr. hrs.*
Religion and Philosophy	30 cr. hrs.
Foreign Language	12 cr. hrs.
Humanities	9 cr. hrs.
Social/Behavioral Sciences	9 cr. hrs.
Mathematics/Natural Sciences	3-4 cr. hrs.
Electives	10 cr. hrs.

*Must include Religion 111, 112

SCIENCE

The Department of Science seeks to provide students with a good foundation in the biological and physical sciences. The curriculum is designed to prepare students for careers in teaching, industry, research, government, and admissions to professional schools and other areas. These areas include but are not limited to agriculture, forestry, pulp and paper science and technology, dentistry, medicine, nursing, physical therapy, veterinary medicine, optometry, pharmacy, dental hygiene, medical technology, and/or other professional areas requiring a background in the natural sciences.

Those who graduate with a B. S. in Science must possess a minimum QPA of 2.00 on all science courses. In addition a student must achieve 2.00 overall QPA and must complete a minimum of 122 semester hours, of which no more than two are in physical education activity courses. A major consists of 30 credit hours at the 200 level or above. Students pursuing the B. S. in Science may elect a concentration in either biology, physical science or science education.

The B. S. degree is awarded to those students who complete successfully all of the requirements as outlined in the science curriculum section of this catalog. Students who receive the B. S. in Science, with an emphasis in either biological or physical science, are expected to possess the following basic minimum competencies: (1) competence in a broad base knowledge of physical, biological and computer science; (2) competence in a essential scientific ideas, concepts, and skills; (3) competence in the collection of quantitative and qualitative data; and (4) competence in evaluating situations analytically.

PRE-PROFESSIONAL STUDIES

The Department of Science provides students with preparation for professional training at other institutions. The four-year B. S. program in Science may serve as preparation for professional studies in such fields as medicine, dentistry, veterinary medicine, pharmacy, and physical therapy. The college also offers some two-year programs (pre-nursing, pre-dental hygiene, pre-optometry, pre-pulp and paper science, pre-forestry, and pre-agriculture) that may lead to further study at other institutions.

Students entering any pre-professional program must plan carefully. Professional school catalogs should be consulted to ascertain specific requirements of that institution, and open dialogue between the student and his/her advisor should begin early.

SCIENCE EDUCATION

Students who complete requirements in the science major and who complete necessary requirements in the Department of Education, may seek secondary teaching licensure in comprehensive science. See materials in the Education section of this catalog. Admission to the Science Education program requires an average of 2.50 and this minimum average must be maintained throughout the program. NOTE: The Science Education program has not yet been approved for licensure. No new students are currently being accepted into this program.

Requirements for the Bachelor of Science degree in Science

General knowledge core (other than science/math).....40 cr. hrs.

Required core science courses40-41 cr. hrs.

Biology 101, 102.....8 cr. hrs.

Chemistry 101, 102.....8 cr. hrs.

Physics 101, 102.....8 cr. hrs.

Organic 275.....4 cr. hrs.

Math 133, 135.....6 cr. hrs.

Pascal 295.....3 cr. hrs.

Math 205 or 210.....3-4 cr. hrs.

Pick a minimum of 26 semester credit hours from the following to complete requirements for a science major.*

Organic 276.....4 cr. hrs.

Biochemistry 325.....4 cr. hrs.

Physical Chemistry 335.....4 cr. hrs.

Chemical Analysis 460.....4 cr. hrs.

Physics 203, 204.....8 cr. hrs.

Ecology 301.....

Total General knowledge core plus science core plus the above 26 106-107 cr. hrs.

*The additional credit hours may be chosen to fit the students major area of interest: biological science, physical science or science education.

TOTAL MINIMUM REQUIRED HOURS FOR GRADUATION

(includes no more than two PE credits).....122 cr. hrs.

Requirements for the Bachelor of Science in Science Education

General knowledge core

(other than science/math and computers)40 cr. hrs.

Required core science courses	34 cr. hrs.
Biology 101, 102.....	8 cr. hrs.
Chemistry 101, 102.....	8 cr. hrs.
Physics 101, 102.....	8 cr. hrs.
Organic 275.....	4 cr. hrs.
Math 133, 135.....	6 cr. hrs.

Pick a minimum of 20 semester credit hours from either of the following to complete requirements for a science education major.*

Organic 276.....	4 cr. hrs.
Biochemistry 325.....	4 cr. hrs.
Physical Chemistry 335.....	4 cr. hrs.
Chemical Analysis 460.....	4 cr. hrs.
Physics 203, 204.....	8 cr. hrs.
Ecology 301.....	4 cr. hrs.
Human Anatomy 221.....	4 cr. hrs.
Human Physiology 222.....	4 cr. hrs.
Plant Diversity 270.....	4 cr. hrs.
Microbiology 341.....	4 cr. hrs.
Comparative Anatomy 345.....	4 cr. hrs.
Invertebrate Zoology 470.....	4 cr. hrs.
Pascal 295.....	3 cr. hrs.
Math 205 or 210.....	3-4 cr. hrs.
Astronomy 210.....	4 cr. hrs.
Earth Science 211.....	4 cr. hrs.
Genetics 401.....	4 cr. hrs.
Science 491.....	1 cr. hr.
Science 492.....	2 cr. hrs.
Science 493.....	1-3 cr. hrs.

Total General knowledge core plus science core plus the above 20 cr. hrs. to give 95 cr. hrs.

For science education courses, see elsewhere in the catalog35 cr. hrs.

*The additional 20 cr. hrs. above may be chosen to fit the students major area of interest: biology or chemistry.

TOTAL MINIMUM REQUIRED HOURS FOR GRADUATION

(includes two PE credits).....129 cr. hrs.

BACHELOR OF APPLIED SCIENCE (BAS)

The Bachelor of Applied Science (BAS) degree is awarded to students transferring to Chowan College with an Associate in Applied Science Degree or its equivalent from a program in a regionally accredited two-year college or technical school. Chowan will accept in transfer a maximum of 64 semester hours from students who have the associate's degree or equivalent in applied science or health science from a regionally accredited two-year college or technical college. These 64 semester hours must include at least 36 in the major, as well as appropriate certification by national and state boards. The bachelor's degree from Chowan requires completion of a minimum of 128 semester hours, at least 64 of which must be earned at Chowan. These include completion of the required core courses at Chowan, unless these courses were completed elsewhere. Further, the student must complete a minimum of 27 hours of elective credit at the upper level (courses numbered at the 300-400 level). The 36 or more semester hours earned in applied science or health science at the two-year institution will represent the student's major. By way of example, a student who transfers to Chowan with an Associate Degree in Criminal Justice may earn the Bachelor of Applied Science in Criminal Justice. Note should be taken that Chowan will not normally offer an applied science or health science degree in an area where the college offers the B.A. or B.S. These programs are designed to fill a need for persons who require an earned bachelor's degree for personal or job-related reasons.

THE CURRICULA

ASSOCIATE DEGREE PROGRAMS

Chowan College offers the associate degree to those students who complete successfully all of the requirements in one of those curricula outlined in this catalog and who possess a minimum average of 2.00 on all work attempted. All associate degree programs require completion of a minimum of 62 semester hours (60 academic hours plus 2 hours in physical education activity courses), but some programs may require completion of a greater number of hours. Following is additional information concerning each of the associate degrees and diplomas offered by Chowan College.

ASSOCIATE OF ARTS (A. A.)

1. The A. A. degree is awarded to those students who complete successfully all of the requirements in one of the following curricula as outlined in the curriculum section of this catalog: Liberal Arts, Pre-Psychology/Sociology. The curriculum section specifies both general and specialty courses that students must complete, as well as the number of credit hours that must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. The liberal studies and the humanities are areas long associated with philosophical inquiry and critical facility. Students pursuing the A. A. degree are, therefore, expected to develop and deepen their sensitivity to the human condition in its social, cultural, aesthetic, and moral dimensions; they should also develop skills that enable them to interpret and evaluate experience logically and philosophically. These sensibilities cannot be measured objectively, but they are shown, to some degree, in a student's discussion, whether by essay or by self-expression, in and out of the classroom. These qualities are, to some degree, relative and individual. Students will, however, be able to demonstrate in their testing the following basic and minimum competencies: (a) Writing skills necessary to do college-level work as measured by the completion of composition courses; (b) Reading skills necessary to do college-level work as measured by standardized testing and the completion of courses in the humanities; (c) Mathematical skills up to and including the level of college algebra, as measured by the successful completion of at least two

math courses; (d) Oral communication skills as measured by the successful completion of a course in speech; (e) A basic understanding of the Judeo-Christian heritage as measured by the successful completion of courses in religion; (f) A basic understanding of historical, literary, aesthetic, and cultural heritage as measured by completion of courses in these areas; (g) Basic conversational skills in a foreign language as measured by the completion of a language through the intermediate level; (h) An appreciation of scientific methods used in exploring and solving problems relative to the physical environment, as measured by the successful completion of the laboratory sciences specified by the student's curriculum; (i) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

ASSOCIATE OF SCIENCE (A.S.)

1. The A. S. degree is awarded to those students who complete successfully all of the requirements in one of the following curricula as outlined in the curriculum section of this catalog: Business Administration, Pre-Agriculture, Pre-Athletic Training Education, Pre-Computer Science, Pre-Dental Hygiene, Pre-Engineering, Pre-Forestry, Pre-Medical Illustration, Pre-Medical Technology, Pre-Nursing, Pre-Pulp and Paper Science and Technology, Social Studies. The curriculum section specifies both general education and specialty courses that students must complete, as well as the number of credit hours that must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. Students who receive the A. S. degree are expected to possess the following basic and minimum competencies: (a) Writing skills necessary to do college-level work as measured by the completion of composition courses; (b) Reading skills necessary to do college-level work as measured by standardized testing; (c) Mathematics skills as measured by the completion of those math courses designated in the particular curriculum; (d) Oral communication skills as measured by the successful completion of a course in speech; (e) A basic understanding of the Judeo-Christian heritage as measured by the successful completion of courses in religion; (f) Competence in the collection of quantitative and qualitative data and in analytically evaluating situations using the scientific approach; (g) A knowledge of safety and skills in a lifetime leisure sport or a physical fitness activity.

ASSOCIATE IN MUSIC (A. M.)

1. The A. M. degree is awarded to those students who complete successfully all requirements outlined in the curriculum section of this catalog. The curriculum section specifies both general education and specialty courses that students must complete, as well as the number of credit hours that must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the A. M. degree are expected to possess the following competencies: (a) Literature - Possess a basic acquaintance with the standard works of music history and the composers associated with these works, as well as the various style periods of music history to which the major composers belong; (b) Theory - Possess basic writing skills structure of 4 part harmony; sufficient skills to analyze and comprehend music compositions; including knowledge of the non-harmonic tones; (c) Theory Competency - Possess a knowledge of the techniques of composers of the 17th to the 20th centuries; have an awareness of the harmonic materials used in these historical periods from the simple triad through seventh chords, altered chords, ninth, eleventh, and thirteenth chords, simple and complex methods of modulation; (d) Ear Training - Development of the ear to the point that students can transcribe a melody as well as simple four part harmony; (e) Sight Singing - Possess sufficient proficiency to sing at sight melodies of a medium degree of difficulty; (f) Keyboard - Possess competence in playing all major and minor scales, hands together, all major and minor, diminished and dominant seventh arpeggios 2 octaves; in playing easy pieces from the various stylistic periods; in playing I IV I V I cadences, in harmonizing simple melodies, and in playing the most simple accompaniments, hymns and songs.

In addition to the foregoing, music majors with a specialization in voice should be able to sing with proper vocal technique, have expanded their repertoire of new songs (approximately 4-5 each semester), and be able to sing, with proper pronunciation, in at least one language other than English. Each semester of study should also include at least one aria from an oratorio or opera.

In addition to the foregoing, music majors with a specialization in piano should be competent in playing all major and minor scales 4 octaves, hands together, all major and minor, dominant and diminished, seventh arpeggios 4 octaves, hands together in understanding and playing repertoire from the vari-

ous stylistic periods; in playing basic chord progressions, in transposing simple songs, in harmonizing simple melodies.

In addition to the foregoing music majors with a specialization in organ should be competent in playing exercises and scales for manuals and pedals in H. Gleason's Method of Organ Playing; in understanding the stops and principles of registration, in playing easier standard repertoire of the various stylistic periods; in playing easier hymns.

In addition to the foregoing, music majors with band instrument specialization should be able to play major and three forms of minor scales; major and minor arpeggios; have a working knowledge of basic chord progression; should be able to play Grade 5 solos from the North Carolina Band Association solo list.

ASSOCIATE IN PRINTING PRODUCTION & IMAGING TECHNOLOGY (A. P. P. I. T.)

1. The A. P. P. I. T. degree is awarded to those students who complete successfully all requirements in the Printing Technology curriculum, as outlined in the curriculum section of this catalog. This section specifies both general education and specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the A.P.P.I.T. degree are expected to possess the following competencies and expertise: (a) Operate desktop publishing systems to generate type matter, line and gray scale images for a variety of printing forms, including newspaper pages, advertisements, magazines and book pages, and commercial forms. Student will also learn the technique of capturing and outputting four color images; (b) Prepare paste-up mechanicals for single and multi-color printing forms with the effective use and placement of type, photographs, art work, and other typographic elements; (c) Operate process cameras to produce offset film negatives from line and continuous tone copy and process via tray and automatic film processors; (d) Prepare a variety of offset printing plates through the effective use of stripping techniques for single and multi-color printing jobs; (e) Operate a color scanner computer to produce separations of full-color copy at various percentages and line rulings; (f) Operate a variety of presses to include offset duplicators, medium size single color sheet-fed, two-color offset, and a three-unit web offset to produce single and multi-color forms; (g) Possess a basic knowledge of printing papers and inks to include the characteristics and application of each; (h) A basic understanding of the Judeo-Christian heritage; (i) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

ASSOCIATE IN ACCOUNTANCY (A. ACCT.)

1. The A. Acct. degree is awarded to those students who complete successfully all requirements in the Accounting curriculum, as outlined in the curriculum section of this catalog. This section specifies both general education and specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the A. Acct. degree are expected to possess the following competencies: (a) An introductory knowledge of business computer systems and application software using microcomputers; (b) A knowledge of the mathematics of finance; (c) An introductory knowledge of accounting as the language of business and an understanding of the elementary principles of recording, summarizing, reporting, and interpreting financial data; (d) Competence in maintaining accounting records and preparing external reports for proprietorships, partnerships, and corporations; (e) Competence in the preparation, analysis, and interpretation of accounting and financial data for internal reporting and decision making; (f) An introductory knowledge of taxation and the ability to prepare basic federal tax returns for individuals (primarily), partnerships, and corporations; (g) An understanding of the principles of macroeconomics and microeconomics; (h) An introductory knowledge of the American legal system as it relates to business situations; (i) A basic understanding of the Judeo-Christian heritage; (j) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

ASSOCIATE IN COMPUTER INFORMATION SYSTEMS (A. C. I. S.)

1. The A. C. I. S. degree is awarded to those students who complete successfully all requirements of the Computer Information Systems curriculum, as outlined in the curriculum section of this catalog. This section specifies both general education and specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the A. C. I. S. degree are expected to possess the following competencies: (a) An

introductory knowledge of business computer systems and application software using microcomputers; (b) An introductory knowledge of computer program design and development; (c) Facility in the use of a computer programming language; (d) The ability to apply the operating system functions and commands of popular microcomputer operating systems; (e) Experience in the use of spreadsheet, database, and word processing software for microcomputers; (f) A general knowledge of the methodologies used in developing business-oriented information systems; (g) Ability to create a database and generate programs to implement a business application; (h) An introductory knowledge of accounting as the language of business and an understanding of the elementary principles of recording, summarizing, reporting, and interpreting financial data; (i) Competence in maintaining accounting records and preparing external reports for proprietorships, partnerships, and corporations; (j) Basic competence in the preparation, analysis, and interpretation of accounting and financial data for internal reporting and decision making; (k) An understanding of the principles of macroeconomics and microeconomics; (l) A basic understanding of the Judeo-Christian heritage; (m) A knowledge of safety and skills in a lifetime leisure sport of physical fitness activity.

ASSOCIATE IN MERCHANDISE MANAGEMENT (A. M. M.)

1. The A. M. M. degree is awarded to those students who complete successfully all requirements in the Merchandise Management curriculum, as outlined in the curriculum section of this catalog. This section specifies both general education and specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.
2. All degree programs at Chowan College require completion of a minimum of 60 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
3. Graduates must possess a minimum average of 2.00 on all work attempted.
4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the A. M. M. degree are expected to possess the following competencies: (a) An applicable understanding of the principles and practices of retail store operations, ownership, and management; (b) A knowledge of the fundamental principles of effective selling and how to analyze products/services and their potential markets; (c) An understanding of the techniques and theory of advertising and sales promotion activities as they relate to the retailing industry; (d) A basic knowledge of how the marketing functions encourage, permit, and secure the profitable distribution of goods and services from the producer to the ultimate consumer and industrial user; (e) A knowledge of and experience with the safe and effective visual presentation of merchandise; (f) An introductory knowledge of accounting as the language of business and an understanding of the elementary principles of recording, summarizing, reporting, and interpreting financial data; (g) An introductory

knowledge of business computer systems and application software using microcomputers; (h) An awareness of the appropriate grooming, attire, qualities, and personality characteristics commonly attributed to successful people in business and other professional organizations; (i) A knowledge of the mathematics of finance; (j) A basic understanding of the Judeo-Christian heritage; (k) A knowledge of safety and skills in a lifetime leisure sport or physical activity.

GENERAL STATEMENT

The associate degree curricula which follow are presented in outline form and provide a model for degree completion in two years. Students who must take non-credit, developmental courses may not be able to complete requirements in two years. This will also be the case with students who feel that they need to proceed at a slower rate.

LIBERAL ARTS

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3)	
	Mathematics 133 (3)	
	Religion 111 (3)	
	Foreign Language 101 (3)	
	History 101 (3)	
	College 101 (2)(optional)	
	Physical Education (1)	(Total 16–18)

Second Semester	English 102 (3)	
	Mathematics 135 or 205 (3)	
	Religion 112 (3)	
	Foreign Language 102 (3)	
	History 102 (3)	
	Computer Awareness 101 (2)	
	Physical Education (1)	(Total 18)

Second Year, First Semester	English 201 or 203 (3)	
	Laboratory Science (4)	
	Foreign Language 201 (3)	
	Speech 210 or 211 (3)	
	Elective (3)	(Total 16)

Second Semester	English 202 or 204 (3)	
	Laboratory Science (4)	
	Foreign Language 202 (3)	
	Music, Art, or Drama 161 (3)	
	Elective (3)	(Total 16)

SOCIAL STUDIES

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3) Math 133 (3) Religion 111 (3) Government 108 (3) History 101 (3) College 101 (2) Physical Education (1) (Total 16)
Second Semester	English 102 (3) Math 135 or 205 (3) Religion 112 (3) Geography 151 (3) History 102 (3) Computer Awareness 101 (2) (Total 17)
Second Year, First Semester	Psychology 201 (3) Laboratory Science (4) History 201 or Sociology 107 (3) Music, Art, or Drama 161 (3) Speech 210 or 211 (3) Physical Education (1) (Total 17)
Second Year, Second Semester	Literature (3) Laboratory Science (4) History 202 or Psychology 306 (3) Sociology 205 (3) Elective (3) (Total 16)

PRE-PSYCHOLOGY OR SOCIOLOGY

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3) Math 133 (3) Computer Awareness 101 (2) Foreign Language (3)* History 101 or 201 (3) College 101 (2)(optional) Physical Education (1) (Total 15–17)
----------------------------	--

Second Semester	English 102 (3) Math 135 or 205 (3) Religion 111 (3) Foreign Language (3)* History 102 or 202 (3) Elective (3)A(Total-18)
Second Year, First Semester	English 201 or 203 (3) Foreign Language (3)* Psychology 201 (3) Sociology 205 (3) Laboratory Science (4) Physical Education (1) (Total 17)
Second Semester	Speech 210 or 211 (3) Foreign Language (3)* Psychology 306 or Sociology 107 (3) Religion 112 (3) Laboratory Science (4) (Total 16)

*Must satisfy foreign language requirement through intermediate level.

MUSIC

(Requirements for the Associate Degree)

First Year, First Semester	Applied Music Lab 100A (0) Music Theory Lab 101 (1) Music Theory 151 (3) Applied Music* 121 (2) Ensemble 181/191 (1) English 101 (3) Music Lit. 171 (2) Math 120 (or higher) (3) PE Activity Course (1) (Total 16)
Second Semester	Applied Music Lab 100B (0) Music Theory Lab 102 (1) Music Theory 152 (3) Applied Music* 122 (2) Ensemble 182/192 (1) English 102 (3) Computer Awareness 101 (2) History Course (3) PE Activity Course (1) (Total 16)

90—Associate Degree Curricula

Second Year, First Semester	Applied Music Lab 200A (0) Music Theory Lab 201 (1) Music Theory 251 (3) Applied Music* 221 (2) Music Methods Course (1) Ensemble 281/291 (1) English or American Literature (3) Religion Course (3) Social Science Elective (3) (Total 17)
Second Semester	Applied Music Lab 200A (0) Music Theory Lab 202 (1) Music Theory 252 (3) Music Methods Course (1) Ensemble 282/292 (1) Speech 210 or 211 (3) Religion Course (3) Elective (3) (Total 17)
CURRICULUM TOTAL66 cr. hrs.	

*If the student does not already possess a basic level of keyboard proficiency, additional study in piano will be required. Such study may continue throughout the two years or until a basic proficiency is acquired.

MUSIC BUSINESS

(Requirements for the Associate Degree)

First Year, First Semester	Applied Music Lab 100A (0) Music Theory Lab 101 (1) Music Theory 151 (3) Applied Music* (Piano) 111B (1) Ensemble 181/191 (1) English 101 (3) Math 120 (or higher) (3) Social Science Elective (3) PE activity Course (1) (Total 16)
Second Semester	Applied Music Lab 100B (0) Music Theory Lab 102 (1) Music Theory 152 (3) Applied Music* (Piano) 122B (1) Ensemble 182/192 (1) Music Literature 171 (2) English 102 (3) Computer Awareness 101 (2) Elective (3) PE Activity Course (1) (Total 17)

Associate Degree Curricula—91

Second Year, First Semester	Applied Music Lab 200A (0) Applied Music* (Piano) 211B (1) Music Methods Course (1) Ensemble 281/291 (1) Religion Course (3) English or American Literature (3) Accounting 141 (4) Psychology 201 (3) (Total 16)
-----------------------------	---

Second Semester	Applied Music Lab 200B (0) Applied Music* (Piano) 212B (1) Music Methods Course (1) Ensemble 282/292 (1) Religion course (3) Speech 210 or 211 (3) Laboratory Science (4) Economics 252 (3) (Total 16)
-----------------	---

CURRICULUM TOTAL..... 65 cr. hrs.

*If a student already possess an acceptable keyboard proficiency(as determined by an audition before the music faculty) he/she may elect some other applied area for study.

PRE-OPTOMETRY

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3) Math 133 (3) Biology 101 (4) Chemistry 101 (4) College 101 (2)(optional) Religion 111 (3) (Total 17-18)
----------------------------	--

Second Year, First Semester	Chemistry 275 (4) Physics 101 (4) Psychology 201 (3) Speech 210 or 211 (3)
-----------------------------	---

	Religion 112 (3)	
	Physical Education (1)	(Total 18)
Second Semester	Math 205 or 210 (3 or 4)	
	Physics 102 (4)	
	Microbiology 341 (4)	
	Elective (3)	
	History 101 or 102 (3)	(Total 17–18)

PRE-FORESTRY

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3)	
	Math 133 (3)*	
	Biology 101 (4)	
	Chemistry 101 (4)	
	Computer Awareness 101 (2)	(Total 16)
Second Semester	English 102 (3)	
	Math 135 (3)*	
	Biology 102 (4)	
	Chemistry 102 (4)	
	Physical Education (1)	(Total 19)
Second Year, First Semester	Math 210 (4)	
	Speech 211 (3)	
	Physics 101 or 203 (4)	
	Economics 251 (3)	
	Religion 111 (3)	
	Physical Education (1)	(Total 18)
Second Semester	Math 211 (4)	
	Elective (3)	
	Physics 102 or 204 (4)	
	Economics 252 (3)	
	Religion 112 (3)	(Total 17)

*Math 139 will satisfy this requirement.

PRE-PULP AND PAPER SCIENCE AND TECHNOLOGY

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3)
	Math 133 (3)*
	Biology 101 (4)
	Chemistry 101 (4)

	Math 111(2)	
	Physical Education (1)	(Total 17)
Second Semester	English 102 (3)	
	Math 135 (3)*	
	Biology 102 (4)	
	Chemistry 102 (4)	
	Physical Education (1)	
	Computer Awareness 101 (2)	(Total 17)
Second Year, First Semester	Economics 251(3)	
	Speech 211 (3)	
	Math 210 (4)	
	Religion 111 (3)	
	Physics 101 or 203 (4)	(Total 17)
Second Semester	Elective(3)	
	Religion 112 (3)	
	Economics 252 (3)	
	Math 211 (4)	
	Physics 102 or 204 (4)	(Total 17)

*Math 139 will satisfy this requirement

PRE-AGRICULTURE

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3)	
	Math 133 (3)*	
	Biology 101 (4)	
	Chemistry 101 (4)	
	Computer Awareness 101(2)	(Total 16)
Second Semester	English 102 (3)	
	Math 135 (3)*	
	Biology 102 (4)	
	Chemistry 102 (4)	
	Physical Education (1)	(Total 15)
Second Year, First Semester	English 201, 202, 203, or 204 (3)	
	Religion 111 (3)	
	Physics 101 (4)

PRE-DENTAL HYGIENE

(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3) Biology 101 (4) Math 133 (3) Chemistry 101 (4) College 101 (2)(optional) Computer Awareness 101 (2)	(Total 16–18)
Second Semester	English 102 (3) Biology 102 (4) Math 205 (3) Chemistry 102 (4) Religion 111 (3)	(Total 17)
Second Year, First Semester	English 201 or 203 (3) Biology 221 (4) Psychology 201 (3) Religion 112 (3) Speech 210 (3) Physical Education (1)	(Total 17)
Second Semester	Elective (3) Biology 222 (4) Sociology 205 (3) History 101 (3) Biology 341 (4) Physical Education (1)	(Total 18)

*The program listed includes most of the requirements for entrance into many Dental Hygiene schools. Specific schools may, however, have different admission requirements. Therefore, students enrolling in the above program at Chowan College should review with their advisor the requirements of the particular school to which they wish to transfer. This program, with the advisor's approval, may be altered to fit the needs of the particular student.

PRE-MEDICAL TECHNOLOGY
(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3) Chemistry 101 (4) Biology 101 (4) Math 133 (3) College 101 (2)(optional) Computer Awareness 101 (2) (Total 16–18)
Second Semester	English 101 (3) Chemistry 102 (4) Biology 102 (4) Math 205 (3) Religion 111 (3) Physical Education (1) (Total 18)
Second Year, First Semester	Chemistry 275 (4) Psychology 201 (3) Biology 221 (4) Religion 112 (3) Elective (3) Physical Education (1) (Total 18)
Second Semester	Biology 341 (4) Sociology 205 (3) Biology 222 (4) Chemistry 276 (4) Speech 210 or 211 (3) (Total 18)

*All colleges and universities do not have the same requirements. It is therefore advisable that students entering this program decide early the college they wish to attend so that adjustments in the above curriculum can be made to meet the requirements of the institution.

PRE-NURSING
(Requirements for the Associate Degree)

First Year, First Semester	English 101 (3) Biology 101 (4) College 101 (2)(optional)
----------------------------	---

	Math 133 (3)	
	Chemistry 101 (4)	
	Computer Awareness 101 (2)	(Total 16–18)
Second Semester	English 102 (3)

ACCOUNTING

(Requirements for the Associate Degree)

The Accounting curriculum is designed for students who desire careers in accounting or accounting related occupations. The associate degree prepares students for the positions of bookkeeper, payroll clerk, accounts receivable clerk, accounts payable clerk, tax returns preparer, accountant for small businesses, and paraprofessional position in CPA firm.

First Year, First Semester	English 101 (3) Religion 111 (3) *Mathematics (3) Accounting 141 (4) Elective (2-3) College 101 (2) (Total 17-18)
Second Semester	English 102 (3) Religion 112 (3) *Mathematics (3) Accounting 142 (4) Computer Awareness 101 (2) Physical Education (1) (Total 16)

Second Year, First Semester	English 201, 202, 203, 204, 205, or 206 (3)	
	Accounting 240 (3)	
	Economics 251 or 252 (3)	
	Business Law 281 (3)	
	CIS 171 (3)	
	Physical Education (1)	(Total 16)

Second Semester	CIS 262, Psychology 201,	
	or approved Elective (3)	
	Speech 210 or 211 (3)	
	Accounting 243 (3)	
	Economics 251 or 252 (3)	
	Elective (3)	(Total 15)

*Complete these hours of mathematics as approved by advisor.

COMPUTER INFORMATION SYSTEMS

(Requirements for the Associate Degree)

The curriculum in Computer Information Systems is designed to prepare students for positions in which they will function as microcomputer specialists.

First Year, First Semester	English 101 (3)	
	Religion 111 (3)	
	Computer Awareness 101 (2)	
	Mathematics 133 (3)	
	Accounting 141 (4)	
	College 101 or Elective(2)	(Total 17)

Second Semester	English 102 (3)	
	Economics 251 or 252 (3)	
	CIS 171 (3)	
	Accounting 142 (4)	
	CIS 261 (2)	(Total 15)

Second Year, First Semester	English 201, 202, 203, 204, 205, or 206 (3)	
	Religion 112 (3)	
	CIS 262 (3)	
	CIS 272 (3)	
	Elective (3)	
	Physical Education (1)	(Total 16)

100—Associate Degree Curricula

Second Semester	Speech 210 or 211 (3) CIS 273 (3) Economics 251 or 252 (3) Elective (6) Physical Education (1)	(Total 16)
-----------------	--	------------

MERCHANDISE MANAGEMENT

(Requirements for the Associate Degree)

The curriculum in Merchandise Management is designed to prepare students for entry-level positions in the retail industry.

First Year, First Semester	English 101 (3) Religion 111 (3) Retail Merchandising 151 (3) Selling 153 (3) College 101 or Elective (2) Elective (2-3) Physical Education (1)	(Total 17-18)
Second Semester	English 102 (3) Religion 112 (3) Math of Finance 161 (3) Advertising and Sales Promotion 253(3) Economics 251 or 252 (3) Computer Awareness 101 (2)	(Total 17)
Second Year, First Semester	Visual Merchandising 255 (3) Speech 210 or 211 (3) CIS 171 (3) Accounting 141 (4) Economics 251 or 252 (3) Professional Development 100 (2)	(Total 18)
Second Semester	English 201, 202, 203, 204, 205, or 206 (3) Psychology 201, Business Law 281, History 101, or Elective (3) CIS 262 or Accounting 142 (3-4) Physical Education (1) Electives (6)	(Total 16 or 17)

PRINTING TECHNOLOGY & IMAGING TECHNOLOGY

(Requirements for the Associate Degree)

First Year, First Semester	College 101 (2) Graphic Arts I 101 (4) Imaging Technology I 111 (4) Religion 111 (3) English 101 (3)	(Total 16)
Second Semester	Religion 112(3) Graphic Arts II 121 (4) English 102 (3) Computer Awareness 101 (2) Keyboarding or Elective (2 or 3) Physical Education (1)	(Total 15 or 16)
	Summer Internship (Optional) (3)	
Second Year, First Semester	Specialty Printing 131 (4) Imaging Technology II 213 (4) Social Science Elective (3) Mathematics (3) Elective (3)	(Total 17)
Second Semester	Technical Photography 223 (4) Printing Applications I 233 (4) Business Law 281 (3) Speech 210 or 211 (3) Physical Education (1) Elective (3)	(Total 18)

COURSES OF INSTRUCTION

Chowan College reserves the right to change its course offerings upon proper notice.

Department of Business

Mrs. Dorothy A. Wallace

Chairperson

ACCT 141 Principles of Accounting I4 cr. hrs

A first course in accounting principles and procedures. Emphasis is on analyzing, recording, and reporting business transactions for proprietorships. Topics studied include special books of original entry, working papers, financial statements, selected asset and liability accounts, and accounting applications. Six hours per week.

ACCT 142 Principles of Accounting II.....4 cr. hrs.

Accounting 142 is a continuation of ACCT 141. Emphasis is on the accounts of partnerships and corporations, internal and external reports, manufacturing operations, managerial accounting topics, and the decision-making process. Six hours per week. Prerequisite: ACCT 141 or equivalent.

ACCT 240 Cost and Management Accounting3 cr. hrs

An intermediate course in accounting in preparation, analysis, and interpretation of accounting and financial data for decision making. Prerequisite: ACCT 142. Offered only in the fall semester.

ACCT 243 Income Tax Accounting3 cr. hrs.

An introduction to taxation with emphasis on income concepts, tax accounting methods, exclusions, deductions, credits, prepayments, business income, capital gains and losses, and the tax planning process. Prerequisite: ACCT 142. Offered only in the spring semester.

ACCT 341 Intermediate Accounting I.....3 cr. hrs.

An overview of accounting and its theoretical foundation. Emphasis is placed on financial statements and various asset accounts. Accounting applications to monetary valuations are studied. Three class hours per week plus additional sessions for tests. Prerequisite: ACCT 142 with a grade of C or better. Offered only in the fall semester.

ACCT 342 Intermediate Accounting II3 cr. hrs.

Continuation of ACCT 341 with an emphasis on valuation issues related to liabilities and owners' equity, special problems in income determination and reporting, and financial reporting and analysis. Three

104—*Courses of Instruction*

class hours per week plus additional sessions for tests. Prerequisite: ACCT 341 with a grade of C or better. Offered only in the spring semester.

ACCT 399-499 Independent Study in Accounting1-2 cr. hrs.

An individual problem course designed to give the interested student additional experience in an accounting-related project. Each student will work under the direction of a faculty member on some project of mutual interest. At the end of the semester a report on the project will be submitted to the Department of Business faculty. Prerequisite: ACCT 142 with a grade of C or better.

ACCT 441 Advanced Accounting3 cr. hrs.

The application of financial accounting principles and procedures to the accounting for business combinations and partnerships. This is a problems course and is essential for those students who desire to take one or more professional accounting examinations. Three class hours per week plus additional sessions for tests. Prerequisite: ACCT 342 with a grade of C or better. Offered only in the fall semester.

ACCT 442 Auditing3 cr. hrs.

A conceptual approach to auditing principles and procedures in the preparation of audit reports. Professional standards and ethics are emphasized. This is generally a required course for most professional examinations in the accounting area. Three class hours per week plus additional sessions for tests. Prerequisite: ACCT 342 with a grade of C or better. Offered only in the spring semester.

BUS 100 Professional Development2 cr. hrs.

A course designed to aid the career-minded individual to realize his or her potential in the areas of grooming, personality, public speaking, leadership, selling, and social and professional development.

BUS 101 Keyboarding for Information Processing2 cr. hrs.

Designed to teach basic touch keyboarding skills to students entering a variety of fields. Course will be taught on a concentrated basis five hours per week for seven weeks. Offered only in the spring semester.

BUS 110 Introduction to Business3 cr. hrs.

A comprehensive introductory look at the business world. Includes topics related to the business environment, organization, management, finance, accounting, risk management, social responsibility of business, international business, and career opportunities in business. Integrates writing, presentation, and word processing techniques.

- BUS 151 Retail Merchandising.....3 cr. hrs.**
Principles and practices in retail store ownership and management: buying, receiving, pricing, and selling; sales campaigns; inventory and stock control; customer relations; and personnel management. Offered only in the fall semester.
- BUS 153 Selling3 cr. hrs.**
A study of the fundamental principles of selling and an analysis of the product and the market. Other topics include career development, consumer behavior, ethics, and communication styles and skills. Offered only in the fall semester.
- BUS 161 Mathematics of Finance.....3 cr. hrs.**
A study of mathematics for business. Topics include accounting mathematics, simple interest, bank discount, multiple payment plans, compound interest, present value, annuities, sinking funds, and amortization. NOTE: Students who have completed ACCT 141 and 142 may not take this course for credit. Offered only in the spring semester.
- BUS 251 Principles of Macroeconomics3 cr. hrs.**
An introduction to the principles of macroeconomics essential to an understanding of fundamental economic problems and the policy alternatives society may utilize to contend with these problems.
- BUS 252 Principles of Microeconomics3 cr. hrs.**
An introduction to the principles of economics in which specific economic units are examined and a detailed consideration of the behavior of these individual units is made.
- BUS 253 Advertising and Sales Promotion.....3 cr. hrs.**
An introduction to the principles and techniques surrounding advertising and sales promotion activities in business. Emphasis is placed on the use of advertising and sales promotion in the retail industry. Preparation of advertising copy, layout, types of media and promotional techniques are discussed. Career opportunities in advertising and sales promotion are explored. Offered only in the spring semester.
- BUS 255 Visual Merchandising.....3 cr. hrs.**
A course in techniques and theory of display as they relate to retail establishments. Classroom displays, display construction, and the use of display equipment are studied, emphasized, and practiced. Offered only in the fall semester.
- BUS 281 Business Law I.....3 cr. hrs.**
A concentrated study of the laws and regulations that guide and protect business activities. Topics include the U.S. legal system and public poli-

cy formulation, the American philosophy of law, contracts, sales and product liability, debtor-creditor relationships, and government regulation of business. Prerequisite: Sophomore standing.

BUS 301 Principles of Finance.....3 cr. hrs.

An introductory course dealing with the principles and practices of financial management within a business firm. Topics covered include financial statement analysis, capital structure, capital budgeting, working capital requirements, acquisition of funds, and an overview of capital markets. Prerequisite: ACCT 142, BUS 251 or 252, and junior standing. Offered only in the fall semester.

BUS 324 Business Communications.....3 cr. hrs.

A course to develop skill in the techniques of writing business communications. Emphasis is on the basic principles and procedures of creating and analyzing formal business reports and letters. Presentations and group decision-making exercises are used to develop skill in oral communications. The nature and problem of individual, interpersonal, and organizational communications in business are studied. Prerequisite: Junior standing. Offered only in the spring semester.

BUS 351 Money and Banking.....3 cr. hrs.

The functions of money and the relation of money and credit to prices, bank deposits, and general economic activity. The operation of the U.S. commercial and central banking systems, including monetary theory and policy. Prerequisites: BUS 251 and BUS 252. Offered only in the fall semester.

BUS 352 Managerial Economics.....3 cr. hrs.

Application of economic theory and methodology to business and management decision making, using economic analysis to analyze and solve managerial problems. Prerequisites: BUS 251, 252, and Math 205. Offered only in the spring semester of odd-numbered years.

BUS 361 Management3 cr. hrs.

An analysis of underlying theory and principles of business organization and management. Administrative functions of planning, organizing, directing, and controlling organizational activity are studied with the practical application of theory to actual business situations. Prerequisite: Junior standing or permission of instructor.

BUS 362 Marketing.....3 cr. hrs.

A study of the production, distribution, and sale of goods and services to the ultimate consumer and industrial user. Market segmentation, pricing strategy, product planning, consumer behavior, and communication and advertising are emphasized as tools of the marketing func-

tion. Prerequisite: Junior standing or permission of instructor.

BUS 380 Human Resources Management.....3 cr. hrs.

Principles and practices involved in the management of an effective work force. Includes policies, procedures, and techniques utilized in the procurement and management of personnel. Emphasis is placed on the legal framework for personnel management. Prerequisite: BUS 361 and junior standing. Offered only in the spring semester.

BUS 382 Business Law II3 cr. hrs.

A continuation of Business Law I. Study of law pertaining to debtor-creditor relations, agency, business organizations, government regulations, property protection, and the emerging national and international business environment. Prerequisite: BUS 281. Offered only in the spring semester.

BUS 390 Risk and Insurance3 cr. hrs.

A study of risk and insurance as applied to the handling of perils and hazards. Topics include various fields of insurance such as fire, property, casualty, auto, fidelity, life, and social insurance. Prerequisites: BUS 382 and junior standing

BUS 409 Principles of Real Estate.....3 cr. hrs.

A basic course surveying real estate principles and practices that are involved in the ownership and transfer of real property. Covers topics such as contracts, deeds, liens, leases, title search, insurance, financing, appraisal, law, property management, etc. Prerequisite: BUS 382 and junior standing.

BUS 425 Entrepreneurship3 cr. hrs.

A study of how to start a new enterprise and an examination of the requirements for its successful operation. The course focuses on the unique properties associated with planning, organizing, initiating, and managing an innovative venture. Prerequisites: ACCT 142, BUS 301, BUS 361, BUS 362. Offered only in the fall semester.

BUS 451 International Economics.....3 cr. hrs.

A course examining the application of economic theory to various contemporary international economic issues. Course content is divided into international trade theory and issues, such as comparative advantage and industry protectionism, and international finance theory and problems, such as the forces behind foreign exchange markets and the U.S. trade deficit. A succinct presentation of basic economic concepts is combined with pertinent readings on current problems. Prerequisites: BUS 251 and 252. Offered in the spring semester of even-numbered years.

108—Courses of Instruction

BUS 499 Business Internship.....3 cr. hrs.

Faculty-directed, supervised business-related employment experience in an off-campus work situation or voluntary service activity. Available to seniors in the major who are recommended by the Department of Business faculty and approved by the department Chair prior to enrollment in the course. Regular conferences are held with a designated faculty coordinator, and periodic written reports are required.

CIS 101 Computer Awareness.....2 cr. hrs.

An introduction to computers for all students. The student will learn the basic concepts of computer application software (word processing, spreadsheets, and database management), the basic concepts of computer hardware, and the social and cultural implications of computer technology. One hour lecture; 2 hours laboratory.

CIS 171 Introduction to Information Systems.....3 cr. hrs.

A survey of the need for information processing, the basic information processing cycle and functions, and the processing capabilities of computers and systems development. Key application areas are examined. Three hours lecture. Prerequisite: CIS 101 or permission of the instructor.

CIS 261 Microcomputer Operating Systems.....2 cr. hrs.

A study about and lab application of the operating systems functions and commands that are valuable or necessary in a microcomputer operating system. Graphical user interfaces will be introduced. Three hours lecture/laboratory. Prerequisite: CIS 171. Offered only in the spring semester.

CIS 262 Computer Applications.....3 cr. hrs.

A hands-on microcomputer course providing realistic practice using intermediate and advanced features of spreadsheet and wordprocessing programs using Lotus 1-2-3 for Windows and WordPerfect. Emphasis is on problem solving. Three hours lecture; three hours laboratory. Prerequisite: CIS 101 and CIS 171..

CIS 272 Program Design and Development.....3 cr. hrs.

A language-independent introductory course on computer program design and development. Emphasis will be on business problem identification and solution through systems of computer programs. Programs will be described and designed through such tools as structure charts, flow charts, and pseudo code. A selected programming language will be used in writing programs. Three hours lecture; three hours laboratory. Prerequisite: CIS 101 and 171. Offered only in the fall semester.

CIS 273 Programming Language.....3 cr. hrs.

A fundamental course in programming using the COBOL language. Skills to be mastered include file processing (sequential, indexed, and direct), report generation, array processing, and documentation of programs for maintainability. Three hours lecture; three hours laboratory. Prerequisite: CIS 272. Offered only the spring semester.

CIS 361 Local Area Networks.....2 cr. hrs.

A course designed to teach fundamental proficiency in the use of a network operating system. The focus is on understanding LOGIN and LOGOUT procedures, server access utilities, managing files, directory structure and maintenance, drive mappings, network security, printing and LOGIN scripts. Prerequisite: CIS 261 and 262. Three hours lecture/laboratory. Offered only in the fall semester of even-numbered years.

CIS 381 Database Fundamentals and Design.....3 cr. hrs.

A first course in database fundamentals and design. Emphasis is on the stages of the systems development life cycle. Students learn and practice data modeling using the entity relationship and semantic object models. Database designs are developed, evaluated, and implemented. Other topics include: designing an application, using SQL language, and understanding multi-user database processing on LANs with responsibilities of data and database administration. Three hours lecture. Prerequisites: CIS 262 and 272 or permission from instructor. Offered only in the fall semester.

CIS 382 Database Design and Implementation.....3 cr. hrs.

A course focusing on the design and implementation of a relational database and its application. A relational DBMS product is used to build a relational database and a database application complete with menus, forms, and reports. The DBMS programming language is used to implement the application. Three hours lecture; three hours laboratory. Prerequisite: CIS 381. Offered only in the spring semester.

CIS 391 Management Information Systems.....3 cr. hrs.

A systematic approach to the study of business organizations and the establishment of criteria for computer-based information systems for management planning and control in various types of business environments. Prerequisites: BUS 361 and CIS 262. Offered only in the spring semester.

CIS 476 Systems Analysis and Design.....3 cr. hrs.

The study of a structured and orderly process for identifying and solving problems, with a particular emphasis on computer information systems designed to meet the needs of business and industry for increased productivity. Applies traditional and emerging development and

110—Courses of Instruction

design methodologies. Prerequisites: CIS 273 and CIS 382. Offered only in the fall semester.

CIS 478 Advanced Computer Applications.....3 cr. hrs.

A project-driven approach to solving problems from a business application perspective. Course involves applying project management and information systems methodologies in a group project setting. Systems Life Cycle phases of definition, analysis, design, development, and implementation will be completed. Systems documentation throughout project development is required. Prerequisites: CIS 391 and CIS 476. Offered only in the spring semester.

CIS 389-489 Independent Study in Computer Information Systems

.....1-2 cr. hrs.

An individual problem course designed to give the advanced student additional experience in the design and development of a computer-related project. The student works under the direction of a CIS faculty member in designing and completing the project. Regular conferences with the supervising faculty member are required. At the conclusion of the project, a written report is presented to the supervisor, and an oral report is made to the Department of Business faculty.

Department of Education

Dr. Charles P. Bentley

Chairperson

EDUC 201 Introduction to Teaching.....3 cr. hrs.

A course designed to introduce students to the teaching profession. Topics include current educational trends and problems, school organization and governance, legal issues, areas of greatest need for teachers, requirements for admission to Teacher Education, etc. Includes extensive field-based observations. Prerequisite: Sophomore status or above

EDUC 301 Introduction to Special Education.....3 cr. hrs.

A survey course designed to give prospective classroom teachers a basic understanding of all types of exceptionalities; opportunities will be provided through the field work component of this course to observe children with exceptionalities in regular classroom situations as well as in self-contained rooms. Prerequisite: EDUC 201

EDUC 303 Analysis of Research in Teaching.....3 cr. hrs.

A course that requires students to examine curriculum and teaching methods which are research-based. Major emphasis will be placed on research-based practices that improve student outcomes and enhance classroom management. Cooperative learning, outcome-based education, effective teaching, learning styles, and other components of effective

tive schools research will be included in this course. Prerequisite: EDUC 201

EDUC 305 Children's Literature3 cr. hrs.
A study of types of reading material for elementary students.

EDUC 307 Teaching Reading in the Elementary School.....3 cr. hrs.

A study of the basic processes by which children learn to read. Factors such as readiness, vocabulary development, word attack and other initial skills will be emphasized. Students will examine various research studies on a variety of approaches to teaching reading, including phonics and whole language. Field-based observations and practice will be included in this course. Prerequisite: EDUC201; Admission to Teacher Education

EDUC 320 Foundations of American Education3 cr. hrs.

A study of the social, political, historical, and philosophical foundations of American education. Students will analyze today's educational practices and determine why and how these practices emerged. Students will begin to develop their own vision for educational practices based upon their study of the historical and philosophical foundations of American education. Prerequisite: EDUC 201; Admission to Teacher Education (Spring semester).

EDUC 330 **Methods and Materials for Teaching Fine Arts**
in the Elementary School3 cr. hrs.

An integrated course designed to meet the competencies for elementary classroom teachers in visual art, music and drama. Methods for teaching these skills to elementary students will be emphasized in this course. Includes field-based observations. Prerequisite: EDUC 201; Admission to Teacher Education (Spring semester)

EDUC 371 Media and Technology3 cr. hrs.

A course designed to give students the skills needed to use computers and other audio visual materials in classroom settings. Emphasis will be placed on selecting appropriate computer software and other learning media. Prerequisite: EDUC 201; Admission to Teacher Education (Spring semester)

EDUC 403 Classroom Management2 cr. hrs.

A study of practices and techniques of developing and maintaining a positive classroom environment. Emphasis will be placed on student motivation, research-based programs on classroom management, student-teacher interaction, etc. Offered as a part of the student-teaching block in spring semester only. Prerequisite: Admission to student teaching program

EDUC 410 Reading in the Content Areas.....2 cr. hrs.

A course required for all students seeking middle school or secondary certification. A variety of strategies and resources designed to help students effectively read textbooks and other technical materials will be included. Prerequisite: EDUC 201; Admission to Teacher Education

EDUC 411 Early Childhood Learning Environments.....6 cr. hrs.

A non-licensure class which includes a study of theory, developmentally appropriate techniques, and resource materials for use in pre-kindergarten and kindergarten classrooms. Emphasis will be placed upon ensuring that students understand the competencies necessary for acquisition by students at the pre-kindergarten and kindergarten levels. Extensive observations in early childhood settings are included in the course. Prerequisites: Senior status and completion of Education 201, 301, 305, 307, 320, 330, 371, and 403; primarily for students enrolled in the B.A.S. program. Offered only in the fall semester.

EDUC 415 Internship in Early Childhood Education6 cr. hrs.

This is a 180 clock-hour internship designed for students enrolled in the Bachelor of Applied Science in Education degree program. This is a "hands-on" learning experience in early childhood education. Students will be assigned to work with experienced kindergarten, pre-kindergarten, and/or day-care teachers and supervised by a college instructor and the cooperating teacher. Prerequisite: Senior status, and enrollment in the B.A.S. in Education.

EDUC 416 Seminar in Early Childhood Education2 cr. hrs.

Scheduled seminars during the period of the 180 hour field internship conducted by college supervisors. Emphasis will be placed upon the creation and use of current developmentally appropriate practices in early childhood programs, student management techniques, and the responsibilities required of adults who work with young children. Prerequisite: Senior status and enrollment in Education 415.

EDUC 420 Directed Student Teaching9 cr. hrs.

A planned student teaching experience of twelve (12) full weeks at the appropriate grade level or specific discipline area in which the student is seeking teacher certification. Students are given opportunities to become acquainted with all types of teaching duties and to observe the methods and techniques employed by experienced teachers. Students gradually assume full-time teaching responsibilities. Periodic conferences with the college supervisor and the classroom cooperating teacher are included. Prerequisite: Approval by Teacher Education Committee (Spring semester—beginning spring 1994)

EDUC 421 Seminar in Student Teaching.....1 cr. hrs.

Scheduled seminars during the period of student teaching conducted by college supervisors. Emphasis is placed on current developments in school law, student management, decision-making skills, teacher certification, and lesson plans. Prerequisite: Admission to Student Teaching

EDUC 431 Methods and Materials for Teaching

High School English.....3 cr. hrs.

A study of teaching techniques and resource materials for teaching English in secondary schools. Emphasis will be placed on ensuring that students understand the competencies high school students need to acquire in their English courses. Teaching reading, literature, grammar, speech and written expression will be included. Includes extensive field-based work. Prerequisite: Admission to Teacher Education Department (Fall semester)

EDUC 441 Methods and Materials for Teaching

High School Science.....3 cr. hrs.

A study of teaching techniques and resource materials for teaching science in the secondary schools. Emphasis will be placed on ensuring that students understand the competencies high school students are expected to acquire in their science courses. Includes extensive field-based work. Prerequisite: Admission to Teacher Education Department (Fall semester)

EDUC 451 Methods and Materials for Teaching

High School Math3 cr. hrs.

A study of teaching techniques and resource materials for teaching math in the secondary schools. Emphasis will be placed on ensuring that students understand the competencies high school students are expected to acquire. Includes extensive field-based work. Prerequisite: Admission to Teacher Education Department.

EDUC 461 Integrating the Elementary Curriculum.....9 cr. hrs.

An extended block of nine hours designed to give prospective elementary teachers the knowledge and skills needed to teach the elementary core subjects of communication skills, social studies, math, and science in an integrated fashion. This course will be taught by a team of regular college professors and selected elementary classroom teachers. Extensive observations in the public schools will be included. Offered fall semester only. Prerequisites: All courses needed for certification other than EDUC 401, 403, 420, and 421.

EDUC 471 Methods and Materials for

Teaching High School Social Studies3 cr. hrs.

A study of teaching techniques and resource materials for teaching

social studies in secondary schools. Emphasis will be placed on ensuring that students understand the competencies high school students are expected to acquire in their social studies courses. Teaching strategies unique to the field of social studies will be emphasized. Includes extensive field-based work. Prerequisite: Admission to Teacher Education Program.

Department of Fine Arts

Dr. James M. Chamblee

Chairperson

DIVISION OF VISUAL ART

Ms. Christina Rupsch, *Head*

- ART 101 Fundamentals of Drawing3 cr. hrs.**
Instruction and practice in the basic skills and techniques of drawing and composition. Media such as pencil, charcoal, and ink are explored. A terminology unique to art is used in an active dialogue both individually and as a group activity.
- ART 102 Figure Drawing3 cr. hrs.**
An introduction to rendering and understanding the human figure with various media.
- ART 131 3-D Design.....3 cr. hrs.**
A study of the principles of design in the third dimension.
- ART 151 Ceramics.....3 cr. hrs.**
An introduction to the fundamental processes of pottery making. Basic construction techniques in hand building and wheel throwing; glazing and firing procedures are covered.
- ART 161 Art Appreciation3 cr. hrs.**
A selective study of the major periods in the history of art. Emphasis is placed on helping the student to recognize and understand the major objectives and techniques which are characteristic of periods and outstanding artists and their influence on current trends and developments in art. Supplemented by color slides and individual research.
- ART 171 Basic Design.....3 cr. hrs.**
Provides the basic structure for all future 2D art disciplines. Explores a broad range of mechanical and intellectual concerns through two dimensional projects.
- ART 172 Color Theory.....3 cr. hrs.**
Investigation of color theory and elements and interaction of color as

applied in pigment and light. Explores a broad range of mechanical and intellectual concerns through color designs.

ART 201 Advanced Drawing.....3 cr. hrs.

Drawing with an emphasis on observation and imaginative compositions, manipulation of mixed media, working mainly from life. Slide presentation of student work required at end of semester.

Prerequisites: Art 101, 102, 171, 172 or permission of instructor.

ART 241 Painting I.....3 cr. hrs.

Instruction and practice in the basic media and techniques of watercolor. Emphasis is placed on composition and color usage. Critical awareness is developed with periodic critiques. This is an above freshman level course. Prerequisites: ART 101, 102, 171, or permission of instructor

ART 242 Painting II.....3 cr. hrs.

Instruction and practice in the basic media and techniques of oil painting. Emphasis is placed on composition and color usage. Critical awareness is developed with periodic critiques. Slide presentation of student work required at end of semester. This is an above freshman level course. Prerequisite: Art 101, 102, 171, 172 or permission of instructor.

ART 261 Introduction to Graphic Design3 cr. hrs.

An introduction to layout and design methods with an emphasis on skills development. Prerequisites: ART 101, 102, 171, 172, 181, or permission of instructor

ART 291 Printmaking I.....3 cr. hrs.

Introduction to various printmaking processes. Emphasis is on tools, materials, and techniques.

ART 292 Printmaking II.....3 cr. hrs.

The fundamentals of silkscreening, stencils, printing inks and paper are studied.

Art 311 Art History.....3 cr. hrs.

Painting, sculpture, architecture and other art forms are traced from Prehistoric Age through the Renaissance. Augmented by color slides, research projects, seminars, and museum tours. Prerequisites: ART 161

ART 312 Art History.....3 cr. hrs.

Painting, sculpture, architecture and other art forms are traced from the Renaissance through modern day. Augmented by color slides, research projects, seminars, and museum tours. Prerequisites: ART 161

- ART 321 Art for the Elementary School.....3 cr. hrs.**
 Methods, materials, and techniques for teaching art education on the elementary level. Emphasis on teaching and learning process, curricula development and evaluation procedures for the K-6 level. Field work experience required during the course. Prerequisite: Acceptance to Teacher Education Program
- ART 322 Art for the Secondary School3 cr. hrs.**
 Methods, materials, and techniques for teaching art education on the middle and high school level. Emphasis on teaching and learning process, curricula development and evaluation procedure for the 7–12 level. Field work experience required during the course. Prerequisite: Acceptance to Teacher Education Program
- ART 341 Painting III3 cr. hrs.**
 Advanced painting with emphasis on experimentation, creativity, and exploration of the media. Critical awareness continues to be developed through periodic critiques. Slide presentation of student work at end of semester is required. Prerequisites: Art 241 or 242, or permission of instructor.
- ART 342 Painting IV3 cr. hrs.**
 Advanced painting with emphasis on experimentation, creativity, and exploration of the media. Critical awareness continues to be developed through periodic critiques. Media concentration to be determined by conference between student and instructor. Prerequisites: ART 241 (or 242), or permission of instructor
- ART 351 Ceramics II3 cr. hrs.**
 A concentration of potter's wheel projects with an emphasis on functional pieces, glazing, firing, craftsmanship and aesthetics. Prerequisite: ART 151 or permission of instructor
- ART 352 Ceramics III.....3 cr. hrs.**
 A continuation of wheel techniques, on an advanced level, where more challenging and ambitious projects are required. Prerequisite: ART 351
- ART 361 Graphic Design II.....3 cr. hrs.**
 Problem solving in layout and design involving the analysis and creation of ads with an emphasis on magazine formats. Prerequisite: ART 261
- ART 362 Graphic Design III.....3 cr. hrs.**
 Emphasis on the creation of ads for various mass media other than magazines. Prerequisite: ART 361
- ART 371 Illustration I3 cr. hrs.**

Intermediate drawing problems in illustration exploring various line drawing techniques and computer graphics. Prerequisites: ART 201

ART 372 Illustration II.....3 cr. hrs.

Advanced illustration as a communicative medium with an emphasis on media and technique. Prerequisite: ART 371

ART 385 Independent Study.....1–3 cr. hrs. each

A special projects course designed by the student in conjunction with a member of the art faculty who will direct and supervise the project

ART 391 Printmaking III.....3 cr. hrs.

Advanced intaglio techniques are explored with the emphasis on developing a series of color images. Prerequisite: ART 291

ART 392 Printmaking IV.....3 cr. hrs.

A course in fine art plate lithography. The preparation, process and printing associated with black and white editions will be explored. Prerequisite: ART 291 or permission of instructor

ART 411 Readings in Fine Arts3 cr. hrs.

The art movements of the 20th century will be studied as they reflect the social/political movements of the same period. Course consists of lectures, discussions of assigned readings, specific films, paintings, sculpture, architecture and other media. A presentation based on the student's research project is required at end of semester. Prerequisites: Art 311, 312.

ART 412 Visual and Verbal Metaphor.....3 cr. hrs.

Interdisciplinary approach to studio and liberal arts which addresses various critical methods including psychological, sociological and post modernist. Literature, journals, aesthetic philosophy, book arts and criticism may be addressed.

ART 413 Intermedia3 cr. hrs.

Investigation into the interaction of 2d and 3d media with computer imaging, videography, and performance art.

ART 441 Painting V.....3 cr. hrs

Advanced painting course with emphasis on experimentation, creativity, and exploration of the media. Media concentration to be determined by conference between student and instructor. Prerequisites: ART 241 or 242, 341 or 342, or permission of instructor.

ART 451 Ceramics IV.....3 cr. hrs.

A combination of hand built and wheel thrown products are required

118—*Courses of Instruction*

with an emphasis on craftsmanship and aesthetics. Also, a concentrated emphasis is placed on glaze calculation and clay body formulation. Prerequisite: ART 352

- ART 452 Ceramics V3 cr. hrs.**
A continuation of technique on an advanced level, problem solving, aesthetics, and firing procedures. Prerequisite: ART 451
- ART 461 Graphic Design IV.....3 cr. hrs.**
A course oriented toward the creation of more complete and “long term” advertising designs. Prerequisite: Art 362
- ART 465 Internship3 cr. hrs.**
A course that allows a student to receive credit for work experience gained in an art related area. This experience may be gained on a full or part-time basis, during the academic year and/or summer vacation. Length of employment may vary, but, for credit, the student must work at least 8 weeks full time or 12 weeks part-time. Should a circumstance arise where full and part-time employment becomes necessary, one (1) full time week will equal one and one-half (1½) part-time week and vice versa. An internship manual must be completed. See advisor for manual.
- ART 471 Illustration II.....3 cr. hrs.**
Advanced illustration as a communicative vehicle. Prerequisite: ART 372
- ART 485 Independent Study.....1–3 cr. hrs.**
A special projects course designed by the student in conjunction with a member of the art faculty who will direct and supervise the project.
- ART 491 Printmaking V3 cr. hrs.**
Large scale traditional relief printing, as well as non-traditional relief media will be explored. Prerequisite: ART 291 or permission of instructor
- ART 499 Senior Exhibition.....3 cr. hrs.**
Each senior majoring in studio art is responsible for a special exhibition of his/her work. This includes the promotion and installation of finished works ready for display.

DIVISION OF MUSIC
Dr. James M. Chamblee, *Head*

Music Laboratories:

- MUSI 100 A/B;**
200 A/B;
300 A/B;
400 A/B Applied Music Lab.....0 cr. hrs.

A weekly performance workshop or recital. Required of all students taking applied music. One laboratory hour per week.

MUSI 101-102 Beginning Music Theory I and II Labs.....1 cr. hr.

Introductory courses in the terminology of music, music notation, rhythm, intervals and scales. Includes practice in ear training, sight-singing and music dictation. Required of all music majors. Two laboratory hours per week. Co-requisites: MUSI 151-152

MUSI 201-202 Advanced Music Theory III and IV Labs.....1 cr. hr.

Continuation of Music 101-102, with work in clef-reading, rhythms, intervals, chords and melodies utilizing exercises from musical literature. Required of all music majors. Two laboratory hours per week. Prerequisite: MUSI 101-102; Co-requisites: MUSI 251-252

Music Theory:

MUSI 141 Introduction to Conducting and Arranging2 cr. hrs.

An introduction to the techniques and gestures used in conducting instrumental and choral ensembles as well as the basic techniques of arranging music for various instrumental and vocal ensembles.

MUSI 151-152 Beginning Harmony I and II.....3 cr. hrs.

A beginning course in the elements of musical composition, including triads, inversions, seventh chords, non-harmonic tones, elementary modulation, keyboard harmony and short composition. Required of all music majors. Co-requisites: MUSI 101-102

MUSI 251-252 Advanced Harmony III and IV3 cr. hrs.

A continuation of Music 151-152, including chromatic harmony, advanced modulation, advanced keyboard harmony and larger compositions. Required of all music majors. Prerequisites: MUSI 151-152; Co-requisites: MUSI 201-202

Music Literature:

MUSI 161 Music Appreciation3 cr. hrs.

An introduction to musical understanding, emphasizing elements, styles and forms. Integrated with the other arts and the humanities in general. Lectures, listening and concerts.

MUSI 171 Introduction to Music Literature2 cr. hrs.

A course designed to acquaint the music major with representative examples of the types, forms and styles of music from the tradition of Western Civilization. Emphasis is placed on good listening habits. Lectures, listening and concerts. Required of all music majors. Non-music majors may elect the course with the permission of the instructor, however, this course will not satisfy the Core Curriculum fine arts

requirement.

MUSI 371 Music History I.....3 cr. hrs.

A study of the historical development of music in Western Civilization from antiquity to the time of Bach and Handel. Listening, concert attendance and research are required. Required of all students enrolled in a baccalaureate music program. Prerequisite: MUSI 171 or MUSI 161 and the permission of the instructor

MUSI 372 Music History II.....3 cr. hrs.

A study of the historical development of music in Western Civilization from the period after Bach and Handel to modern times. Listening, concert attendance and research are required. Required of all students enrolled in a baccalaureate music program. Prerequisite: MUSI 171 or MUSI 161 and the permission of the instructor

Music Education:

MUSI 131 Vocal Methods1 cr. hr.

Introduction to the singing voice. Basic principles of breath control, diction and the proper vocal technique used in singing. Required of all Music Education majors who are not voice majors. Private study of voice as an applied course may be substituted for this course.

MUSI 231 Woodwind Methods (single reeds).....1 cr. hr.

A study of woodwind instruments to acquaint students with basic techniques and pedagogical principles.

MUSI 232 Woodwind Methods (double reeds).....1 cr. hr.

A study of woodwind instruments to acquaint students with basic techniques and pedagogical principles.

MUSI 331 String Methods.....1 cr. hr.

A study of orchestral non fretted stringed instruments to acquaint students with basic techniques and pedagogical principles.

MUSI 332 Brass Methods1 cr. hr.

A study of brass instruments to acquaint students with basic techniques and pedagogical principles.

**MUSI 341 Music Materials and Methods for the Elementary Grades
.....3 cr. hrs.**

A study of techniques and materials which would be incorporated in classroom music teaching in the elementary grades. Classroom techniques for general music in the middle grades will also be covered in this course. Students will study the historical perspective of music in the schools and explore philosophies and innovations which have changed

the practice of music teaching. Field-based work is included.

MUSI 342 Music Materials and Methods for the Secondary Grades
.....3 cr. hrs.

A study of techniques and materials which would be incorporated in instrumental, vocal, and general music classes at the secondary level. Students will study the psychological and philosophical trends which have affected the practice of Music Education in secondary schools. Field-based work is included.

MUSI 431 Percussion Methods.....1 cr. hr.

A study of tonal and untuned percussion instruments to acquaint students with basic techniques and pedagogical principles.

MUSI 441 Advanced Instrumental Conducting and Arranging3 cr. hrs.

Continuation of Music 141 with emphasis on instrumental music for concert band, marching band, stage band and other instrumental ensembles.

MUSI 442 Advanced Choral Conducting and Arranging2 cr. hrs.

Continuation of Music 141 with emphasis on choral music including music for mixed chorus, women's chorus, men's chorus, show choir, madrigal groups and other vocal ensembles.

Performing Ensembles:

MUSI 181-182;

281-282;

381-382;

481-482 College Band.....1 cr. hr.

Membership is open to all qualified instrumentalists on the campus. The group meets 3 hours per weeks. The level for which one will register will be sequential; i. e., the first semester a student participates for credit regardless of college enrollment status will be 181 and the second will be 182. The group will perform a variety of musical styles including Jazz, Concert literature, Church literature, and popular tunes.

MUSI 191-192;

291-292;

391-392;

491-492 College Chorus.....1 cr. hr.

Membership is open to any college student. Performances include fall, Christmas and spring concerts as well as other engagements on campus throughout the school year. Three rehearsal hours per week. The level at which a student registers for this course will be sequential; i. e., the first semester a student registers, no matter what the classification of the student, the course number will be 191. The Chorus will perform a variety

122—*Courses of Instruction*

of music ranging from works of the great masters of the past to contemporary pop, from sacred to secular, from serious to light hearted.

MUSI 193-194;

293-294;

393-394;

493-494 Chowan Singers1 cr. hr.

Membership selected by audition from the college Chorus. The Chowan Singers perform various off-campus engagements and take an extended tour in the spring. One extra rehearsal per week in addition to the regular College Chorus rehearsals. Membership is limited to 16 to 20 singers.

NOTE: Other performing ensembles (no credit) may be organized, from time to time, for student participation.

Applied Music:

The following courses in applied music are open to any student in the college. Work in applied music is regarded not merely as technical training in performance, but also as a study of the standard literature. Credit in applied music is given on the basis of (1) the stage of development and (2) the number of lessons per week.

All students taking applied music for credit are required to attend weekly student workshop-recitals and college sponsored concerts. A minor in piano is required of all music majors who do not elect piano as the major applied area of study or who do not possess a basic skill at the keyboard.

Applied Music for the Music Major (applied Minor area) or the Non-music major.

MUSI 111-112	First Year.....1 cr. hr. ea.
MUSI 211-212	Second Year.....1 cr. hr. ea.
MUSI 311-312	Third Year1 cr. hr. ea.
MUSI 411-412	Fourth Year.....1 cr. hr. ea.

For each of the above, one half-hour lesson per week and five practice hours per week.

Applied Music for the Music Major (applied Major area) or the Non- music major with permission of the instructor.

MUSI 121-122	First Year.....1 or 2 cr. hrs. ea.
MUSI 221-222	Second Year.....1 or 2 cr. hrs. ea.
MUSI 321-322	Third Year.....1 or 2 cr. hrs. ea.
MUSI 421-422	Fourth Year.....1 or 2 cr. hrs. ea.

For each of the above, one or two half-hour lessons and five or ten practice hours per week, respectively.

NOTE: The same course numbers are used for all instruments studied. The specific instrument is indicated by the following abbrevia-

tions placed after the course number:

A - Voice

B - Piano

C - Organ

D - Woodwind

E - Brass

F - Percussion

G - Strings

(Example—111A is First Year instruction in voice; 111B is First Year instruction in piano.)

Department of Printing Production and Imaging Technology

Mr. Tom Brennan

Chairperson

Printing Production & Imaging Technology Courses

PPIT 101 Graphic Arts I.....4 cr. hrs.

Exploration of the basic four printing processes, and the printing industry in general. Areas of study will include process differences, black & white photography, layout, desktop publishing, reproduction photography, image assembly, platemaking, presswork, and bindery. Also, an overview of career opportunities, field trips and problem solving skills.

PPIT 111 Imaging Technology I.....4 cr. hrs.

Basic orientation to the Macintosh computer. Areas of study will include how to operate the desktop, open applications, generate files and folders, file organization and management, and understand the operating system. Students will complete a series of projects primarily utilizing Pagemaker, word processing and data-base management. Prerequisite: PPIT 101 or consent of instructor

PPIT 121 Graphic Arts II4 cr. hrs.

Areas of study will build upon Graphics Arts I and include halftones, duotones, special effects, page layout, color reproduction, electronic publishing, presswork and bindery. Prerequisite: PPIT 101 or consent of instructor.

PPIT 131 Specialty Printing4 cr. hrs.

A in-depth study of the problems and processes for printing and converting in package, label and specialty industries. Laboratory applications include flexographic preparation, printing and diecutting; steel rule diemaking and diecutting of printed sheet stock. Students will also learn screen process printing techniques and methods on different materials through various media including hand-cut photo stencils and

direct emulsion. Prerequisite: PPIT 101, 112, 121, 213, or consent of instructor.

PPIT 213 Imaging Technology II4 cr. hrs.

Advanced instruction in desktop applications primarily using QuarkXPress, FreeHand and Photoshop. Fundamentals of flatbed scanner operation producing line and gray scale copy. Prerequisite: PPIT 101, 111, 121, or consent of instructor.

PPIT 223 Technical Photography3 cr. hrs.

An introductory course in black and white photography which will cover technical information about cameras, films, printing, and processes.

PPIT 233 Printing Applications I4 cr. hrs.

A class designed to give students hands-on experience in the production of complicated four-color printing. Projects will include conventional and electronic prepress processes. Multicolor press operation will be stressed. Prerequisite: PPIT 121, PPIT 111 or consent of instructor.

**PPIT 300 Special Topics in Printing Production and
Imaging Technology1-4 cr. hrs.**

Designed for the PPIT major who has a desire to research and study at a level above or separate from the current course study offered. The student will meet with the instructor on a regular basis in order to determine if proper procedure is being utilized and progress is being made. The student and instructor will make a contract at the beginning of the term that states goals and objectives of the semester. Grades will be awarded on the basis of quality and completion of contract goals. (The contract may be changed by the mutual consent of instructor and student.)

PPIT 311 Electronic Imaging & Color Reproduction.....3 cr. hrs.

An advanced course in imaging systems. The student will learn color theory as it applies to desktop imaging; color calibration of imagesetter, monitor, scanner and color proofing systems will be covered. The student will receive hands-on experience in scanning and color correcting images on the desktop. Prerequisite: PPIT 213 or consent of instructor.

PPIT 331 Paper and Ink2 cr. hrs.

An in depth study of printing substrates and inks. Emphasis will be on paper selection, paper math, and paper related printing problems. Comparisons will be made of commonly used printing inks. Ink related printing problems will be analyzed. Co-requisite: PPIT 451

PPIT 341 Printing Applications II4 cr. hrs.

This laboratory class allows the student to design, develop, print and bind a large format publication. The student is required to include vari-

ous special effects, screens, halftones, duotones, silhouettes and posterizations. Extensive use of 4-color process will be required. Prerequisite: PPIT 233 or consent of instructor.

PPIT 351 Multimedia Development.....3 cr. hrs.

An introduction course designed to give a basic understanding of the concepts of multimedia, interactive communication, the tools and procedures for developing a multimedia presentation, and basic multimedia concerns. Prerequisite: PPIT 311 or consent of instructor.

PPIT 442 Current Trends in Graphic Communications2 cr. hrs.

A senior seminar to study the critical trends defining the current condition of the printing and publishing industry. Profound projections, current technologies, environmental laws, critical thinking skills and the changing workforce will all be explored. Major emphasis is placed on the internship experience and class participation. Prerequisite: PPIT 341 or by consent of the instructor.

PPIT 443 Printing Production Planning4 cr. hrs.

A course providing a systematic and analytical approach to achieving an efficient production system in all areas of printing. Instruction includes organizational procedures, cost estimates, identification of necessary materials and quality controls. Problems related to operation, maintenance, folding, binding, finishing and supervisory techniques are also included in this course. Prerequisite: PPIT 341 or consent of instructor.

PPIT 451 Internship10 cr. hrs.

A 15-week industry job experience which is developed by the instructor and coordinated with the hiring industry. The internship is designed to enhance and reinforce the technical skills acquired by the student. The instructor must submit the internship plan to the Chairperson of Printing Production and Imaging Technology for approval prior to the student entering in an internship agreement. The student should plan for the internship during his junior year or the first term of his senior year. Co-requisite: PPIT 331

Department of Health and Physical Education

Dr. Scott H. Colclough

Chairperson

Major Courses for Physical Education

PHED 100 Aquatics1 cr. hr.

This course is a requirement for physical education Majors only. They must take the appropriate course from: PHED 121, PHED 122, or PHED 123.

PHED 101 Fitness/Nutrition.....1 cr. hr.

126—*Courses of Instruction*

This course is an introduction to the health and skill-related components of fitness and nutrition for life-long wellness. Assessment of individual fitness levels and activities designed to improve physical fitness levels are included.

PHED 102 Tumbling/Dance1 cr. hr.

This course is an introduction to basic stunts and tumbling, locomotor and axial movements in dance, and social dances. The historical, social, and cultural aspects will be included.

PHED 103 Motor Learning/Skills1 cr. hr.

This course is an application of learning principles and laws of motion to specific motor skills. The basic locomotor, non-locomotor and manipulative movement skills will be included. Field experiences are required.

PHED 104 Outdoor Leisure/Recreation1 cr. hr.

This course is an introduction to the knowledge and skills in a variety of outdoor leisure and recreation activities. It includes walking, frisbee, hiking, canoeing, backpacking, camping, and field trips. Prerequisite: PHED 100 or approval of instructor.

PHED 201 Health3 cr. hrs.

This course is designed to study personal health needs and problems. Mental, physical, social, and spiritual factors and their impact on one's quality of life are included.

PHED 210 First Aid & Safety2 cr. hrs.

This course is designed to study emergency first aid care for injury or illness. Red Cross certification in Standard First Aid and Cardiopulmonary Resuscitation are included.

PHED 220 Community Health3 cr. hrs.

This course is designed to study community health resources, governing policies, and services in relationship to the school health program. Communicable diseases, organizations, consumer health, environmental health, and the health-care system are included. Prerequisite: PHED 201

PHED 230 Individual and Dual Sports I2 cr. hrs.

This course is the study of the fundamental skills and knowledge of badminton, handball, pickle ball, racquetball and tennis. The history, equipment, rules, terminology, strategies, skill techniques, and officiating are included. Prerequisite: PHED 103

PHED 235 Individual & Dual Sports II2 cr. hrs.

This course is a study of the fundamental skills and knowledge of archery, bowling, croquet, golf and table tennis. The history, equipment, rules, terminology, strategies, skill techniques and officiating are included.

ed. Prerequisite: PHED 103

PHED 240 Team Sports I.....2 cr. hrs.

This course is a study of the fundamental skills and knowledge of basketball, football, soccer and volleyball. The history, equipment, rules, terminology, strategies, skill techniques and officiating are included.

Prerequisite: PHED 103

PHED 245 Team Sports II.....2 cr. hrs.

This course is a study of the fundamental skills and knowledge of baseball, softball, wrestling, track and field. The history, equipment, rules, terminology, strategies, skill techniques and officiating are included.

Prerequisite: PHED 103

PHED 301 Foundations of Physical Education & Sport.....3 cr. hrs.

This course is designed to study the philosophical, historical, sociological, psychological and scientific foundations of physical education and sport. Professional organizations, curriculum concepts, teaching methods, and evaluation are included.

**PHED 310 Health & Physical Education in the
Elementary School3 cr. hrs.**

This course is a study of health and physical education materials, methods, and activities for children in grades K-6. It includes planning, teaching, and evaluating a program of developmental and movement activities appropriate for the characteristics and needs of the learner. Clinical and field experiences are required in addition to regular class meetings.

Prerequisite: Junior Standing

PHED 320 Adaptive Physical Education.....3 cr. hrs.

This course is a study of the identification, assessment, and adapting of physical education policies, practices, principles, and programs to meet the leisure needs of exceptional students. It includes principles of motor development and learning as they apply to planning, instruction, and evaluation. Clinical and field experiences are required in addition to regular class meetings. Prerequisite: Junior Standing

PHED 330 Kinesiology/Biomechanics.....3 cr. hrs.

This course is a study of the anatomical and mechanical principles of human movement. It includes analysis of human movement and skill performance, with a lab. Prerequisite: Biology 221.

PHED 335 Exercise Physiology4 cr. hrs.

This course is a study of the scientific basis of physical exercise and its effects on the muscular, cardiovascular, respiratory, and nervous systems. Various exercise programs will be included with a lab.

Prerequisite: BIO 222

PHED 410 Health & Physical Education for the Middle and
Secondary School.....3 cr. hrs.

PHED 420 Research and Evaluation in Health &
Physical Education.....3 cr. hrs.

PHED 450 Psychological & Sociological Dynamics of Coaching/Teaching3 cr. hrs.

PHED 460 Independent Study in Health, Physical Education
and Sport1-3 cr. hrs.

Major Courses for Sport Management

PHED 200 Sport Management Practicum I1 cr. hr.

This course is designed to provide majors with hands on experience in an area of sports management. The student will work a minimum of 45 hours in an area approved by the advisor and the chairperson. The field work will be scheduled, supervised, and evaluated by the student, field supervisor, and chairperson or faculty designee. Prerequisite:

Sophomore standing

PHED 300 Sport Management Practicum II.....1 cr. hr.

This course is designed to provide majors with hands on experience in an area of sports management. The student will work a minimum of 60 hours in an area approved by the advisor and the chairperson. The field work will be scheduled, supervised, and evaluated by the student, field supervisor, and the chairperson or faculty designee. Prerequisite: PHED 200

PHED 340 Principles of Sport Management.....3 cr. hrs.

This course is a study of the theoretical and applied principles of sports management. It will emphasize career opportunities, accounting, budgeting, economics, communications, employment relations, management, marketing, and laws in sports. Prerequisite: US 281

PHED 400 Sport Management Practicum III.....1 cr. hr.

This course is designed to provide majors with hands on experience in an area of sports management. The student will work a minimum of 75 hours in an area approved by the advisor and chairperson. The field work will be scheduled, supervised, and evaluated by the student, field supervisor, and the chairperson or faculty designee. Prerequisite: PHED 300

PHED 430 Seminar in Sport Management.....3 cr. hrs.

This course is a study of the practical applications of research and theory in sports management. It will emphasize case analysis in sports law and sports marketing, collegiate trademark licensing, computer applications, ethics, and future trends. Prerequisite: PHED 340 and 301, or permission of instructor.

PHED 440 Internship in Sports Management.....6 cr. hrs.

The internship will provide field experiences in the management of sports programs, facilities, and/or business. This will involve full-time work with a minimum of 400 hours. This must be coordinated and approved by the student, advisor, and the chairperson. Prerequisite: Senior standing

NOTE: The practicals are designed to provide management experiences in a variety of sports settings. Field work begins no later than the sophomore year with PHED 200. PHED 300 and 400 are taken during the remaining semesters, leading up to the final placement (PHED 440) during the student's final semester. These must be varied in their job description and responsibility.

Major courses in Sports Science

PHED 440 Internship3-12 cr. hrs.

The internship will serve as a culminating field experience for Sport

130—*Courses of Instruction*

Management and Sport Science Majors with senior standing. This will require a minimum of 100 work hours/3 credit hours in an approved sports-related placement off campus. The major and his advisor will submit a proposal for such placement to the chair six weeks prior to the beginning of the semester. Prerequisite: Departmental Chairperson's approval.

PHED 470 Seminar in Sport Science3 cr. hrs.

This is a three-week condensed course held in conjunction with internship placement. The students will make final preparations for responsibilities, job descriptions, evaluations, scheduling, etc. through discussions with cooperating supervisor, peers, and the departmental supervisor/professor. The interns will meet once a month to discuss problems, the "real world", placement, interviews, and general concerns with their professor. Prerequisite: Departmental Chairperson's approval.

Pre-Athletic Training Education Program

The Pre-Athletic Training Education Program is a transfer program designed to provide a foundation for the student who plans to transfer to a four-year college or university to study athletic training to become a certified athletic trainer.

PHED 105 Fundamentals of Athletic Training.....3 cr. hrs.

This course is designed to introduce the student to the roles and responsibilities of the athletic trainer in sports. The course emphasizes the basic principles of physical fitness and the prevention, recognition, and management of sports injuries. Three hours per week.

PHED 111 Athletic Training Practicum1 cr. hr.

This course involves practical application of athletic injury taping and wrapping skills. In addition the student will complete a minimum 150 hours internship as a student trainer in the athletic program.

PHED 112 Athletic Training Practicum1 cr. hr.

This course involves the practical application of athletic injury assessment. The student will be instructed in the various techniques of injury evaluation and recognition. In addition the student will complete a minimum 150 hours internship serving as a student trainer in the athletic program.

PHED 250 Prevention and Management of Athletic Injuries3 cr. hrs.

This course is designed to provide advanced instruction in the prevention, recognition, and management of athletic injuries. Instruction for sound conditioning and rehabilitation programs for athletic injuries will be presented. Three hours per week.

PHED 260 Nutrition3 cr. hrs.

This course is a study of nutritional concepts with instruction in dietary

management and basic body composition assessment as applied to health and performance. The course evaluates the effects diet has on health and performance. Three hours per week.

PHED 211 Athletic Training Practicum1 cr. hr.

The course introduces the student to the principles and practices associated with the rehabilitation of athletic injuries. Course involves practical application of the techniques involved with athletic injury rehabilitation. In addition the student will complete a minimum 150 hours internship as a student trainer in the athletic program.

PHED 212 Athletic Training Practicum1 cr. hr.

This course introduces the student to the different modalities used in treating athletic injuries. The student will study the basis for modality usage as well as the proper set-up and application. In addition the student will complete a minimum 150 hours internship as a student trainer in the athletic program.

Activity Courses

PHED 121 Beginning Swimming.....1 cr. hr.

This course is an introduction to elementary aquatics. The basic swimming strokes are taught with the (American) front crawl emphasized.

PHED 122 Intermediate Swimming1 cr. hr.

This course is designed to refine the mechanics and improve strength in the four basic strokes: crawl, elementary backstroke, backstroke, and side stroke. Advanced aquatics skills such as treading water and drown-proofing are also taught. Prerequisite: PHED 121 or approval of instructor

PHED 123 Lifeguard Training1 cr. hr.

This course is designed for skilled swimmers who desire lifeguard training. Students can earn certification for lifeguard training from the American Red Cross by completing all course requirements. Prerequisite: PHED 122 or approval of the instructor.

PHED 124 Beginning Tennis1 cr. hr.

This course is an introduction to the fundamental skills in tennis so that students can enjoy and appreciate the sport. It includes knowledge of history, rules, terminology, etiquette, strategies of tennis, skill techniques, and officiating. Students provide their rackets.

PHED 125 Volleyball.....1 cr. hr.

This course is an introduction to the fundamental skills in volleyball so that students can enjoy and appreciate the sport. The history, rules, terminology, and strategies of volleyball are included in the class.

PHED 126 Weight Training.....1 cr. hr.

This course is an introduction of the safety, proper techniques, and ben-

132—*Courses of Instruction*

efits of weight training. Multiple lifts for circuit training and station workouts will be emphasized.

PHED 129 Baitcasting.....1 cr. hr.

This course is an introduction to the sport of fishing. An emphasis will be on safety, proper techniques, and a variety of equipment. Students provide their equipment.

PHED 130 Racquetball1 cr. hr.

This course is an introduction to the fundamental skills in racquetball so that students can enjoy and appreciate the sport. The history, equipment, rules, terminology, and strategies will be included. Students provide their eyewear, protective glasses.

PHED 131 Badminton.....1 cr. hr.

This course is an introduction to the fundamental skills in badminton so that students can enjoy and appreciate the sport. The history, equipment, rules, terminology, strategies, and skill techniques are included.

PHED 132 Aerobic Fitness.....1 cr. hr.

This course is an introduction to aerobic activities to gain knowledge and skills to develop total fitness. It includes the health and skill-related components of fitness.

PHED 134 Golf.....1 cr. hr.

This course is an introduction to the fundamental skills of golf so that students can enjoy and appreciate the sport. The history, equipment, etiquette, rules, terminology, strategies, and skill techniques are included.

PHED 136 Archery.....1 cr. hr.

This course is an introduction to the fundamentals of shooting with bow and arrows so that students can enjoy and appreciate the sport. It includes safety, equipment use and maintenance, plus target shooting. Students provide their equipment.

PHED 137 Advanced Racquetball.....1 cr. hr.

This course is a study of advanced strokes and strategies of racquetball. It includes a review of the basic strokes, history, rules, etc. with an introduction to the governing body, literature, and sanctioned competition for the sport. Students provide protective eyewear. Prerequisite: PHED 130 or approval of the instructor

PHED 138 Advanced Tennis1 cr. hr.

This course is a study of the advanced strokes and strategies of tennis. It includes a review of the basic skills, history, rules, etc. and an introduction to the governing body, literature, and sanctioned competition for

the sport. Prerequisite: PHED 124 or approval of the instructor

Department of Language and Literature

Dr. G. Kenneth Wolfskill

Chairperson

DIVISION OF ENGLISH

Dr. G. Kenneth Wolfskill, *Head*

ENGL 101 Composition.....3 cr. hrs.

A course in expository writing designed to develop writing skills necessary for competent academic work on the college level. The course is required of all students, and is a prerequisite to all other English courses. Placement in the course is determined by the English Department.

ENGL 102 Composition and Introduction to Literature.....3 cr. hrs.

A writing course focusing on the literary genres, poetry, drama, and fiction, and introducing research skills. This course is required of all students, and is a prerequisite to all higher English courses. Prerequisite: English 101.

ENGL 201 Survey of British Literature to 18003 cr. hrs.

A study of the major writers in England from the Anglo-Saxon period through the 18th century. Prerequisite: English 101 and 102.

ENGL 202 Survey of British Literature Since 1800.....3 cr. hrs.

A study of the major writers in England from 1800 to the present. Prerequisite: English 101 and 102.

ENGL 203 Survey of American Literature to 1865.....3 cr. hrs.

A study of the major American writers from the Colonial period to the Civil War. Prerequisite: English 101 and 102.

ENGL 204 Survey of American Literature Since 18653 cr. hrs.

A study of the major American writers from the Civil War to the present. Prerequisite: English 101 and 102.

ENGL 205 Survey of Ancient World Literature3 cr. hrs.

A study of selected classical writers. Prerequisite: English 101 and 102.

ENGL 206 Survey of Modern World Literature.....3 cr. hrs.

A study of selected non-English or American writers from modern times. Prerequisite: English 101 and 102.

NOTE: A student must complete the 9 hours of the core English requirements or get the approval of the division head before taking upper-level courses in English.

- ENGL 301 Introduction to Literary Studies.....3 cr. hrs.**
A course in bibliography, research, critical approaches to literature, and trends in scholarship. This course is required of all English majors, and must be taken as soon after completion of the 200-level survey course as possible (normally in the student's fourth semester). It is offered in the spring semester only.
- ENGL 302 Creative Writing.....3 cr. hrs.**
A course in writing short stories, personal sketches, and poetry.
Prerequisites: English 101, 102, and one 200-level literary survey course.
- ENGL 305 Young Adult Literature.....3 cr. hrs.**
A study of fiction generally regarded as having a young audience.
Prerequisites: English 101, 102, and one 200-level literacy course.
- ENGL 310 History of the English Language.....3 cr. hrs.**
A study of the evolution of the language. Prerequisites: English 101, 102, and one 200-level literary survey course.
- ENGL 311 Advanced Composition.....3 cr. hrs.**
A study to develop writing style. Prerequisites: English 101, 102, and one 200-level literary course.
- ENGL 312 Advanced Grammar.....3 cr. hrs.**
A study of both traditional and contemporary approaches to the English language. Prerequisites: English 101, 102, and one 200-level literary course.
- ENGL 320 Medieval Literature.....3 cr. hrs.**
A study of British literature to 1500. Prerequisites: English 101, 102, and one 200-level literary course.
- ENGL 330 Renaissance Literature.....3 cr. hrs.**
A study of British poetry, prose, and non-Shakespearean drama from 1500 to 1660. Prerequisites: English 101, 102, and one 200-level literary course.
- ENGL 340 Restoration and 18th Century Literature.....3 cr. hrs.**
A study of the poetry, prose, and drama in England from 1660 to 1798.
Prerequisites: English 101, 102, and one 200-level literary course.
- ENGL 350 Romantic Literature.....3 cr. hrs.**
A study of the poetry and prose in England from 1798 to 1832.
Prerequisites: English 101, 102, and one 200-level literacy course.
- ENGL 360 Victorian Literature.....3 cr. hrs.**
A study of British poetry and prose from 1832 to 1900. Prerequisites: English 101, 102, and one 200-level literary survey course.

- ENGL 370 20th Century British Literature3 cr. hrs.**
A study of modern British poetry, fiction, and drama. Prerequisites:
English 101, 102, and one 200-level literary survey course.
- ENGL 380 American Literature to 1914.....3 cr. hrs.**
A study of American poetry, fiction, and drama in this period.
Prerequisites: English 101, 102, and one 200-level literary survey course.
- ENGL 390 American Literature Since 19143 cr. hrs.**
A study of modern American poetry, fiction, and drama. Prerequisites:
English 101, 102, and one 200-level literary survey course.
- ENGL 410 Shakespeare3 cr. hrs.**
A study of selected poems and plays. Prerequisites: English 101, 102,
and one 200-level literary survey course.
- ENGL 420 Short Fiction.....3 cr. hrs.**
A study of the development of the short story. Prerequisites: English
101, 102, and one 200-level literary survey course.
- ENGL 430 Fiction.....3 cr. hrs.**
A study of the genre by period, theme, or technique. Prerequisites:
English 101, 102, and one 200-level literary survey course.
- ENGL 440 Poetry.....3 cr. hrs.**
A study of the genre by period, theme, or technique. Prerequisites:
English 101, 102, and one 200-level literary survey course.
- ENGL 450 Drama.....3 cr. hrs.**
A study of the genre by period, theme, or technique. Prerequisites:
English 101, 102, and one 200-level literary survey course.
- ENGL 460 Authors.....3 cr. hrs.**
A study focusing on an individual writer. Prerequisites: English 101,
102, and one 200-level literary survey course.
- ENGL 470 Special Topics.....3 cr. hrs.**
A course intended to meet non-traditional demands or to satisfy specific
student interests. Prerequisite: Senior status English major
- ENGL 490 English Internship1-3 cr. hrs.**
Professional work experience related to the field of English, approved
by the members of the English Division and supervised by a member of
the English faculty. Internships may involve work for either local business
and industry, as with a newspaper or public relations office, or for the
English Division, assisting with departmental matters—research,
book orders for the library, press releases, etc.

Courses in Communication

- COMM 210 Voice and Diction.....3 cr. hrs.**

The development of a pleasing and effective voice; improvement of articulation; phonetics. Prerequisite: ENGL 101 and 102.

COMM 211 Public Speaking3 cr. hrs

The preparation, organization, and delivery of various types of speeches in a variety of speech situations.

COMM 161 Drama Appreciation.....3 cr. hrs.

This course involves a study of the development of drama, play analysis, types of theatrical production, acting theories and exercises, and a comparison of the stage with other forms of dramatic media.

DIVISION OF FOREIGN LANGUAGES

Dr. Carl L. Garrot, *Head*

French

FREN 101-102 Elementary French.....3 hrs. ea.

For those with no previous study of the language. Fundamentals of grammar. Training in pronunciation. Essential vocabulary. Short compositions. Elementary readings during the second semester. One lab period per week. Co-requisite: ENGL 101

FREN 201-202 Intermediate French.....3 hrs. ea.

Review of grammar. Advanced study of idiomatic constructions and vocabulary use. Readings. Basic composition technique. One lab period per week. Prerequisite: FREN 101-102 or two years of high school French and placement examination.

FREN 203-204 Intermediate Composition and Conversation.....3 cr. hrs. ea.

Practice in a variety of areas as business and social correspondence based upon literature. Emphasis on practical, everyday use of spoken French. Prerequisite: French 202 or placement score.

FREN 301-302 Survey of French Literature3 cr. hrs.

A study of selected poetry, prose and theatre from the Middle Ages to the present with emphasis on literary analysis and critical approaches. Lectures, discussions, and reports in French. Prerequisite: FREN 202 or equivalent

311 Commercial and Technical French3 cr. hrs.

Study of and practice in business and technical French, economics, banking, commercial negotiations, customs, insurance, real estate, and marketing. Additional practice in scientific and technical French. Taught in French. Prerequisite: FREN 202 or equivalent

FREN 321 French Civilization3 cr. hrs.

A study of the heritage and culture of French-speaking nations with special attention to the development of skills in conversation and composition. Emphasizes history, art, music and literature. Taught in French.

Prerequisite: FREN 202 or equivalent

Spanish

101-102 Elementary Spanish3 cr. hrs. ea.

For those with no previous study of the language. Fundamentals of grammar. Training in pronunciation. Essential vocabulary. Short compositions. Elementary readings during the second semester. One lab period per week. Co-requisite: English 101.

SPAN 201-202 Intermediate Spanish.....3 cr. hrs. ea.

Review of grammar. Advanced study of idiomatic constructions and vocabulary use. Frequent dictations. Readings. Basic composition technique. One lab period per week. Prerequisite: SPAN 101-102 or two years of high school Spanish and placement examination.

SPAN 203-204 Intermediate Composition and Conversation3 cr. hrs. ea.

Practice in conversational skills in a variety of subjects and situations. Designed to provide the fundamentals of composition in Spanish. Prerequisite: SPAN 202 or placement score.

Department of Mathematics

Dr. Carol S. O'Dell

Chairperson

MATH 120 Introduction to Finite Mathematics3 cr. hrs.

A first course in finite mathematics. Topics include linear equations, matrices, linear programming, sets and counting principles, probability, and statistics. Three hours per week. Prerequisite: One year of high school algebra or equivalent as determined by Placement Test.

MATH 130 Introduction to Algebra for College Students.....2 cr. hrs.

This is the first course in a two course sequence covering the topics usually covered in the standard college algebra course. Topics include: the real and complex number systems, polynomials, rational expressions, radicals, linear and quadratic functions and their graphs, linear and quadratic inequalities, and rational functions. Three hours per week. Prerequisite: High school algebra or AS 004 or satisfactory score on the mathematics placement test.

MATH 131 Algebra for College Students.....2 cr. hrs.

This is the second course in a two course sequence covering the topics usually covered in college algebra. Topics include: graphing techniques, conic sections, exponential and logarithmic functions, systems of equations and inequalities, elementary matrices and determinants, the remainder and factor theorems, the rational root theorem, the binomial

theorem and mathematical induction. Three hours per week. MATH 130 and 131 meet the requirements for MATH 133 College Algebra. Prerequisite: MATH 130

MATH 133 College Algebra.....3 cr. hrs.

Standard college algebra course for freshmen. Topics discussed are: the real and complex number systems; sets and set operations; linear, quadratic, and exponential functions; systems of equations and inequalities, elementary matrices, and determinants; mathematical induction. Three hours per week. Prerequisite: Satisfactory score on placement test and high school algebra; one year of high school geometry highly recommended.

MATH 135 Analytic Trigonometry3 cr. hrs.

The topics discussed are: trigonometric functions, inverse Trigonometric functions, radian measure, solution of triangles and applications. Three hours per week. Prerequisite: MATH 133 and one year of high school geometry.

MATH 139 Algebra and Trigonometry5 cr. hrs.

This is an integrated course in algebra and trigonometry. The topics are: the real and complex number systems; linear; quadratic, exponential, logarithmic, trigonometric, and inverse functions; inequalities, matrices, series, probability. Five hours per week. Prerequisite: Two years high school algebra and at least one course in plane geometry. Students receiving credit for 133 and 135 may not take this course.

MATH 201 Basic Concepts of Mathematics I.....3 cr. hrs.

A course required of prospective elementary and middle grades teachers. Topics covered include: problem solving, systems of numeration, number systems and operations and properties of whole numbers, rational numbers, decimals; estimation. Three hours per week. Prerequisite: MATH 133 or the equivalent.

MATH 202 Basic Concepts of Mathematics II.....3 cr. hrs.

A second course in mathematics required for prospective elementary teachers. Topics covered include elementary statistics; measurement and problem solving in geometry; a study of geometric concepts and construction of simple geometric figures; elementary logical arguments. Three hours per week. Prerequisite: MATH 201

MATH 205 Math Probability and Statistics3 cr. hrs.

An introductory probability and statistics course covering basic descriptive statistics and elementary techniques of inferential statistics. Prerequisite: at least one course in high school algebra; two years recommended.

MATH 210 Analytic Geometry and Calculus4 cr. hrs.

The first of three semesters of unified course in analytic geometry and calculus. The topics studied are: real number system; functions; limits and continuity; the derivative; differentiation of algebraic and trigonometric functions; applications of differentiation; antiderivatives and the Fundamental Theorem of Calculus; numerical solutions of equations and numerical integration. Prerequisites: four years of college prep mathematics in high school or equivalent as determined by Placement Test.

MATH 211 Analytic Geometry and Calculus4 cr. hrs.

The second of three semesters of unified course in analytic geometry and calculus. The topics studied are: definite integrals; application of definite integrals; conics; transcendental functions; techniques of integration; improper integrals; indeterminate forms; infinite series; parametric equations and polar coordinates. Prerequisite: MATH 210 or appropriate AP score.

MATH 310 Analytic Geometry and Calculus4 cr. hrs.

The third of three semesters of unified course in analytic geometry and calculus. The topics studied are: vectors and three-dimensional space; vector valued functions; functions of several variables; partial differentiation; multiple integration; topics from vector analysis. Prerequisite: MATH 211

MATH 315 Applied Differential Equations.....3 cr. hrs.

A first course in ordinary differential equations covering topics such as: first order and simple higher order differential equations and their application; linear differential equations and their application, solution by series, solution by Laplace transformation and other topics. Co-requisite: MATH 310

MATH 325 College Geometry3 cr. hrs.

Modern college geometry is an extension of elementary plane geometry. Topics covered include congruence, similarities, geometric constructions, theorems from Euclidean geometry relative to plane and solid geometry, and an introduction to non-Euclidean geometries. Prerequisite: MATH 210

MATH 340 Linear Algebra3 cr. hrs.

A study of vector spaces, linear maps, matrices, systems of linear equations, determinants, and eigenvalues. Three hours per week. Co-requisite - MATH 210

MATH 351 Mathematical Probability and Statistics3 cr. hrs.

A calculus-based approach to the theory of probability and various sta-

tistical distributions. Topics include hypothesis and estimation, small sample distribution, and regression. Three hours per week.

Prerequisite: Math 211.

MATH 430 Introduction to Modern Algebra3 cr. hrs.

Algebra is developed from a postulation viewpoint. Topics include groups, rings, vector spaces, and fields. Three hours per week.

Prerequisite: MATH 340

MATH 460 Survey of the Historical Development
of Mathematics3 cr. hrs.

A general survey of the historical development of mathematics up to the 20th century. Three hours per week. Prerequisite: MATH 211

MATH 470 **Advanced Calculus**.....3 cr. hrs.

A study of the basic properties of the real number system, point sets, theory of limits, ordinary and uniform continuity, differentiation, integrals, improper integrals, infinite series and regions of convergence, fundamental theorems from differential and integral calculus. Three hours per week. Prerequisite: MATH 310

MATH 480 **Foundations of Mathematics**3 cr. hrs.

A study of the fundamental concepts and structural development of mathematics. Topics include: logic and methods of proof; set theory; Boolean algebra; relations and functions; the development of number systems; transfinite cardinal numbers. The topics are developed on a postulational basis. Prerequisites: MATH 325 and MATH 430

MATH 490 Independent Study.....1-3 cr. hrs.

Designed to provide students an opportunity to study topics supplementing the regular curriculum. The student's course of study is designed jointly by the student and the professor guiding the investigation and must be approved by the department chair. Prerequisite: Consent of department chair.

Department of Religion and Philosophy

Dr. R. Hargus Taylor

Chairperson

Biblical Studies

REL 111 Introduction to the Old Testament.....3 cr. hrs.

The student is introduced to the Story of Ancient Israel, as recorded in the Hebrew Bible, through an approach which combines elements of historical and archaeological research, literary criticism, and biblical theology.

REL 112 Introduction to the New Testament.....3 cr. hrs.

The story of Christian origins, as recorded in the distinctively Christian scriptures, is set forth against the background of that religious, political, social, and cultural milieu out of which the Christian movement emerged.

REL 201-202 Elementary Greek, I and II3 cr. hrs. each

This is a two-part sequence which introduces the student to Hellenistic, or Koine, Greek. Emphasis will be placed upon grammar, syntax, and vocabulary throughout the first half of the sequence, with particular attention to the development of reading skills.

The second half of the sequence will place particular emphasis upon the translation and exegesis of selected passages from the Greek New Testament. Successful completion of the sequence may be used to satisfy 6 hours of the language requirement of candidates for the B.A. in Religion and Philosophy. Offered in alternate years, or upon sufficient demand

REL 301-302 Elementary Hebrew, I and II.....3 cr. hrs. each

This is a two-part sequence which introduces the student to Biblical Hebrew. Emphasis will be placed upon grammar, syntax, and vocabulary throughout the first half of the sequence, with particular attention to the development of reading skills.

The second half of the sequence will place particular emphasis upon the translation and exegesis of selected texts from the Hebrew Bible. Successful completion of this sequence may be used to satisfy 6 hours of the language requirement of candidates for the B. A. in Religion and Philosophy. Offered in alternate years, or upon sufficient demand.

REL 313 The Book of Genesis.....3 cr. hrs.

A survey of major themes in Genesis in the light of modern critical research. Consideration is given to the nature and purpose of Genesis; the book's foundational role within the context of the Torah, and key theological issues. Prerequisite: REL 111

REL 314 Jesus and the Synoptic Gospels.....3 cr. hrs.

An in-depth study of the message of Jesus in light of modern critical research on the Synoptics. Special attention will be paid to the historical ministry of Jesus; the nature and purpose of the Synoptics; and an evaluation of source, form, reaction, sociological, and literary criticisms. Prerequisite: REL 112

REL 315 The Former Prophets.....3 cr. hrs.

A study of the background, form, message, and significance of the Former Prophets. The course also provides opportunities for comparing

the Former with the Latter Prophets, as well as with the Chronicler's additions and omissions. Prerequisite: REL 111

REL 316 Paul: The Man and His Writings.....3 cr. hrs.

An intensive consideration of the life and teachings of Paul as presented in his letters and in Acts. Emphasis will be placed upon the historical and cultural environment, issues in current Pauline scholarship, and exegesis of selected passages in Paul's letters. Prerequisite: REL 112

REL 417 The Poetics of Hebrew Biblical Narrative.....3 cr. hr.

A central question sets the tone for the course: How does art serve theology? Plot, characterization, rhetoric, point of view, strategies of composition, and other relevant topics are discussed. Prerequisite: REL 111

REL 418 The Judaistic & Hellenistic Backgrounds of the New Testament3 cr hrs.

The historical social worlds extant in the first century and their influences upon the New Testament. An evaluation is made of historical events, Palestinian Judaism, Hellenistic Judaism, and Roman Hellenism. Prerequisite: REL 112

Historical/Theological Studies

REL 341 Christian History to the Age of Reformation3 cr. hrs.

A survey of the history of Christianity from the Apostolic Age through the Renaissance. While following an integrative approach to the subject, particular attention will be given to the geographical expansion of Christianity, development of Christian institutions, theological crises leading to a definition of Christian Orthodoxy, and the shape and influence of medieval Christendom. Prerequisite: HIST 101 and 102 or permission of instructor

REL 342 Christian History Since the Reformation3 cr. hrs.

An examination of the principal reform movements of the sixteenth century, and to subsequent developments in Christian history to the present. Emphasis will be given to those religious, political, intellectual, and social currents which have influenced the course of both Protestantism and Roman Catholicism since the Reformation; to the modern missionary movement, ecumenism, and the vitality of Christianity among Third World nations. Prerequisite: History 101 and 102 or permission of instructor

REL 443 Religion in America3 cr. hrs.

An examination of those religious traditions which either accompanied the settlement of the American colonies, or which have emerged and developed in the context of American life and culture. Attention is directed to various factors which have tended to contribute a distinc-

tively New World character to Old World religious traditions.

- REL 444 Baptist History and Heritage.....3 cr. hrs.**
 Traces the growth and development of Baptists from their origins in the radical wing of the Protestant Reformation. Major emphasis will be placed upon Baptists in the United States, and upon the distinctive features of Baptist heritage within the broader context of Protestant Christianity.

Philosophical/Ethical Studies

- PHIL 221 Introduction to Ethics3 cr. hrs.**
 This course is designed to be a practical, introductory study of Christian values and their relationship to the decision-making process, the principles of biblical ethics, and specific issues in contemporary society.
- PHIL 231 Introduction to Philosophy.....3 cr. hrs.**
 An attempt is made to acquaint students with basic philosophical concepts and problems through a consideration of representative philosophers and their approaches to the basic questions which are generally explored through philosophical inquiry.

Department of Science

Dr. Garth D. Faile
Chairperson

Biology

- BIOL 101 Botany.....4 cr. hrs.**
 This course is designed to cover morphology, life cycles and physiological processes of both the nonvascular and vascular plants. Evolution of structures and processes, the interrelationships of plants and the importance of plants to the survival of life on earth are stressed. Observation and classification of local flora is included. Three hours lecture and one three-hour laboratory per week.
- BIOL 102 Zoology4 cr. hrs.**
 This is a study of the general principles and problems of animal biology with emphasis given to cellular organization and control, organ-systems and their physiology, and evolutionary relationships among the major animal phyla. Important zoological principles and a survey of the animal kingdom will be included in the laboratory. Three hours lecture and one three-hour laboratory per week.
- BIOL 221 Human Anatomy.....4 cr. hrs.**
 This is an introduction to regional gross human anatomy which emphasizes structure, function, and concepts of relationships. The laboratory utilizes charts, models, and dissections to visualize structures and their relationships. Three hours of lecture and one three-hour laboratory per

week. Offered only in fall semester. Prerequisite: BIOL 102 or permission of instructor.

BIOL 222 Human Physiology4 cr. hrs.

Chemical and physical processes of the human organism are developed at the cellular, systemic, and organismic level with homeostasis as the unifying concept. Cardiovascular, muscular and nervous mechanisms are stressed. Laboratory includes cellular phenomena, tissue and organ mechanisms, and functions of the entire human organism. Data collection and interpretation stressed. Three hours of lecture and one three-hour laboratory per week. Chemistry 102 recommended. Prerequisite: BIOL 102 or BIOL 221

BIOL 301 Principles of Ecology4 cr. hrs.

This is a study of the interactions of organisms as they relate to their biotic and abiotic environments. Population dynamics and evolution at the ecosystem level are emphasized as influenced by human activity. Three hours of lecture and one three-hour laboratory. Offered in the fall semester of even years. Prerequisites: BIOL 101-102

BIOL 341 Microbiology4 cr. hrs.

This is a study of the morphology and fundamental physiological processes of microorganisms with emphasis on bacteria. Introduction to beneficial and disease causing microbes is included. Biotechnology techniques and immunology are considered. Laboratory consists of standard techniques and procedures. Three hours of lecture and one three-hour laboratory per week. Offered only in spring semester. Prerequisites: BIOL 101, 102, and CHEM 101, 275, and 325 recommended.

BIOL 345 Comparative Anatomy4 cr. hrs

This is a comparative study of the origins, structures, and functions of vertebrates emphasizing evolutionary relationships. Laboratory includes a detailed study of amphioxus, mudpuppy, shark, cat, and human. Offered only in fall semester of odd numbered years. Three hours of lecture and one three-hour laboratory per week. Prerequisites: BIOL 101 and 102

BIOL 401 Genetics4 cr. hrs.

This is a study of the principles of heredity designed to provide an understanding of Mendelian, molecular, and population genetics. Some application of these principles to human heredity, plant and animal breeding, evolution, and selected environmental problems may be considered. Offered only in the spring semester of even numbered years. Three hours of lecture and one three-hour laboratory per week.

Prerequisites: BIOL 101, 102 and CHEM 102, 275, and 325 recommended.

Chemistry

CHEM 101-102 General Chemistry.....4 cr. hrs. ea.

This course emphasizes the foundational concepts--principles, theories, laws--of chemistry. The intent of the laboratory is to provide opportunities for the student to further interact with these topics in the problem-solving setting of data collection and treatment. Three hours of lecture and one three-hour laboratory per week. Co-requisite: eligibility to take MATH 130

CHEM 275-276 Organic Chemistry4 cr. hrs. ea.

This course includes a systematic study of the various aliphatic and aromatic hydro carbons and their derivatives with emphasis on modern theories of structure and reactivity. The laboratory includes the synthesis, purification, and identification of organic compounds. Students are introduced to the use of polarimetry, gas chromatography, and infrared spectroscopy in the laboratory. Three hours of lecture and one three-hour laboratory per week. CHEM 275 is offered only in the fall semester and 276 is offered only the spring semester. Prerequisite: CHEM 101

CHEM 295 Introduction to Pascal3 cr. hrs.

This course introduces students to strong programming principles. Topics included are procedures, looping, decision-making framework, parameters, and arrays; no prior knowledge of programming is necessary. A working knowledge of algebra is assumed with a background in chemistry and/or physics suggested. Two hours of lecture and one two-hour laboratory per week. Offered only in spring semester.

CHEM 325 Introduction to Biochemistry4 cr. hrs.

This course is a study of the behavior of organic molecules which are significant in biological systems; structure-property relationships within the biochemical system are emphasized. Topics in biotechnology are included in both the lecture and laboratory. Three hours of lecture and one three-hour laboratory per week. Prerequisite: CHEM 275

CHEM 335 Physical Chemistry.....4 cr. hrs.

This is a study of the physical properties of matter and the laws of chemical interaction. This course will include chemical thermodynamics, physical and chemical equilibrium, electrochemistry and reaction kinetics. Three hours of lecture and one three-hour laboratory per week. Prerequisite: CHEM 102, MATH 133, and PHY 101 or 203

CHEM 460 Chemical Analysis.....4 cr. hrs.

This is a study of analytical methods, using conventional and contemporary approaches. Systems studied will often include current environ-

mental issues. Three hours of lecture and one three-hour laboratory per week. Prerequisite: CHEM 102, MATH 133

Physics

PHYS 101-102 General Physics4 cr. hrs. ea.

This course covers basic principles of mechanics, heat, thermodynamics, wave motion, optics, electricity, magnetism, and modern physics. Three hours of lecture and one two-hour laboratory per week. Must be taken in sequence. Physics 101 is offered only in the fall semester and 102 is offered only in the spring semester. Co-requisite: Eligibility to take MATH 130

PHYS 203-204 Advanced General Physics4 cr. hrs. ea.

This is a first course in college physics for students needing a calculus based course. The basic principles of mechanics, electricity, magnetism, and modern physics are presented. The first course includes kinematics, dynamics, energy, oscillatory system, and waves. The second course includes electrostatics, magnetostatics, DC and AC circuits, and modern physics. Three hours of lecture and one three-hour laboratory per week. Physics 203 is offered only in the fall semester and 204 is offered only in the spring semester. Co-requisite: MATH 210

PHYS 210 Astronomy4 cr. hrs.

This is an introductory, descriptive survey of the field of astronomy, designed primarily for the non-science major. It includes history of astronomy; the solar system; the sun and other stars, galaxies; and cosmology. Recent discoveries such as quasars, pulsars, and black holes are included. This course includes introduction to astronomical observing. Laboratory activity will include astronomical instruments; the nature of light; Kepler's and Newton's laws of motion; the constellations; planets, binary stars, stellar clusters, and galaxies. A small telescope will be used to observe celestial objects. Three hours lecture and one two-hour laboratory each week. All laboratories will be in the evenings.

EARTH 211 Earth Science4 cr. hrs.

This is a study of the history and evolution of the earth: its land forms, the natural forces and processes (both living and non-living) which continually alter its soils, atmosphere, hydrology, and meteorology. Three hours lecture and one two hour laboratory each week.

Science

SCIENCE 491 Seminar1 cr. hr.

This is a faculty directed study of a selected topic resulting in oral and written reports. Prerequisites: Approval of Advisor, Departmental Chairperson, and Instructor.

SCIENCE 492 Directed Research.....2 cr. hrs.

This is faculty directed laboratory study requiring two three-hour labs per week on a selected topic culminating in oral and written reports. Prerequisites: Approval of Advisor, Departmental Chairperson, and Instructor

SCIENCE 493 Cooperative Internship1-3 cr. hrs.

This is a faculty supervised science related work experience in an off-campus situation. One credit hour will be awarded per 50 work hours. The internship requires oral and written reports. Prerequisites: Approval of Advisor, Departmental Chairperson, and Company. See the Science Departmental Internship Agreement Manual for information and details.

Department of Social Science

Dr. John W. Gosnell

Acting Chairperson

History

HIST 101 Western Civilization3 cr. hrs.

This is a survey of the foundation of Western Civilization from the pre-historic period to 1660, with emphasis on the political, economic, social and cultural institutions.

HIST 102 Western Civilization3 cr. hrs.

This is a survey of Western Civilization from 1660 and the emergence of absolutism in Europe to the crisis of the twentieth century and the nuclear age. Emphasis is placed on the political, economic, and cultural development of Western Civilization.

HIST 201 U. S. History to 18653 cr. hrs.

This is a survey of American history from the period of exploration and colonization through the Civil War. Emphasis is placed on the political, economic, social, and cultural development.

HIST 202 U. S. History Since 1865.....3 cr. hrs.

This is a survey of American history from the Civil War to the present. Emphasis is placed on the political, economic, social, and cultural developments.

HIST 300 Colonial American 1492-17633 cr. hrs.

Beginning with those developments in Europe which prompted overseas exploration and colonization, this course goes on to study the establishment of the English mainland colonies of North America and the evolution of their political, economic, religious, and cultural institutions down to the era of the American Revolution. Prerequisite: HIST 201 or

approval of the professor.

HIST 305 The American Struggle for Independence 1763-1815.....3 cr. hrs.

A study of the development of the independence movement in the English American colonies; the political, military, and diplomatic initiatives utilized in winning independence; the problem of building a new nation as a union of states; the making and ratification of the Federal Constitution; the implementation of the new government and the rise of political parties; and the effort to maintain independence and secure the rights of a neutral nation in a world at war. Prerequisite: HIST 201 or approval of the professor.

HIST 310 Continental Expansion of the United States 1800-18483 cr. hrs.

A detailed study of the acquisition and settlement of territorial additions to the United States from 1800 to the land settlements which ended the war with Mexico in 1848. Prerequisite: HIST 201 or approval of the professor.

HIST 315 The Civil War and Reconstruction 1830-18773 cr. hrs.

A detailed study of the rise of sectionalism and the events of the American Civil War and Reconstruction. Prerequisite: HIST 201 and HIST 202 or approval of the professor.

HIST 320 History of the United States from 1877 to 19323 cr. hrs.

A study of political, economic, diplomatic, cultural, and social patterns in the United States from the end of Reconstruction through the election of Franklin D. Roosevelt. Prerequisite: HIST 202 or approval of the professor.

HIST 325 History of the United States from 1932 to the Present...3 cr. hrs.

A study of political, economic, diplomatic, cultural, and social patterns in the United States from the Great Depression to the present. Prerequisite: HIST 202 or approval of the professor.

HIST 330 Selected American Statesmen3 cr. hrs.

A biographical approach to the study of American history, with emphasis on significant personalities who helped shape the course of their nation's future and whose lives were reflective of their times. Prerequisite: HIST 201 and HIST 202 or approval of the professor.

HIST 350 North Carolina History.....3 cr. hrs.

This is a survey of the political, economic, social, and cultural development of North Carolina from its settlement to the present. Prerequisite: HIST 201 and HIST 202 or approval of the professor.

HIST 360 European Revolutionary Movements 1789-19203 cr. hrs.

A study of the pattern of revolution in Europe and its impact on European

society, focusing on the French Revolution, Revolutions of 1848, and the Russian Revolution. Prerequisite: HIST 102 or approval of the professor.

HIST 365 Twentieth Century Europe3 cr. hrs.

An examination of political struggles in Europe between the two World Wars, and developments and trends in Europe in the postwar era, including the move towards unity. Prerequisite: HIST 102 or approval of the professor.

HIST 370 British History 1066-1800.....3 cr. hrs.

A survey of the political, social, and economic development of Britain from the Norman invasion to the end of the eighteenth century. Prerequisite: HIST 101 and HIST 102 or approval of the professor.

HIST 375 British History 1800 to the Present.....3 cr. hrs.

A survey of the political, social, and economic development of Britain from the beginning of the nineteenth century to the present. Prerequisite: HIST 102 or approval of the professor.

HIST 380 Selected Figures in European History3 cr. hrs.

A biographical approach to European history, with emphasis on significant personalities in various fields of achievement. Prerequisite: HIST 101 and 102 or approval of the professor.

HIST 400 Diplomatic History of the United States3 cr. hrs.

A survey of American diplomatic history from the Declaration of Independence through the end of the Cold War, with special emphasis on significant personalities and pivotal episodes in the diplomatic relations between the United States and foreign nations. Prerequisite: HIST 201 and HIST 202 or approval of the professor.

**HIST 405 The Individual and Society in Modern Europe:
The Eighteenth through the Twentieth Century.....3 cr. hrs.**

Considers the relations of individuals and social institutions in Modern Europe. Emphasis is placed on changing patterns of family life, occupations, education and other facets of society, put in an historical context. Prerequisite: HIST 102 or approval of the professor.

HIST 410 African Reaction to European Colonization3 cr. hrs.

An examination of the impact of European exploration, habitation, and domination of the African continent on its people, cultures, and societies. Prerequisite: HIST 102 or approval of the professor.

HIST 415 History of Political Thought.....3 cr. hrs.

A comparative study of different interpretations of society and politics from Machiavelli to Karl Marx, with an emphasis on historical context. Prerequisite: HIST 101 and HIST 102 or approval of the professor.

HIST 450 Twentieth Century World History3 cr. hrs.
 A survey of the course of international relations since the First World War between East, West, and developing countries. Prerequisite: Senior status and HIST 101, 102, HIST 201, and HIST 202 or approval of the professor.

HIST 495 Senior History Seminar3 cr. hrs.
 Open only to seniors pursuing a major in history and subject to the approval of the department, this course will involve class discussions of sources, research methods, and historical interpretation leading to production of a major research paper.

Sociology

SOCIO 205 Introductory Sociology3 cr. hrs.
 This is an introduction to the concepts of sociology. Consideration is given to culture, socialization, the human community, population, social class, the institutions of the family, economics, politics, religion, education, social change, dissent and post-industrial society. Prerequisite: Sophomore status or approval of instructor.

SOCIO 207 Marriage and Family Living.....3 cr. hrs.
 This is an historical perspective of the family and the changing patterns of family living based upon recent research. While building on the experiences of the student in his/her own family, specific attention will be given to sex roles, mate selection, decision making, ethnic variations, marital interaction, alternative life styles, divorce and remarriage, and the future family. Offered only the spring semester.

Government

GOVT 108 Government3 cr. hrs.
 This is an introduction to the basic principles, organization, and functions of American national government. A brief view is also taken of state governments.

Geography

GEOG 151 Introductory Geography3 cr. hrs.
 This course is designed to introduce the student to the interrelationships that exist between man and his physical environment. Elements and classification of the physical environment, man's ability to adjust to or alter that environment, and the geographical processes resulting from that interaction will all be analyzed as they appear in major regions of the world. Offered only in the spring semester.

Psychology

PSYCH 201 General Psychology3 cr. hrs.

This is a survey of problems, methods, and findings of Psychology. Consideration is given to heredity, socialization, personality, mental health, drugs, prejudice, learning, thought control and aggression. Prerequisite: Sophomore status or approval of instructor.

PSYCH 306 Child Growth and Development.....3 cr. hrs.

This is a study of the physical, intellectual, social and emotional development as a basis for understanding human behavior. It will provide a background for students who are preparing to teach, or any other occupation involving working with children or youth. Offered only in the fall semester. Prerequisite: PSYCH 201, or the approval of the professor

PSYCH 310 Educational Psychology.....3 cr. hrs.

This course deals with the psychological principles involved in the teaching-learning process, with emphasis on the nature of intelligence, motivation, capacity, learning styles, thinking skills, individual differences, and the evaluation of learning. Offered only in the spring semester. Prerequisite: PSYCH 201, or the approval of the professor.

Economics

See course descriptions under Department of Business.

Freshman Year Experience

COLLEGE 101 Freshman Year Experience2 cr. hrs.

The study of the purposes of higher education and the roles of an individual student within the college and other learning environments. Open to freshmen only.

Division of Academic Support

Mrs. Janet Rogers

Head

AS 001 Reading for College Success0 cr. hrs.

Reading for College Success focuses on helping the student improve skills essential to effective reading. Special emphasis is placed on vocabulary, comprehension, reading rate, and critical reading. Placement into and exit from this course are determined by performance on reading placement tests administered by Academic Support faculty. Students placed in this course must attempt it during the first semester of enrollment at Chowan and repeat it each semester until satisfactory proficiency is achieved. For students required to take this course, it is co-requisite to all other courses. It meets three hours per week.

AS 002 Writing Fundamentals0 cr. hrs.

Writing Fundamentals is a course intended to help students attain the competence necessary for success in English 101. The course consists of closely supervised instruction in coherent sentence structure, paragraph development, and short composition. Placement into the course and exit from the course are determined by English faculty evaluation of writing proficiency. Students placed in Writing Fundamentals must attempt the course during the first semester of enrollment at Chowan and repeat it each semester until satisfactory writing proficiency is achieved. For students required to take this course, it is prerequisite to English 101. The class meets three hours per week.

AS 003 Composition in English as a Second Language0 cr. hrs.

This course is required for students whose first language is not English and whose facility with the English language is not sufficient for a purely rhetorical course. It deals with the vocabulary and mechanics of written English (grammar, diction, logic) and with composition. Placement into the course and exit from the course are determined by English faculty evaluation of writing proficiency. Students placed in this course must attempt the course during the first semester of enrollment at Chowan and repeat it each semester until satisfactory writing proficiency is achieved. For students required to take this course, it is prerequisite to English 101. It meets three hours per week.

AS 004 Basic Algebra0 cr. hrs.

Basic Algebra covers topics usually taught in a first course in high school algebra. It is designed to help students become successful in understanding basic concepts of algebra and in developing habits appropriate to the study of mathematics. topics include real numbers, solving equations and inequalities in one variable, polynomials, problem solving, exponents, factoring, rational expressions, roots and radicals, and basic graphing techniques. Students are required to take this course based upon math placement test scores, math SAT, and/or high school background, and exit from the course is contingent upon satisfactory achievement of proficiency in algebra as determined by the mathematics faculty. For students required to take this course, it is prerequisite to all mathematics courses. Basic Algebra meets five days per week.

AS 005 Student Success Seminars.....0 cr. hrs.

Student Success Seminars is a course designed to help students apply appropriate study habits to problem areas. It is intended to provide support for students with special needs such as learning disabilities, non-traditional students, students on academic probation, and any oth-

ers who feel they would benefit from a structured approach to using available resources. This class meets eight times per semester and it may not be taken concurrently with FYE 101 or AS 001.

*For purposes of meeting continued enrollment requirements only, successful performance in AS 001-AS004 will be considered the equivalent of earning a grade of C in a three-hour course, and a grade of U will be considered equivalent to an F in a three-hour course. AS 005 will be considered equivalent to a one-hour course, with an S or U counting as a C or an F, respectively.

THE DIRECTORY

THE BOARD OF TRUSTEES

Officers of the Board, 1995

Mrs. Elaine Myers	Chairman
Mr. Tom McCrary	Vice-Chairman
Mrs. Bettie Ricks	Recording Secretary

EXECUTIVE COMMITTEE OF THE BOARD OF TRUSTEES
